holocaust drawings easy: ArtCurious Jennifer Dasal, 2020-09-15 A wildly entertaining and surprisingly educational dive into art history as you've never seen it before, from the host of the beloved ArtCurious podcast We're all familiar with the works of Claude Monet, thanks in no small part to the ubiquitous reproductions of his water lilies on umbrellas, handbags, scarves, and dorm-room posters. But did you also know that Monet and his cohort were trailblazing rebels whose works were originally deemed unbelievably ugly and vulgar? And while you probably know the tale of Vincent van Gogh's suicide, you may not be aware that there's pretty compelling evidence that the artist didn't die by his own hand but was accidentally killed--or even murdered. Or how about the fact that one of Andy Warhol's most enduring legacies involves Caroline Kennedy's moldy birthday cake and a collection of toenail clippings? ArtCurious is a colorful look at the world of art history, revealing some of the strangest, funniest, and most fascinating stories behind the world's great artists and masterpieces. Through these and other incredible, weird, and wonderful tales, ArtCurious presents an engaging look at why art history is, and continues to be, a riveting and relevant world to explore.

holocaust drawings easy: Drawing the Holocaust Michael Kraus, 2016-07-24 Twelve-year-old Michael Kraus began keeping a diary while he was still living at home in the Czech city of Nachód but continued writing while a prisoner at Theresienstadt (Terezín). When he was shipped with other prisoners to the death camp at Auschwitz-Birkenau, all of his writings were confiscated and destroyed. After his liberation and while convalescing, he began to draw and make notes again about his experiences in Theresienstadt, in Auschwitz, the first death march out of Mauthausen, and its satellite camps, in Melk and Gunskirchen. As a teenager confronting the traumas of these experiences, Kraus found that recording his memories in words and pictures helped him overcome his hatred for those who had murdered his parents. The process of writing and drawing also helped him begin the painful transition to a so-called normal life. As a survivor, Kraus also felt the need to recount his experiences for the benefit of future generations, especially on behalf of the many who did not survive. The present edition makes this memoir, originally written in Czech and significant for having been written so close to the author's liberation, widely available to English readers for the first time. It also reproduces pages from the original booklets that show how the teenage Kraus illustrated his memories with pencil drawings that both complement and extend his story, giving readers a sense of its character as an unusual and important historical document.

holocaust drawings easy: Image and Remembrance Shelley Hornstein, Florence Jacobowitz, 2003 The passage of time and the reality of an aging survivor population have made it increasingly urgent to document and give expression to testimony, experience, and memory of the Holocaust. At the same time, artists have struggled to find a language to describe and retell a legacy often considered unimaginable. Contrary to those who insist that the Holocaust defies representation, *Image and Remembrance* demonstrates that artistic representations are central to the practice of remembrance and commemoration. Including essays on representations of the Holocaust in film, architecture, painting, photography, memorials, and monuments, this thought-provoking volume considers ways in which visual artists have given form to the experience of the Holocaust and addresses the role that imagination plays in shaping historical memory. Among works discussed are Daniel Libeskind's Jewish Museum in Berlin, Rachel Whiteread's Holocaust Memorial in Vienna, Morris Louis's series of paintings *Charred Journal*, photographer Shimon Attie's *Writing on the Wall*, and Mikael Levin's series *Untitled*. *Image and Remembrance* provides a thoughtful site for personal reflection and commemoration as well as a context for reconsidering the processes of art making and the cultural significance of artistic images. holocaust drawings easy: The Holocaust by Bullets Patrick Desbois, 2008-08-19 Winner of the National Jewish Book Award: The story of how a Catholic priest uncovered the truth behind the murder of more than a million Ukrainian Jews. Father Patrick Desbois documents the daunting task of identifying and examining all the sites where Jews were exterminated by Nazi mobile units in Ukraine in WWII. Using innovative methodology, interviews, and ballistic evidence, he has determined the location of many mass gravesites with the goal of providing proper burials for the victims of the forgotten Ukrainian Holocaust. Compiling new archival material and many eye-witness accounts, Desbois has put together the first definitive account of one of World War II's bloodiest chapters. Published with the support of the United States Holocaust Memorial Museum. "This modest Roman Catholic priest from Paris, without using much more than his calm voice and Roman collar, has shattered the silence surrounding a largely untold chapter of the Holocaust." —Chicago Tribune "Part memoir, part prosecutorial brief, *The Holocaust by Bullets* tells a compelling story in which a priest unconnected by heritage or history is so moved by an injustice he sets out to right a daunting wrong." —The Miami Herald "Father Desbois is a generation too late to save lives. Instead, he has saved memory and history." —The Wall Street Journal "An outstanding contribution to Holocaust literature, uncovering new dimensions of the tragedy . . . Highly recommended." —Library Journal (starred review)

