

Hitler And Stalin Parallel Lives

hitler and stalin parallel lives: Hitler and Stalin Alan Bullock, 1992-03

hitler and stalin parallel lives: Hitler and Stalin Alan Bullock, 2019-12-11 Forty years after his *Hitler: A Study in Tyranny* set a standard for scholarship of the Nazi era, Lord Alan Bullock gives readers a breathtakingly accomplished dual biography that places Adolf Hitler's origins, personality, career, and legacy alongside those of Joseph Stalin--his implacable antagonist and moral mirror image.

hitler and stalin parallel lives: Hitler and Stalin Laurence Rees, 2021-02-02 An award-winning historian plumbs the depths of Hitler and Stalin's vicious regimes, and shows the extent to which they brutalized the world around them. Two 20th century tyrants stand apart from all the rest in terms of their ruthlessness and the degree to which they changed the world around them. Briefly allies during World War II, Adolph Hitler and Josef Stalin then tried to exterminate each other in sweeping campaigns unlike anything the modern world had ever seen, affecting soldiers and civilians alike. Millions of miles of Eastern Europe were ruined in their fight to the death, millions of lives sacrificed. Laurence Rees has met more people who had direct experience of working for Hitler and Stalin than any other historian. Using their evidence he has pieced together a compelling comparative portrait of evil, in which idealism is polluted by bloody pragmatism, and human suffering is used casually as a political tool. It's a jaw-dropping description of two regimes stripped of moral anchors and doomed to destroy each other, and those caught up in the vicious magnetism of their leadership.

hitler and stalin parallel lives: Bloodlands Timothy Snyder, 2012-10-02 From the author of the international bestseller *On Tyranny*, the definitive history of Hitler's and Stalin's politics of mass killing, explaining why Ukraine has been at the center of Western history for the last century. Americans call the Second World War "the Good War." But before it even began, America's ally Stalin had killed millions of his own citizens—and kept killing them during and after the war. Before Hitler was defeated, he had murdered six million Jews and nearly as many other Europeans. At war's end, German and Soviet killing sites fell behind the Iron Curtain, leaving the history of mass killing in darkness. Assiduously researched, deeply humane, and utterly definitive, *Bloodlands* is a new kind of European history, presenting the mass murders committed by the Nazi and Stalinist regimes as two aspects of a single story. With a new afterword addressing the relevance of these events to the contemporary decline of democracy, *Bloodlands* is required reading for anyone seeking to understand the central tragedy of modern history and its meaning today.

hitler and stalin parallel lives: Jun-41 John Lukacs, 2006-01-01 A masterful account culminating in the fateful days before Hitler's invasion of the Soviet Union, June 1941 offers penetrating insights and a new portrait of Hitler and Stalin.

hitler and stalin parallel lives: Unholy Trinity Ozias Marcovici, 2019-01-18 Despite appearances, Napoleon, Hitler and Stalin have a few things in common. Each of them belonged to a minority from the country he tyrannized: Napoleon was Corsican (I could recognize Corsica with closed eyes, only by her perfume), Hitler was an Austrian born in the Habsburg Empire, and Stalin was Georgian. Historiography was generous with them, not to mention some sophisticated medical and psychiatric analyses. Yet it often went unnoticed that they suffered from the minority syndrome, characterized by the wish to act for the good of the greater majority (French, German, Russian). Thus, they imposed authoritarian regimes on their peoples, whom they attempted to endow with new territories, through violent expansionist politics.

hitler and stalin parallel lives: The Hitler Book Henrik Eberle, Matthias Uhl, 2009-03-25 Stalin had never been able to shake off the nightmare of Adolf Hitler. Just as in 1941 he refused to understand that Hitler had broken their non-aggression pact, he was in 1945 unwilling to believe

