

Essentials Of Sociology

essentials of sociology: Essentials of Sociology Anthony Giddens, Richard P. Appelbaum, Deborah Carr, Mitchell Duneier, 2013 The textbook that teaches students how issues in our global society connect to their own lives.

essentials of sociology: Essentials of Sociology Anthony Giddens, 2017 With a combination of up-to-the minute examples, cutting-edge research, and the latest available data, Essentials of Sociology gets students thinking sociologically about what they're seeing in the news and on their screens. Highlighting the macro social forces at work in our everyday lives, the authors move students beyond their individual experiences and cultivate their sociological imaginations. Innovative pedagogy promotes active reading and helps students master core sociological concepts. This strong in-text pedagogical program is now supported by InQuizitive, Norton's new formative, adaptive learning tool.

essentials of sociology: Essentials of Sociology George Ritzer, Wendy Wiedenhof Murphy, 2017-11-27 Essentials of Sociology, adapted from George Ritzer's Introduction to Sociology, provides the same rock-solid foundation from one of sociology's best-known thinkers in a shorter and more streamlined format. With new co-author Wendy Wiedenhof Murphy, the Third Edition continues to illuminate traditional sociological concepts and theories and focuses on some of the most compelling features of contemporary social life: globalization, consumer culture, the internet, and the "McDonaldization" of society. New to this Edition New "Trending" boxes focus on influential books by sociologists that have become part of the public conversation about important issues. Replacing "Public Sociology" boxes, this feature demonstrates the diversity of sociology's practitioners, methods, and subject matter, featuring such authors as o Michelle Alexander (The New Jim Crow) o Elizabeth Armstrong and Laura Hamilton (Paying for the Party) o Matthew Desmond (Evicted) o Arlie Hochschild (Strangers in Their Own Land) o Eric Klinenberg (Going Solo) o C.J. Pascoe (Dude, You're a Fag) o Lori Peek and Alice Fothergill (Children of Katrina) o Allison Pugh (The Tumbleweed Society) Updated examples in the text and Digital Living boxes keep pace with changes in digital technology and online practices, including Uber, Bitcoin, net neutrality, digital privacy, WikiLeaks, and cyberactivism. New or updated subjects apply sociological thinking to the latest issues including: the 2016 U.S. election Brexit the global growth of ISIS climate change further segmentation of wealthy Americans as the super rich transgender people in the U.S. armed forces charter schools the legalization of marijuana the Flint water crisis fourth-wave feminism

essentials of sociology: Essentials of Sociology David B. Brinkerhoff, Suzanne T. Ortega, Rose Weitz, 2013-01-21 Extremely reader friendly and packed with vivid examples, ESSENTIALS OF SOCIOLOGY, 9e takes real-world scenarios and shows you how to use sociology to analyze them. It combines comprehensive coverage, socially relevant analysis, and cutting-edge research into a concise 15 chapters. Hands-on exercises help sharpen critical thinking and problem solving skills as readers put sociological theory into practice. More visually engaging than ever, the Ninth Edition also maintains the book's signature emphasis on global issues. Available with InfoTrac Student Collections <http://goengage.com/infotrac>. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

essentials of sociology: Essentials of Sociology David B. Brinkerhoff, Lynn K. White, 2005

essentials of sociology: Essentials of Sociology Anthony Giddens, 2008 Regarded as the most authoritative introduction to contemporary sociology, Essentials of Sociology adds a new author to its team with the Second Edition.

essentials of sociology: Down to Earth Sociology James M. Henslin, 2005 The twelfth edition's new readings include selections on the unspoken rules of social interaction, the shocking disparities between upper- and lower-class life, America's changing attitudes toward work and

family and the roles they fulfill, and the McDonaldization of American society. Together with these essential new articles, the selections by Peter Berger, Herbert Gans, Erving Goffman, Donna Eder, Zella Luria, C. Wright Mills, Deborah Tannen, Barrie Thorne, Sidney Katz, Philip Zimbardo, and many others provide firsthand reporting that gives students a sense of being there. Henslin also explains basic methods of social research, providing insight into how sociologists explore the social world. The selections in *Down to Earth Sociology* highlight the most significant themes of contemporary sociology, ranging from the sociology of gender, power, politics, sports, and religion, to the contemporary crises of racial tension, crime, rape, poverty, and homelessness.

essentials of sociology: *Essentials of Sociology* James M. Henslin, 2014-01-27 A Down-to-Earth Approach

James Henslin shares the excitement of sociology in *Essentials of Sociology: A Down-to-Earth Approach*, 11/e. With his acclaimed down-to-earth approach and personal writing style, the author highlights the sociology of everyday life and its relevance to students' lives. With wit, personal reflection, and illuminating examples, Henslin stimulates students' sociological imagination so they can better perceive how the pieces of society fit together. In addition to this trademark down-to-earth approach, other distinctive features include: comparative perspectives, the globalization of capitalism, and visual presentations of sociology.