holocaust drawings easy: The Boy Who Drew Auschwitz Thomas Geve, 2021-07-27 A real account of a boy's life during the Holocaust in Auschwitz, Gross-Rosen and Buchenwald, recorded in his own words and color drawings. In June 1943, after long years of hardship and persecution, thirteen-year-old Thomas Geve and his mother were deported to Auschwitz-Birkenau. Separated upon arrival, he was left to fend for himself in the men's camp of Auschwitz I. During twenty-two harsh months in three camps, Thomas experienced and witnessed the cruel and inhumane world of Nazi concentration and death camps. Nonetheless, he never gave up the will to live. Miraculously, he survived and was liberated from Buchenwald at the age of fifteen. While still in the camp and too weak to leave, Thomas felt a compelling need to document it all, and drew over eighty drawings, all portrayed in simple yet poignant detail with extraordinary accuracy. He not only shared the infamous scenes, but also the day-to-day events of life in the camps, alongside inmates'

manifestations of humanity, support and friendship. To honor his lost friends and the millions of silenced victims of the Holocaust, in the years following the war, Thomas put his story into words. Despite the evil of the camps, his account provides a striking affirmation of life. *The Boy Who Drew Auschwitz*, accompanied by fifty-six of his color illustrations, is the unique testimony of young Thomas and his quest for a brighter tomorrow.

Nora Krug was born decades after the fall of the Nazi regime, but the Second World War cast a long shadow over her childhood and youth in the city of Karlsruhe, Germany. Yet she knew little about her own family's involvement; though all four grandparents lived through the war, they never spoke of it. After twelve years in the US, Krug realizes that living abroad has only intensified her need to ask the questions she didn't dare to as a child. Returning to Germany, she visits archives, conducts research, and interviews family members, uncovering in the process the stories of her maternal grandfather, a driving teacher in Karlsruhe during the war, and her father's brother Franz-Karl, who died as a teenage SS soldier. In this extraordinary quest, "Krug erases the boundaries between comics, scrapbooking, and collage as she endeavors to make sense of 20th-century history, the Holocaust, her German heritage, and her family's place in it all" (The Boston Globe). A highly inventive, "thoughtful, engrossing" (Minneapolis Star-Tribune) graphic memoir, *Belonging* "packs the power of Alison Bechdel's *Fun Home* and David Small's *Stitches*"

holocaust drawings easy: *Children during the Holocaust* Patricia Heberer, 2011-05-31 Children during the Holocaust, from the United States Holocaust Memorial Museum's Center for Advanced Holocaust Studies, tells the story of the Holocaust through the eyes, and fates, of its youngest victims. This volume examines the reactions of children to discrimination, the loss of livelihood in Jewish homes, and the public humiliation at the hands of fellow citizens and explores the ways in which children's experiences paralleled and diverged from their adult counterparts. Additional chapters reflect upon the role of non-Jewish children as victims, perpetrators, and bystanders during World War II. holocaust drawings easy: *The Orpheus Clock* Simon Goodman, 2016-08-16 The passionate, true story of one man's quest to reclaim what the Nazis stole from his family--their beloved art collection--and to restore their legacy. Simon Goodman's grandparents came from German Jewish banking dynasties and perished in concentration camps. And that's almost all he knew--his father rarely spoke of their family history or heritage. But when he passed away, and Simon received his father's papers, a story began to emerge. The Gutmanns, as they were known then, rose from a small Bohemian hamlet to become one of Germany's most powerful banking families. They also amassed a world-class art collection that included works by Degas, Renoir, Botticelli, and many others, including a Renaissance clock engraved with scenes from the legend of Orpheus. The Nazi regime snatched everything the Gutmanns had labored to build: their art, their wealth, their social standing,