that the dictator had committed suicide in the debris of the Berlin bunker. In his paranoia, Stalin ordered his secret police, the NKVD, precursor to the KGB, to explore in detail every last vestige of the private life of the only man he considered a worthy opponent, and to clarify beyond doubt the circumstances of his death. For months two captives of the Soviet Army -- Otto Guensche, Hitler's adjutant, and Heinz Linge, his personal valet--were interrogated daily, their stories crosschecked, until the NKVD were convinced that they had the fullest possible account of the life of the Führer. In 1949 they presented their work, in a single copy, to Stalin. It is as remarkable for the depth of its insight into Adolf Hitler -- from his specific directions to Linge as to how his body was to be burned, to his sense of humor -- as for what it does not say, reflecting the prejudices of the intended reader: Joseph Stalin. Nowhere, for instance, does the dossier criticize Hitler's treatment of the Jews. Today, the 413-page original of Stalin's personal biography of Hitler is a Kremlin treasure and it is said to be held in President Putin's safe. The only other copy, made by order of Stalin's successor, Nikita Khrushchev, in 1959, was deposited in Moscow Party archives under the code number 462A. It was there that Henrik Eberle and Matthias Uhl, two German historians, found it. Available to the public in full for the first time, *The Hitler Book* presents a captivating, astonishing, and deeply revealing portrait of Hitler, Stalin, and the mutual antagonism of these two dictators, who between them wrought devastation on the European continent.

hitler and stalin parallel lives: *The Dictators* Richard Overy, 2005-04-28 Half a century after their deaths, the dictatorships of Stalin and Hitler still cast a long and terrible shadow over the modern world. They were the most destructive and lethal regimes in history, murdering millions. They fought the largest and costliest war in all history. Yet millions of Germans and Russians enthusiastically supported them and the values they stood for. In this first major study of the two dictatorships side-by-side Richard Overy sets out to answer the question: How was dictatorship possible? How did they function? What was the bond that tied dictator and people so powerfully together? He paints a remarkable and vivid account of the different ways in which Stalin and Hitler rose to power, and abused and dominated their people. It is a chilling analysis of powerful ideals corrupted by the vanity of ambitious and unscrupulous men.

hitler and stalin parallel lives: *Mao* Jung Chang, Jon Halliday, 2011-10-05 The most authoritative life of the Chinese leader ever written, *Mao: The Unknown Story* is based on a decade of research, and on interviews with many of Mao's close circle in China who have never talked before — and with virtually everyone outside China who had significant dealings with him. It is full of startling revelations, exploding the myth of the Long March, and showing a completely unknown Mao: he was not driven by idealism or ideology; his intimate and intricate relationship with Stalin went back to the 1920s, ultimately bringing him to power; he welcomed Japanese occupation of much of China; and he schemed, poisoned, and blackmailed to get his way. After Mao conquered China in 1949, his secret goal was to dominate the world. In chasing this dream he caused the deaths of 38 million people in the greatest famine in history. In all, well over 70 million Chinese perished under Mao's rule — in peacetime.

hitler and stalin parallel lives: *Machiavelli* Alexander Lee, 2020-03-19 'A wonderfully assured and utterly riveting biography that captures not only the much-maligned Machiavelli, but also the spirit of his time and place. A monumental achievement.' - Jessie Childs, author of *God's Traitors*. 'A notorious fiend', 'generally odious', 'he seems hideous, and so he is.' Thanks to the invidious reputation of his most famous work, *The Prince*, Niccolò Machiavelli exerts a unique hold over the popular imagination. But was Machiavelli as sinister as he is often thought to be? Might he not have been an infinitely more sympathetic figure, prone to political missteps, professional failures and personal dramas? Alexander Lee reveals the man behind the myth, following him from cradle to grave, from his father's penury and the abuse he suffered at a teacher's hands, to his marriage and his many affairs (with both men and women), to his political triumphs and, ultimately, his fall from grace and exile. In doing so, Lee uncovers hitherto unobserved connections between Machiavelli's life and thought. He also reveals the world through which Machiavelli moved: from the great halls of Renaissance Florence to the court of the Borgia pope, Alexander VI, from the dungeons of the

Stinche prison to the Rucellai gardens, where he would begin work on some of his last great works. As much a portrait of an age as of a uniquely engaging man, Lee's gripping and definitive biography takes the reader into Machiavelli's world – and his work – more completely than ever before.

hitler and stalin parallel lives: The Pursuit of the Nazi Mind Daniel Pick, 2014-05 The remarkable story of how the Allies used psychoanalysis to delve into the motivations of the Nazi leadership and to explore the mass psychology of fascism.