MySocLab is an integral part of the Henslin learning program. Engaging activities and assessments provide a teaching a learning system that helps students see the world through a sociological lens. With MySocLab, students can develop critical thinking skills through writing, explore real-world data through the new Social Explorer, and watch the latest entries in the Core Concept Video Series.

This program will provide a better teaching and learning experience—for you and your students. It:

- Personalizes Learning with MySocLab: MySocLab is an online homework, tutorial, and assessment program. It helps students prepare for class and instructor gauge individual and class performance.
- Explores a A Down-to-Earth Approach: This title highlights the sociology of everyday life and its relevance to students' lives.
- Improves Critical Thinking: Features throughout help build critical thinking skills.
- Understands Social Change: An important theme of the text, social change over time, examines what society was previously like, how it has changed, and what the implications are for the present and future.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

essentials of sociology: *Essentials of Sociology* George Ritzer, 2019-11-08 Join the conversation with one of sociology's best-known thinkers. In the fully updated Fourth Edition of *Essentials to Sociology*, bestselling author George Ritzer shows students the relevance of sociology to their lives. Adapted from Ritzer's *Introduction to Sociology*, this text provides students with a rock-solid foundation in a shorter and more streamlined format. Students will learn about traditional sociological concepts and theories, as well as some of the most compelling contemporary social phenomena: globalization, consumer culture, the Internet, and the "McDonaldization" of society. Packed with current examples and the latest research of how "public" sociologists are engaging with the critical issues of today, this new edition encourages students to apply a sociological perspective to their worldview—empowering them to participate in a global conversation about current social

problems. Also available as a digital option (courseware). Contact your rep to learn more about Essentials of Sociology, Fourth Edition - Vantage Digital Option.

essentials of sociology: Sociology Margaret L. Andersen, Howard F. Taylor, 2020

essentials of sociology: Essential Concepts in Sociology Anthony Giddens, Philip W. Sutton, 2017-05-11 Social life is in a constant process of change, and sociology can never stand still. As a result, sociology today is a theoretically diverse enterprise, covering a huge range of subjects and drawing on a broad array of research methods. Central to this endeavour is the use of core concepts and ideas which allow sociologists to make sense of societies, though our understanding of these concepts necessarily evolves and changes. This clear and jargon-free book introduces a careful selection of essential concepts that have helped to shape sociology and others that continue to do so. Going beyond brief, dictionary-style definitions, Anthony Giddens and Philip W. Sutton provide an extended discussion of each concept which sets it in historical and theoretical context, explores its main meanings in use, introduces relevant criticisms, and points readers to its ongoing development in contemporary research and theorizing. Organized in ten thematic sections, the book offers a portrait of sociology through its essential concepts, ranging from capitalism, identity and deviance to globalization, the environment and intersectionality. It will be essential reading for all those new to sociology as well as anyone seeking a reliable route map for a rapidly changing world.

essentials of sociology: *Essentials of Sociology* James M. Henslin, 2018-02-20

essentials of sociology: *Essentials of Sociology* Basirico, Cashion, Eshleman, 2014

essentials of sociology: *Sociology* James M. Henslin, 2023 Throughout this text, the goal is to share with your students how fascinating and enlightening sociology is. Because sociology is about social life and we live in a changing global society, this 15th edition of *Sociology: A Down-to-Earth Approach* continues to reflect the national and global changes that engulf us, as well as presents new sociological research. The down-to-earth examples, for which this text is known, will help your students see how sociology applies to them. So will the photos, about 555 of them, of which 228 are new. The photos are neither random nor fillers. I have either selected or taken each of these photos, as well as written each caption. By tying the photos and their captions directly into the text, they become part of your students' learning experience--

essentials of sociology: *Essentials of Sociology* David B. Brinkerhoff, 2011

essentials of sociology: *Fundamentals of Sociology* Rajendra Kumar Sharma, 1996 This Book Covers Courses Prescribed In Indian Universities In Sociology For The Papers : Principles Of Sociology; Essentials Of Sociology; Fundamentals Of Sociology Etc. Meant To Serve As A Textbook It Discusses All The Essentials And Leaves Out Those Topics Which Are Irrelevant. Thus, It Is At Once Concise, Relevant And Also Detailed And Exhaustive. It Deals With Social Phenomena; Society, Social Institutions And Associations; Communities, Groups And Factors Determining These. It Includes Social Change, Social Control And Social Processes. While Its Subject-Matter Has Been Drawn From Standard Books Published In The West, It Has Been Discussed In Indian Setting. While Its Method Of Presentation Is Analytic, It Has Adopted Holistic And Integral Approach On Controversial Issues. With Actual University Questions At The End Of Each Chapter, This Book Intends To Deliver First Division At The Examination.