and their very lives. Simon grew up in London with little knowledge of his father's efforts to recover their family's possessions. It was only after his father's death that Simon began to piece together the clues about the stolen legacy and the Nazi looting machine. He learned much of the collection had gone to Hitler and Goring; other works had been smuggled through Switzerland, sold and resold, with many pieces now in famous museums. More still had been recovered by Allied forces only to be stolen again by bureaucrats-- European governments quietly absorbed thousands of works of art into their own collections. Through painstaking detective work across two continents, Simon proved that many pieces belonged to his family, and successfully secured their return-- the first Nazi looting case to be settled in the United States. Goodman's dramatic story reveals a rich family history almost obliterated by the Nazis. It is not only the account of a twenty-year long detective hunt for family treasure, but an unforgettable tale of redemption and restoration.

When the war is over and the camp is liberated, freedom is not granted to Cilka: She is charged as a collaborator for sleeping with the enemy and sent to a Siberian prison camp. But did she really have a choice? And where do the lines of morality lie for Cilka, who was sent to Auschwitz when she was still a child? In Siberia, Cilka faces challenges both new and horribly familiar, including the unwanted attention of the guards. But when she meets a kind female doctor, Cilka is taken under her wing and begins to tend to the ill in the camp, struggling to care for them under brutal conditions. Confronting death and terror daily, Cilka discovers a strength she never knew she had. And when she begins to tentatively form bonds and relationships in this harsh, new reality, Cilka finds that despite everything that has happened to her, there is room in her heart for love. holocaust drawings easy: *The Girl in the Green Sweater* Krystyna Chiger, Daniel Paisner, 2008-09-30 Based on the true story explored in the Academy Award-nominated film, *In Darkness*, this holocaust memoir is “a gripping account of survival and friendship” (Booklist). In 1943, with Lvov’s 150,000 Jews having been exiled, killed, or forced into ghettos and facing extermination, a group of Polish Jews daringly sought refuge in the city’s sewer system. The last surviving member of this group, Krystyna Chiger, shares one of the most intimate, harrowing and ultimately triumphant tales of survival to emerge from the Holocaust. *The Girl in the Green Sweater* is Chiger’s heartwrenching first-person account of the fourteen months she spent with her family in the fetid, underground sewers of Lvov. *The Girl in the Green Sweater* is also the story of Leopold Socha, the group’s unlikely savior. A Polish Catholic and former thief, Socha risked his life to help Chiger’s underground family survive, bringing them food, medicine, and supplies. A moving memoir of a desperate escape and life under unimaginable circumstances, *The Girl in the Green Sweater* is ultimately a tale of intimate survival, friendship, and redemption. “With a powerful story and a keen voice, Chiger’s Holocaust survivor’s tale is a worthy and memorable addition to the canon.” —Publishers Weekly “Chiger’s exceptional story . . . stands out among the many Holocaust survival narratives as one that will touch the hearts of teens and adults alike and bring home the horrors of this very dark period in history.” —School Library Journal “Through the eyes of the child that Krystyna Chiger was in Lvov, Poland in 1939 we see the whole moral universe.” —Naomi Ragen, author of *The Saturday Wife* and *The Covenant* “[A] gripping memoir.” —Kirkus Reviews