hitler and stalin parallel lives: Hitler Volker Ullrich, 2016 Originally published: Germany: S. Fischer Verlag.

hitler and stalin parallel lives: Koba the Dread Martin Amis, 2010-08-13 A brilliant weave of personal involvement, vivid biography and political insight, *Koba the Dread* is the successor to Martin Amis's award-winning memoir, *Experience*. *Koba the Dread* captures the appeal of one of the most powerful belief systems of the 20th century — one that spread through the world, both captivating it and staining it red. It addresses itself to the central lacuna of 20th-century thought: the indulgence of Communism by the intellectuals of the West. In between the personal beginnings and the personal ending, Amis gives us perhaps the best one-hundred pages ever written about Stalin: *Koba the Dread*, Iosif the Terrible. The author's father, Kingsley Amis, though later reactionary in tendency, was a "Comintern dogsbody" (as he would come to put it) from 1941 to 1956. His second-closest, and then his closest friend (after the death of the poet Philip Larkin), was Robert Conquest, our leading Sovietologist whose book of 1968, *The Great Terror*, was second only to Solzhenitsyn's *The Gulag Archipelago* in undermining the USSR. The present memoir explores these connections. Stalin said that the death of one person was tragic, the death of a million a mere "statistic." *Koba the Dread*, during whose course the author absorbs a particular, a familial death, is a rebuttal of Stalin's aphorism.

hitler and stalin parallel lives: Stalin Stephen Kotkin, 2017-10-31 "Monumental." —The New York Times Book Review Pulitzer Prize-finalist Stephen Kotkin has written the definitive biography of Joseph Stalin, from collectivization and the Great Terror to the conflict with Hitler's Germany that is the signal event of modern world history. In 1929, Joseph Stalin, having already achieved dictatorial power over the vast Soviet Empire, formally ordered the systematic conversion of the world's largest peasant economy into "socialist modernity," otherwise known as collectivization, regardless of the cost. What it cost, and what Stalin ruthlessly enacted, transformed the country and its ruler in profound and enduring ways. Building and running a dictatorship, with life and death power over hundreds of millions, made Stalin into the uncanny figure he became. Stephen Kotkin's *Stalin: Waiting for Hitler, 1929-1941* is the story of how a political system forged an unparalleled personality and vice versa. The wholesale collectivization of some 120 million peasants necessitated levels of coercion that were extreme even for Russia, and the resulting mass starvation elicited criticism inside the party even from those Communists committed to the eradication of capitalism. But Stalin did not flinch. By 1934, when the Soviet Union had stabilized and socialism had been implanted in the countryside, praise for his stunning anti-capitalist success came from all quarters. Stalin, however, never forgave and never forgot, with shocking consequences as he strove to consolidate the state with a brand new elite of young strivers like himself. Stalin's obsessions drove him to execute nearly a million people, including the military leadership, diplomatic and intelligence officials, and innumerable leading lights in culture. While Stalin revived a great power, building a formidable industrialized military, the Soviet Union was effectively alone and surrounded by perceived enemies. The quest for security would bring Soviet Communism to a shocking and improbable pact with Nazi Germany. But that bargain would not unfold as envisioned. The lives of Stalin and Hitler, and the fates of their respective dictatorships, drew ever closer to collision, as the world hung in the balance. *Stalin: Waiting for Hitler, 1929-1941* is a history of the world during the build-up to its most fateful hour, from the vantage point of Stalin's seat of power. It is a landmark achievement in the annals of historical scholarship, and in the art of biography.

hitler and stalin parallel lives: Crucible of Hell Saul David, 2020-05-05 From the award-winning historian, Saul David, the riveting narrative of the heroic US troops, bonded by the