essentials of sociology: *The Principles of Sociology* Herbert Spencer, 1910

essentials of sociology: *Sociology in Our Times* Diana Kendall, 2004-03-01 This cutting-edge, applied book highlights the relevance of sociology by including a diverse collection of theories, research, and lived experiences that accurately mirror the diversity in society itself. The author's vivid, applied, personal writing style engages students, and activates compelling everyday examples that make sociology particularly relevant to diverse students. A social issue or application opens each chapter and provides various topics for boxes, features, and examples that are carried throughout the entire chapter. Kendall's text is acclaimed in the field for being the first textbook to integrate race, class, and gender issues; as well as for its thorough presentation of sociological theory, which includes diverse theoretical viewpoints such as feminist and postmodernist theory. Kendall shows students that sociology involves important questions and issues that they confront

both personally and vicariously.

essentials of sociology: The Study of Sociology Herbert Spencer, 1874

essentials of sociology: *Introduction to Sociology 2e* Nathan J. Keirns, Heather Griffiths, Eric Strayer, Susan Cody-Rydzewski, Gail Scaramuzzo, Sally Vyain, Tommy Sadler, Jeff D. Bry, Faye Jones, 2015-03-17 This text is intended for a one-semester introductory course.--Page 1.

essentials of sociology: Essentials Of Social Research Kalof, Linda, Dan, Amy, 2008-10-01 Covers types of research, reasoning and data, basic logic of quantitative and qualitative inquiry, major data collection strategies, and identification of research limitations. This book describes procedures for identifying limitations of research and rival explanations for research findings.

essentials of sociology: The Big Rig Steve Viscelli, 2016-04-12 Long-haul trucks have been described as sweatshops on wheels. The typical long-haul trucker works the equivalent of two full-time jobs, often for little more than minimum wage. But it wasn't always this way. Trucking used to be one of the best working-class jobs in the United States. The Big Rig explains how this massive degradation in the quality of work has occurred, and how companies achieve a compliant and dedicated workforce despite it. Drawing on more than 100 in-depth interviews and years of extensive observation, including six months training and working as a long-haul trucker, Viscelli explains in detail how labor is recruited, trained, and used in the industry. He then shows how inexperienced workers are convinced to lease a truck and to work as independent contractors. He explains how deregulation and collective action by employers transformed trucking's labor markets--once dominated by the largest and most powerful union in US history--into an important example of the costs of contemporary labor markets for workers and the general public.

essentials of sociology: Everyday Sociology Reader Karen Sternheimer, 2020-04-15 Innovative readings and blog posts show how sociology can help us understand everyday life.

essentials of sociology: Feminist Methodologies for Critical Researchers Joey Sprague, 2016-03-16 This accessible text on social research methodology teaches students of sociology and related disciplines how standard methods can be adapted toward critical ends. The second edition has been updated throughout to incorporate the latest critical scholarship, enhanced discussion of qualitative methods, new material on global issues, sex/sexuality/gender, new discussion of intersectionality, how social media can shape research, and more. Author Joey Sprague describes and evaluates a wide array of methodological options—from quantitative to qualitative—and explores the links between epistemology and methodology. She proposes a program to overcome bias in standard methodologies and offers practical suggestions that can be used effectively by all progressive researchers. The second edition of *Feminist Methodology for Critical Researchers* is of value to scholars across disciplines and an essential text or supplement for methods classes.