holocaust drawings easy: *People Love Dead Jews: Reports from a Haunted Present* Dara Horn, 2021-09-07 Winner of the 2021 National Jewish Book Award for Contemporary Jewish Life and Practice Finalist for the 2021 Kirkus Prize in Nonfiction A New York Times Notable Book of the Year A Wall Street Journal, Chicago Public Library, Publishers Weekly, and Kirkus Reviews Best Book of the Year A startling and profound exploration of how Jewish history is exploited to comfort the living. Renowned and beloved as a prizewinning novelist, Dara Horn has also been publishing penetrating essays since she was a teenager. Often asked by major publications to write on subjects related to Jewish culture—and increasingly in response to a recent wave of deadly antisemitic attacks—Horn was troubled to realize what all of these assignments had in common: she was being asked to write about dead Jews, never about living ones. In these essays, Horn reflects on subjects as far-flung as the international veneration of Anne Frank, the mythology that Jewish family names were changed at Ellis Island, the blockbuster traveling exhibition Auschwitz, the marketing of the Jewish history of Harbin, China, and the little-known life of the righteous Gentile Varian Fry. Throughout, she challenges us to confront the reasons why there might be so much fascination with Jewish deaths, and so little respect for Jewish lives unfolding in the present. Horn draws upon her travels, her research, and also her own family life—trying to explain Shakespeare’s Shylock to a curious ten-year-old, her anger when swastikas are drawn on desks in her children’s school, the profound perspective offered by traditional religious practice and study—to assert the vitality, complexity, and depth of Jewish life against an antisemitism that, far from being disarmed by the mantra of Never forget, is on the rise. As Horn explores the (not so) shocking attacks on the American Jewish community in recent years, she reveals the subtler dehumanization built into the public piety that surrounds the Jewish past—making the radical argument that the benign reverence we give to past horrors is itself a profound affront to human dignity. Now including a reading group guide.

At its core, performative practice seeks to transform individuals from passive spectators into socially and morally responsible agents. holocaust drawings easy: *The Indescribable and the Undiscussable* Dan Bar-On, 1999-01-01 Serious difficulties arise when people try to make sense of their feelings, behavior, and discourse in everyday life and, especially, after traumatic experiences. Two groups of impediments are identified: the indescribable is demonstrated by a group of pathfinders working through their different maps of mind and nature; by individuals trying to understand and integrate a first heart attack into their previous life experiences. The undiscussable is highlighted in the intergenerational transmission of traumatic experiences in the families of Holocaust survivors and Nazi perpetrators. By providing a unique way of looking at life experiences, embedded in a variety of social contexts, this book suggests a new psychosocial theoretical framework which can be used by both laymen and professionals when confronted by troublesome issues that require acknowledgement.

holocaust drawings easy: *The Generation of Postmemory* Marianne Hirsch, 2012 Can we remember other people's memories? *The Generation of Postmemory* argues we can: that memories of traumatic events live on to mark the lives of those who were not there to experience them.

Children of survivors and their contemporaries inherit catastrophic histories not through direct recollection but through haunting postmemories--multiply mediated images, objects, stories, behaviors, and affects passed down within the family and the culture at large. In these new and revised critical readings of the literary and visual legacies of the Holocaust and other, related sites of memory, Marianne Hirsch builds on her influential concept of postmemory. The book's chapters, two of which were written collaboratively with the historian Leo Spitzer, engage the work of postgeneration artists and writers such as Art Spiegelman, W.G. Sebald, Eva Hoffman, Tatana Kellner, Muriel Hasbun, Anne Karpff, Lily Brett, Lorie Novak, David Levinthal, Nancy Spero and Susan Meiselas. Grappling with the ethics of empathy and identification, these artists attempt to forge a creative postmemorial aesthetic that reanimates the past without appropriating it. In her analyses of their fractured texts, Hirsch locates the roots of the familial and affiliative practices of postmemory in feminism and other movements for social change. Using feminist critical strategies to connect past and present, words and images, and memory and gender, she brings the entangled strands of disparate traumatic histories into more intimate contact. With more than fifty illustrations, her text enables a multifaceted encounter with foundational and cutting edge theories in memory, trauma, gender, and visual culture, eliciting a new understanding of history and our place in it.