brotherhood and sacrifice of war, who overcame enormous casualties to pull off the toughest invasion of WWII's Pacific Theater -- and the Japanese forces who fought with tragic desperation to stop them. With Allied forces sweeping across Europe and into Germany in the spring of 1945, one enormous challenge threatened to derail America's audacious drive to win the world back from the Nazis: Japan, the empire that had extended its reach southward across the Pacific and was renowned for the fanaticism and brutality of its fighters, who refused to surrender, even when faced with insurmountable odds. Taking down Japan would require an unrelenting attack to break its national spirit, and launching such an attack on the island empire meant building an operations base just off its shores on the island of Okinawa. The amphibious operation to capture Okinawa was the largest of the Pacific War and the greatest air-land-sea battle in history, mobilizing 183,000 troops from Seattle, Leyte in the Philippines, and ports around the world. The campaign lasted for 83 blood-soaked days, as the fighting plumbed depths of savagery. One veteran, struggling to make sense of what he had witnessed, referred to the fighting as the crucible of Hell. Okinawan civilians died in the tens of thousands: some were mistaken for soldiers by American troops; but as the US Marines spearheading the invasion drove further onto the island and Japanese defeat seemed inevitable, many more civilians took their own lives, some even murdering their own families. In just under three months, the world had changed irrevocably: President Franklin D. Roosevelt died; the war in Europe ended; America's appetite for an invasion of Japan had waned, spurring President Truman to use other means -- ultimately atomic bombs -- to end the war; and more than 250,000 servicemen and civilians on or near the island of Okinawa had lost their lives. Drawing on archival research in the US, Japan, and the UK, and the original accounts of those who survived, *Crucible of Hell* tells the vivid, heart-rending story of the battle that changed not just the course of WWII, but the course of war, forever.

hitler and stalin parallel lives: *Life in the Third Reich* Richard Bessel, 1987 This book reveals that daily German life under the Third Reich involved a complex mixture of bribery and terror; of fear and concessions; of barbarism and appeals to conventional moral values employed by the Nazis to maintain their grip on society. Eight leading historians present essays that shed fresh light on topics as familiar as the role of political violence in Nazi seizure of power and the German view of Hitler himself. It also focuses on lesser-known aspects of life in the Third Reich, such as village life, the treatment of social outcasts, and the Germans' own retrospective view of this period of their history.

hitler and stalin parallel lives: *Curtain of Lies* Melissa Feinstein, 2017 *Curtain of Lies* tells the story of the struggle to define the truth of Eastern Europe between 1948 and 1956. It examines how actors on both sides of the Iron Curtain tried to create knowledge about Eastern Europe, and thus helped solidify the battle lines of the Cold War.

hitler and stalin parallel lives: *Lenin, Stalin, and Hitler* Robert Gellately, 2009-11-11 A bold new accounting of the great social and political upheavals that enveloped Europe between 1914 and 1945—from the Russian Revolution through the Second World War. In *Lenin, Stalin, and Hitler*, acclaimed historian Robert Gellately focuses on the dominant powers of the time, the Soviet Union and Nazi Germany, but also analyzes the catastrophe of those years in an effort to uncover its political and ideological nature. Arguing that the tragedies endured by Europe were inextricably linked through the dictatorships of Lenin, Stalin, and Hitler, Gellately explains how the pursuit of their “utopian” ideals turned into dystopian nightmares. Dismantling the myth of Lenin as a relatively benevolent precursor to Hitler and Stalin and contrasting the divergent ways that Hitler and Stalin achieved their calamitous goals, Gellately creates in *Lenin, Stalin, and Hitler* a vital analysis of a critical period in modern history.

hitler and stalin parallel lives: *Stalin's Letters to Molotov* Josef Stalin, 1995-01-01 Between 1925 and 1936, Josef Stalin wrote frequently to his trusted friend and political colleague Viacheslav Molotov. The more than 85 letters collected in this volume constitute a unique historical record of Stalin's thinking--both personal and political--and throw valuable light on the way he controlled the government, plotted the overthrow of his enemies, and imagined the future. Illustrations.

hitler and stalin parallel lives: The Black Book of Communism Stéphane Courtois, 1999

This international bestseller plumbs recently opened archives in the former Soviet bloc to reveal the accomplishments of communism around the world. The book is the first attempt to catalogue and analyse the crimes of communism over 70 years.

