imobi technologies charge on credit card: *The Accidental Public Servant* Nasir Ahmed El-Rufai, 2013-05-19 This is a story of Nigeria, told from the inside. After a successful career in the private sector, Nasir El-Rufai rose to the top ranks of Nigeria's political hierarchy, serving first as the privatization czar at the Bureau for Public Enterprises and then as Minister of the Federal Capital Territory of Abuja under former President Olesegun Obasanjo. In this tell-all memoir, El-Rufai reflects on a life in public service to Nigeria, the enormous challenges faced by the country, and what can be done while calling on a new generation of leaders to take the country back from the brink of destruction. The shocking revelations disclosed by El-Rufai about the formation of the current leadership and the actions of prominent statesmen make this memoir required reading for anyone seeking to understand the dynamics of power politics in Africa's most populous nation.

imobi technologies charge on credit card: *Beta Test* Eric Griffith, 2011-12 PUBLISHERS WEEKLY: An unusually lighthearted apocalyptic tale. Sam Terra is having a bad week. imobi technologies charge on credit card: Stacking the Deck David S. Pottruck, 2014-09-30 Change is a constant, and leaders must do more than keep up—they must innovate and accelerate to succeed. Yet people are often unnerved by change. As a leader during a time of transformation, you may stand up before teams that are indifferent, or even hostile, and need to convince them that change is necessary and urgent. More than money, time, or resources, the ability to lead these people determines your ultimate success or failure. What does it take to be an effective change leader and increase the odds of success? *Stacking the Deck* offers a proven, practical approach for inspiring meaningful, lasting change across an organization. *Stacking the Deck* presents a nine-step course of action leaders can follow from the first realization that change is needed through all the steps of implementation, including assembling the right team of close advisors and getting the word out to the wider group. Based on Dave Pottruck's experiences leading change as CEO of Charles Schwab and later as chairman of CorpU and HighTower Advisors, these steps provide a guide to ensure that your change initiative and your team have the best possible shot at success. In addition, established business leaders who have led extraordinary change initiatives demonstrate the steps in action. These executives include eBay CEO John Donahoe, Wells Fargo former CEO Dick Kovacevich, Starbucks chief executive officer Howard Schultz, San Francisco Giants CEO Larry Baer, JetBlue CEO Dave Barger, Asurion CEO Steve Ellis, Pinkberry CEO Ron Graves, and Intel's President Renee James, among others. Leading an organization through major change—whether it's the introduction of a new product, an expansion to a new territory, or a difficult downsizing—is not for the faint of heart. While success is never guaranteed, the right leadership, process, and team make all the difference. For all leaders facing major change in their organizations, *Stacking the Deck* is an indispensable resource for putting the odds in your favor.

Lowe, 2015 The volume highlights the unique status of Lisbon as an entrepaot for curiosities, luxury goods and wild animals. As the Portuguese trading empire of the fifteenth and sixteenth century expanded sea-routes and networks from West Africa to India and the Far East, non-European cargoes were brought back to Renaissance Lisbon. Many rarities were earmarked for the Portuguese court, but simultaneously exclusive items were readily available for sale on the Rua Nova, the Lisbon equivalent of Bond Street or Fifth Avenue. Specialized shops offered West African and Ceylonese ivories, raffia and Asian textiles, rock crystals, Ming porcelain, Chinese and Ryukyuan lacquerware, jewellery, precious stones, naturalia and exotic animal byproducts. Lisbon was also a hub of distribution for overseas goods to other courts and cities in Europe. The cross-cultural and artistic influences between Lisbon and Portuguese Africa and Asia at this date will be re-assessed --