essentials of sociology: An Introduction to Sociology Anthony Giddens, Mitchell Duneier, 2000-04-01

essentials of sociology: Introduction to Sociology George Ritzer, 2017-09-15 This Fourth Edition of George Ritzer's *Introduction to Sociology* shows students the relevance of sociology to their lives. While providing a rock-solid foundation, Ritzer illuminates traditional sociological concepts and theories, as well as some of the most compelling contemporary social phenomena: globalization, consumer culture, the digital world, and the "McDonaldization" of society. With examples on every page from current events and contemporary research, and stories about "public" sociologists who are engaging with the critical issues of today, the text demonstrates the power of sociology to explain the world, and the diversity of questions that sociologists seek to answer. New to this Edition New "Trending" boxes focus on influential books written by sociologists that have become part of the public conversation about important issues. Replacing "Public Sociology" boxes, these boxes demonstrate the diversity of sociology's practitioners, methods, and subject matter, and feature such authors as: Michelle Alexander (*The New Jim Crow*) Elizabeth Armstrong and Laura Hamilton (*Paying for the Party*) Randol Contreras (*The Stick-Up Kids*) Matthew Desmond (*Evicted*) Kimberly Hoang (*Dealing in Desire*) Arlie Hochschild (*Strangers in Their Own Land*) Eric Klinenberg (*Going Solo*) C.J. Pascoe (*Dude, You're a Fag*) Lori Peek and Alice Fothergill (*Children of Katrina*)

Allison Pugh (The Tumbleweed Society) Updated examples in the text and Digital Living boxes keep pace with changes in digital technology and online practices, including Uber, bitcoin, net neutrality, digital privacy, WikiLeaks, and cyberactivism. New or updated subjects apply sociological thinking to the latest issues including: the 2016 U.S. election Brexit the global growth of ISIS climate change President Trump's proposed Mexican border wall further segmentation of wealthy Americans in the super rich transgender people in the U.S. armed forces charter schools the legalization of marijuana the Flint water crisis fourth-wave feminism

essentials of sociology: Sociology of the Arts Victoria D. Alexander, 2020-10-19 Explains the key concepts, theories, and studies in the sociology of the arts—the fully updated new edition of the classic textbook Sociology of the Arts is a comprehensive yet accessible review of sociological approaches to studying the fine, popular, and folk arts. Integrating scholarly literature, theoretical models, and empirical studies, this authoritative textbook provides balanced coverage of a broad range of essential topics—enabling a deeper understanding of the field as a whole. Throughout the text, numerous real-world case studies reinforce key concepts, stimulate classroom discussion, and encourage students to contemplate abstract theoretical issues central to the relationship between art and society. Now in its second edition, this bestselling volume features fully revised content that reflects the most recent literature and research in the field. New discussion on the production and the consumption of culture are complemented by fresh perspectives on changes in the social world such as the rise of the internet and digital media. Updated chapters offer insights into social boundaries and embodiment in the arts, emplacement, materiality, the social construction of art and aesthetics, and more. Exploring how art is created, distributed, received, and consumed, this textbook: Explores both classic work and new approaches in the sociology of the arts Features case studies and discussion questions on art forms including popular music, film, romance novels, visual arts, and classical music Discusses the meaning of artistic objects and why interpretations of art vary Examines the ways art intersects with race, gender, sexuality, and class Includes photographs, tables and figures, and a comprehensive reference list Written by a leading scholar in the field, Sociology of the Arts: Exploring Fine and Popular Forms, Second Edition is an ideal textbook for advanced undergraduate and graduate courses on sociology of art and culture, media studies, anthropology of art, arts management, and the social history of art, and is a useful reference for established scholars studying any aspect of sociology of the arts.

essentials of sociology: The Wiley-Blackwell Companion to Sociology George Ritzer, 2016-09-26 Featuring a collection of original chapters by leading and emerging scholars, The Wiley-Blackwell Companion to Sociology presents a comprehensive and balanced overview of the major topics and emerging trends in the discipline of sociology today. Features original chapters contributed by an international cast of leading and emerging sociology scholars Represents the most innovative and 'state-of-the-art' thinking about the discipline Includes a general introduction and section introductions with chapters summaries by the editor

essentials of sociology: How To Do Research Jane F. Gaultney, Hannah D. Peach, 2015-12-17 Designed to help students make the leap from learning about research to doing research, How To Do Research by Jane F. Gaultney and Hannah D. Peach provides an easy-to-understand walkthrough of the entire research process, from selecting a topic and conducting a literature review through presenting an APA-style paper or presentation. All of the 15 cross-disciplinary labs included are appropriate for use in the social, behavioral, and health sciences, and follow a consistent format: objective, description of a journal article, canned data, examples of what output should look like, pointers on interpreting the output, and a suggested activity for those who wish to collect their own data.

essentials of sociology: Sociology Steven E. Barkan,

essentials of sociology: Introduction to Sociology 12th Edition Henry L. Tischler, 2018-04-09

essentials of sociology: Ghetto Mitchell Duneier, 2016-04-19 A New York Times Notable Book of 2016 Winner of the Zócalo Public Square Book Prize On March 29, 1516, the city council of