hitler and stalin parallel lives: Stalin's War Sean McMeekin, 2021-04-20 A prize-winning historian reveals how Stalin—not Hitler—was the animating force of World War II in this major new history. World War II endures in the popular imagination as a heroic struggle between good and evil, with villainous Hitler driving its events. But Hitler was not in power when the conflict erupted in Asia—and he was certainly dead before it ended. His armies did not fight in multiple theaters, his empire did not span the Eurasian continent, and he did not inherit any of the spoils of war. That central role belonged to Joseph Stalin. The Second World War was not Hitler's war; it was Stalin's war. Drawing on ambitious new research in Soviet, European, and US archives, Stalin's War revolutionizes our understanding of this global conflict by moving its epicenter to the east. Hitler's genocidal ambition may have helped unleash Armageddon, but as McMeekin shows, the war which emerged in Europe in September 1939 was the one Stalin wanted, not Hitler. So, too, did the Pacific war of 1941–1945 fulfill Stalin's goal of unleashing a devastating war of attrition between Japan and the "Anglo-Saxon" capitalist powers he viewed as his ultimate adversary. McMeekin also reveals the extent to which Soviet Communism was rescued by the US and Britain's self-defeating strategic moves, beginning with Lend-Lease aid, as American and British supply boards agreed almost blindly to every Soviet demand. Stalin's war machine, McMeekin shows, was substantially reliant on American matériel from warplanes, tanks, trucks, jeeps, motorcycles, fuel, ammunition, and explosives, to industrial inputs and technology transfer, to the foodstuffs which fed the Red Army. This unreciprocated American generosity gave Stalin's armies the mobile striking power to conquer most of Eurasia, from Berlin to Beijing, for Communism. A groundbreaking reassessment of the Second World War, Stalin's War is essential reading for anyone looking to understand the current world order.

hitler and stalin parallel lives: Catholics on the Barricades Piotr H. Kosicki, 2018-01-09 In Poland in the 1940s and '50s, a new kind of Catholicism intended to remake European social and political life—not with guns, but French philosophy This collective intellectual biography examines generations of deeply religious thinkers whose faith drove them into public life, including Karol Wojtyła, future Pope John Paul II, and Tadeusz Mazowiecki, the future prime minister who would dismantle Poland's Communist regime. Seeking to change the way we understand the Catholic Church, World War II, the Cold War, and communism, this study centers on the idea of "revolution." It examines two crucial countries, France and Poland, while challenging conventional wisdom among historians and introducing innovations in periodization, geography, and methodology. Why has much of Eastern Europe gone back down the road of exclusionary nationalism and religious prejudice since the end of the Cold War? Piotr H. Kosicki helps to understand the crises of contemporary Europe by examining the intellectual world of Roman Catholicism in Poland and France between the Church's declaration of war on socialism in 1891 and the demise of Stalinism in 1956.

hitler and stalin parallel lives: Hitler's True Believers Robert Gellately, 2020 Nazi ideology drove Hitler's quest for power in 1933, colored everything in the Third Reich, and culminated in the Second World War and the Holocaust. In this book, Gellately addresses often-debated questions about how Führer discovered the ideology and why millions adopted aspects of National Socialism without having laid eyes on the leader or reading his work.

hitler and stalin parallel lives: The Deadly Embrace Anthony Read, David Fisher, 1989-10-01 Studies two powerful dictators maneuvering for advantage as they prepared for their fight to the death

hitler and stalin parallel lives: Napoleon and de Gaulle Patrice Gueniffey, 2020-05-12 An Australian Book Review Best Book of the Year One of France's most famous historians compares two exemplars of political and military leadership to make the unfashionable case that individuals, for better and worse, matter in history. Historians have taught us that the past is not just a tale of

heroes and wars. The anonymous millions matter and are active agents of change. But in democratizing history, we have lost track of the outsized role that individual will and charisma can play in shaping the world, especially in moments of extreme tumult. Patrice Gueniffey provides a compelling reminder in this powerful dual biography of two transformative leaders, Napoleon Bonaparte and Charles de Gaulle. Both became national figures at times of crisis and war. They were hailed as saviors and were eager to embrace the label. They were also animated by quests for personal and national greatness, by the desire to raise France above itself and lead it on a mission to enlighten the world. Both united an embattled nation, returned it to dignity, and left a permanent political legacy—in Napoleon's case, a form of administration and a body of civil law; in de Gaulle's case, new political institutions. Gueniffey compares Napoleon's and de Gaulle's journeys to power; their methods; their ideas and writings, notably about war; and their postmortem reputations. He also contrasts their weaknesses: Napoleon's limitless ambitions and appetite for war and de Gaulle's capacity for cruelty, manifested most clearly in Algeria. They were men of genuine talent and achievement, with flaws almost as pronounced as their strengths. As many nations, not least France, struggle to find their soul in a rapidly changing world, Gueniffey shows us what a difference an extraordinary leader can make.

hitler and stalin parallel lives: Stalin Robert Conquest, 1991 A portrait of a man who on a personal scale embodied mediocrity, yet created extraordinary political and social upheaval.

hitler and stalin parallel lives: The Light of Days Judy Batalion, 2021-04-06 THE INSTANT NEW YORK TIMES BESTSELLER! Also on the USA Today, Washington Post, Boston Globe, Globe and Mail, Publishers Weekly, and Indie bestseller lists. One of the most important stories of World War II, already optioned by Steven Spielberg for a major motion picture: a spectacular, searing history that brings to light the extraordinary accomplishments of brave Jewish women who became resistance fighters—a group of unknown heroes whose exploits have never been chronicled in full, until now. Witnesses to the brutal murder of their families and neighbors and the violent destruction of their communities, a cadre of Jewish women in Poland—some still in their teens—helped transform the Jewish youth groups into resistance cells to fight the Nazis. With courage, guile, and nerves of steel, these “ghetto girls” paid off Gestapo guards, hid revolvers in loaves of bread and jars of marmalade, and helped build systems of underground bunkers. They flirted with German soldiers, bribed them with wine, whiskey, and home cooking, used their Aryan looks to seduce them, and shot and killed them. They bombed German train lines and blew up a town's water supply. They also nursed the sick, taught children, and hid families. Yet the exploits of these courageous resistance fighters have remained virtually unknown. As propulsive and thrilling as *Hidden Figures*, *In the Garden of Beasts*, and *Band of Brothers*, *The Light of Days* at last tells the true story of these incredible women whose courageous yet little-known feats have been eclipsed by time. Judy Batalion—the granddaughter of Polish Holocaust survivors—takes us back to 1939 and introduces us to Renia Kukielka, a weapons smuggler and messenger who risked death traveling across occupied Poland on foot and by train. Joining Renia are other women who served as couriers, armed fighters, intelligence agents, and saboteurs, all who put their lives in mortal danger to carry out their missions. Batalion follows these women through the savage destruction of the ghettos, arrest and internment in Gestapo prisons and concentration camps, and for a lucky few—like Renia, who orchestrated her own audacious escape from a brutal Nazi jail—into the late 20th century and beyond. Powerful and inspiring, featuring twenty black-and-white photographs, *The Light of Days* is an unforgettable true tale of war, the fight for freedom, exceptional bravery, female friendship, and survival in the face of staggering odds. NPR's Best Books of 2021 National Jewish Book Award, 2021 Canadian Jewish Literary Award, 2021

hitler and stalin parallel lives: Rees Howells, Intercessor Norman Grubb, 2016-08-16

hitler and stalin parallel lives: Deathride John Mosier, 2010-06-15 Originally published as *Deathride*, this is the true story of the Eastern Front in World War II, emphasizing how close Germany came to winning and the USSR to losing; the severity of the Soviet losses, which have been minimized due to Soviet propaganda; and the importance of the Allied invasions of North Africa and

Sicily, among other factors, in forcing Hitler to re-deploy troops, saving the Soviets from disaster. The German invasion of the Soviet Union on June 22, 1941, began a war that lasted nearly four years and created by far the bloodiest theater in World War II. In the conventional narrative of this war, Hitler was defeated by Stalin because, like Napoleon, he underestimated the size and resources of his enemy. In fact, says historian John Mosier, Hitler came very close to winning and lost only because of the intervention of the western Allies. Stalin's great triumph was not winning the war, but establishing the prevailing interpretation of the war. The Great Patriotic War, as it is known in Russia, would eventually prove fatal, setting in motion events that would culminate in the collapse of the Soviet Union. Mosier argues that the Soviet losses in World War II were unsustainable and would eventually have led to defeat. The Soviet Union had only twice the population of Germany at the time, but it was suffering a casualty rate more than two and a half times the German rate. Because Stalin had a notorious habit of imprisoning or killing anyone who brought him bad news (and often their families as well), Soviet battlefield reports were fantasies, and the battle plans Soviet generals developed seldom responded to actual circumstances. In this respect the Soviets waged war as they did everything else: through propaganda rather than actual achievement. What saved Stalin was the Allied decision to open the Mediterranean theater. Once the Allies threatened Italy, Hitler was forced to withdraw his best troops from the eastern front and redeploy them. In addition, the Allies provided heavy vehicles that the Soviets desperately needed and were unable to manufacture themselves. It was not the resources of the Soviet Union that defeated Hitler but the resources of the West. In this provocative revisionist analysis of the war between Hitler and Stalin, Mosier provides a dramatic, vigorous narrative of events as he shows how most previous histories accepted Stalin's lies and distortions to produce a false sense of Soviet triumph. This is the real story of the Eastern Front, fresh and different from what we thought we knew.