Venice issued a decree forcing Jews to live in il getto—a closed quarter named for the copper foundry that once occupied the area. The term stuck. In this sweeping and original account, Mitchell Duneier traces the idea of the ghetto from its beginnings in the sixteenth century and its revival by the Nazis to the present. As Duneier shows, we cannot comprehend the entanglements of race, poverty, and place in America today without recalling the ghettos of Europe, as well as earlier efforts to understand the problems of the American city. Ghetto is the story of the scholars and activists who tried to achieve that understanding. As Duneier shows, their efforts to wrestle with race and poverty cannot be divorced from their individual biographies, which often included direct encounters with prejudice and discrimination in the academy and elsewhere. Using new and forgotten sources, Duneier introduces us to Horace Cayton and St. Clair Drake, graduate students whose conception of the South Side of Chicago established a new paradigm for thinking about Northern racism and poverty in the 1940s. We learn how the psychologist Kenneth Clark subsequently linked Harlem's slum conditions with the persistence of black powerlessness, and we follow the controversy over Daniel Patrick Moynihan's report on the black family. We see how the sociologist William Julius Wilson redefined the debate about urban America as middle-class African Americans increasingly escaped the ghetto and the country retreated from racially specific remedies. And we trace the education reformer Geoffrey Canada's efforts to transform the lives of inner-city children with ambitious interventions, even as other reformers sought to help families escape their neighborhoods altogether. Duneier offers a clear-eyed assessment of the thinkers and doers who have shaped American ideas about urban poverty—and the ghetto. The result is a valuable new estimation of an age-old concept.

essentials of sociology: The McDonaldization of Society George Ritzer, 2018-01-12 The author is a proud sponsor of the 2020 SAGE Keith Roberts Teaching Innovations Award—enabling graduate students and early career faculty to attend the annual ASA pre-conference teaching and learning workshop. The book that made McDonaldization part of the lexicon of contemporary sociological theory, read by hundreds of thousands of students, is now in its Ninth Edition! George Ritzer's seminal work of critical sociology, *The McDonaldization of Society*, continues to stand as one of the pillars of modern day sociological thought. Building on the argument that the fast food restaurant has become the model for the rationalization process today, this book links theory to contemporary life in a globalized world and resonates with students in a way that few other books do. Ritzer opens students' eyes to many current issues and shows how McDonaldization's principles apply to other settings, especially in the areas of consumption and globalization. This new edition has been significantly reoriented to reflect our experience of McDonaldization in the world of online consumption. New to this Edition Examines how retailers like Amazon represent a new era of datafication, the transformation of vast amounts of information into quantifiable data. Discusses how the digital world has almost unlimited potential to turn consumers into prosumers doing volunteer work formerly done by paid employees. This edition is more streamlined than previous editions to sharpen its argument and message, and make it more useable as a secondary reading in a wide range of courses

essentials of sociology: Sociology Now Michael S. Kimmel, Amy Aronson, 2012 Exploring the questions of today Sociology Now reflects the discipline today and explores the big questions about multiculturalism and globalization that sociologists ask. It explains how the classic concerns of sociology--social order, social conflict, social interaction--have been reshaped by new insights about multiculturalism and globalization. Sociology has always offered a way to make sense of the complex and sometimes contradictory forces that shape our social lives in any era. As Sociology Now explains sociology as both a body of knowledge and a way of seeing, it shows how the forces of globalization and multiculturalism have come to preoccupy sociologists and influence the way they look at the events and experiences of the early twenty first century. Michael Kimmel, a leading sociologist and gender researcher, and co-author Amy Aronson, a journalist and media scholar, address questions regarding these forces head-on as they make a compelling case for the importance of sociology in the contemporary world. The Census Update program incorporates 2010 Census data into a

course simply and easily. The components of the Census Update Program include an updated census edition with all charts and graphs to reflect the results of the 2010 Census. In addition, A Short Introduction to the U.S. Census is available and an updated MySocLab. Teaching & Learning Experience Personalize Learning - MySocLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. Improve Critical Thinking - Each chapter opener asks students to consider a paradox that illustrates the complexity of sociology. Engage Students - Unique pedagogical features help students see sociology as a science and understand how sociologists use research data. Explore Theory - Theory is discussed in context of multiculturalism and globalization. FAQs About Essentials Of Sociology Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Essentials Of Sociology is one of the best book in our library for free trial. We provide copy of Essentials Of Sociology in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Essentials Of Sociology. Where to download Essentials Of Sociology online for free? Are you looking for Essentials Of Sociology PDF? This is definitely going to save you time and cash in something you should think about.