hitler and stalin parallel lives: Parallel Journeys Eleanor H. Ayer, 2011-06-28 She was a young German Jew. He was an ardent member of the Hitler Youth. This is the story of their parallel journey through World War II. Helen Waterford and Alfons Heck were born just a few miles from each other in the German Rhineland. But their lives took radically different courses: Helen's to the Auschwitz concentration camp; Alfons to a high rank in the Hitler Youth. While Helen was hiding in Amsterdam, Alfons was a fanatic believer in Hitler's "master race." While she was crammed in a cattle car bound for the death camp Auschwitz, he was a teenage commander of frontline troops, ready to fight and die for the glory of Hitler and the Fatherland. This book tells both of their stories, side-by-side, in an overwhelming account of the nightmare that was World War II. The riveting stories of these two remarkable people must stand as a powerful lesson to us all.

hitler and stalin parallel lives: Fatherland Robert Harris, 1993 What would have happened if Hitler had won World War II?

hitler and stalin parallel lives: Hitler and Churchill Andrew Roberts, 2010-12-16 'His book is timely and a triumph. Roberts manages to convey all the reader needs to know about two men to whom battalions of biographies have been devoted' EVENING STANDARD Adolf Hitler and Winston Churchill were two totally opposite leaders - both in what they stood for and in the way in which they seemed to lead. Award-winning historian Andrew Roberts examines their different styles of leadership and draws parallels with rulers from other eras. He also looks at the way Hitler and Churchill estimated each other as leaders, and how it affected the outcome of the war. In a world that is as dependent on leadership as any earlier age, HITLER AND CHURCHILL asks searching questions about our need to be led. In doing so, Andrew Roberts forces us to re-examine the way that we look at those who take decisions for us.

hitler and stalin parallel lives: Philip and Alexander Adrian Goldsworthy, 2020-10-13 This definitive biography of one of history's most influential father-son duos tells the story of two rulers who gripped the world -- and their rise and fall from power. Alexander the Great's conquests staggered the world. He led his army across thousands of miles, overthrowing the greatest empires of his time and building a new one in their place. He claimed to be the son of a god, but he was actually the son of Philip II of Macedon. Philip inherited a minor kingdom that was on the verge of

dismemberment, but despite his youth and inexperience, he made Macedonia dominant throughout Greece. It was Philip who created the armies that Alexander led into war against Persia. In Philip and Alexander, classical historian Adrian Goldsworthy shows that without the work and influence of his father, Alexander could not have achieved so much. This is the groundbreaking biography of two men who together conquered the world.

hitler and stalin parallel lives: *Hitler* Konrad Heiden, 1936

hitler and stalin parallel lives: *Warlords* Simon Berthon, Joanna Potts, 2013-08-01

WARLORDS recreates in forensic and gripping detail the extraordinary mind games between Churchill, Hitler, Stalin and Roosevelt as World War Two unfolded day by day. Why did Hitler make a deal in August 1939 with his sworn enemy Stalin? Was it always his intention to double-cross the Russian? Or was Operation Barbarossa forced on Hitler because he'd failed to bring Churchill to heel? What was going on in Roosevelt's mind as Churchill stood alone against Hitler? Did he always intend to bring America into the war, as Churchill pleaded with him to do? Or was his real plan for Britain to do the fighting, backed by American money - a plan that was disrupted only by Pearl Harbour? And in the war's endgame, did the two great leaders of the West failed to understand Stalin's intentions; or did they have no choice but to concede half of Europe to him? Gripping, innovative and perceptive... It reads like a thriller but it is also a scholarly, impeccably researched piece of work... superlative. - Tribune Fascinating insights into the minds of these titans. - Daily Mail

hitler and stalin parallel lives: *Stalin's Englishman* Andrew Lownie, 2016 'MORE RIVETING THAN A SPY NOVEL': THE GRIPPING TRUE STORY OF CAMBRIDGE SPY GUY BURGESS Readers LOVE Stalin's Englishman: 'Fantastically detailed . . . a very quick, absorbing read.' 'Andrew Lownie's biography of Guy Burgess is that rare achievement - a historical biography of considerable political and human complexity that is also a page turner.' 'Surely the definitive account of one of the country's most prominent traitors.' 'Guy Burgess was the most important, complex and fascinating of 'The Cambridge Spies' - Maclean, Philby, Blunt - all brilliant young men recruited in the 1930s to betray their country to the Soviet Union. An engaging and charming companion to many, an unappealing, utterly ruthless manipulator to others, Burgess rose through academia, the BBC, the Foreign Office, MI5 and MI6, gaining access to thousands of highly sensitive secret documents which he passed to his Russian handlers. In this first full biography, Andrew Lownie shows us how even Burgess's chaotic personal life of drunken philandering did nothing to stop his penetration and betrayal of the British Intelligence Service. Even when he was under suspicion, the fabled charm which had enabled many close personal relationships with influential Establishment figures (including Winston Churchill) prevented his exposure as a spy for many years. Through interviews with more than a hundred people who knew Burgess personally, many of whom have never spoken about him before, and the discovery of hitherto secret files, Stalin's Englishman brilliantly unravels the many lives of Guy Burgess in all their intriguing, chilling, colourful, tragi-comic wonder. PUBLISHED TO GREAT CRITICAL ACCLAIM: Winner of the St Ermin's Intelligence Book of the Year Award. 'One of the great biographies of 2015.' The Times Fully updated edition including recently released information. A Guardian Book of the Year. The Times Best Biography of the Year. Mail on Sunday Biography of the Year. Daily Mail Biography of Year. Spectator Book of the Year. BBC History Book of the Year. 'A remarkable and definitive portrait ' Frederick Forsyth 'Andrew Lownie's biography of Guy Burgess, Stalin's Englishman ... shrewd, thorough, revelatory.' William Boyd 'In the sad and funny Stalin's Englishman, [Lownie] manages to convey the charm as well as the turpitude.' Craig Brown

hitler and stalin parallel lives: *Hitler's Last Day: Minute by Minute* Jonathan Mayo, Emma Craigie, 2016

hitler and stalin parallel lives: *The Secret Betrayal* Nikolai Tolstoy, 1978

hitler and stalin parallel lives: *The Rise and Fall of the Third Reich* William L. Shirer, 2011-10-11 History of Nazi Germany.

hitler and stalin parallel lives: *All the Frequent Troubles of Our Days* Rebecca Donner, 2021-08-05 SELECTED AS A BBC RADIO 4 BOOK OF THE WEEK Born and raised in America,

Mildred Harnack was twenty-six and living in Germany when she witnessed the meteoric rise of the Nazi party. She began holding secret meetings in her apartment, forming a small band of political activists set on helping Jews escape, denouncing Hitler and calling for revolution. When the Second World War began, she became a spy, couriering top-secret intelligence to the Allies. In this astonishing work of non-fiction, Harnack's great-great-niece Rebecca Donner draws on extensive archival research, fusing elements of biography, political thriller and scholarly detective story to tell a powerful, epic tale of an enigmatic woman nearly erased by history.

Hitler And Stalin Parallel Lives Introduction

In today's digital age, the availability of Hitler And Stalin Parallel Lives books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Hitler And Stalin Parallel Lives books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Hitler And Stalin Parallel Lives books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Hitler And Stalin Parallel Lives versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Hitler And Stalin Parallel Lives books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Hitler And Stalin Parallel Lives books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Hitler And Stalin Parallel Lives books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Hitler And Stalin Parallel Lives books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Hitler And Stalin Parallel Lives books and manuals for download and embark on your journey of knowledge?
