

# Kurt Cobain Rolling Stone Interview

**kurt cobain rolling stone interview:** *Serving the Servant* Danny Goldberg, 2019-04-02  
NATIONAL BESTSELLER On the twenty-fifth anniversary of Kurt Cobain's death comes a new perspective on one of the most compelling icons of our time In early 1991, top music manager Danny Goldberg agreed to take on Nirvana, a critically acclaimed new band from the underground music scene in Seattle. He had no idea that the band's leader, Kurt Cobain, would become a pop-culture icon with a legacy arguably at the level of that of John Lennon, Michael Jackson, or Elvis Presley. Danny worked with Kurt from 1990 to 1994, the most impactful period of Kurt's life. This key time saw the stratospheric success of Nevermind, which turned Nirvana into the most successful rock band in the world and made punk and grunge household terms; Kurt's meeting and marriage to the brilliant but mercurial Courtney Love and their relationship that became a lightning rod for critics; the birth of their daughter, Frances Bean; and, finally, Kurt's public struggles with addiction, which ended in a devastating suicide that would alter the course of rock history. Throughout, Danny stood by Kurt's side as manager, and close friend. Drawing on Goldberg's own memories of Kurt, files that previously have not been made public, and interviews with, among others, Kurt's close family, friends, and former bandmates, *Serving the Servants* sheds an entirely new light on these critical years. Casting aside the common obsession with the angst and depression that seemingly drove Kurt, *Serving the Servants* is an exploration of his brilliance in every aspect of rock and roll, his compassion, his ambition, and the legacy he wrought—one that has lasted decades longer than his career did. Danny Goldberg explores what it is about Kurt Cobain that still resonates today, even with a generation who wasn't alive until after Kurt's death. In the process, he provides a portrait of an icon unlike any that has come before.

**kurt cobain rolling stone interview: Cobain on Cobain** Nick Soulsby, 2016-02-01 Cobain on Cobain places the reader at the key moments of Kurt Cobain's roller-coaster career, telling the tale of Nirvana entirely through his words and those of his bandmates. Each interview is another knot in a thread running from just after the recording of their first album, *Bleach*, to the band's collapse on the European tour of 1994 and Cobain's subsequent suicide. Interviews have been chosen to provide definitive coverage of the events of those five years from as close as possible, so that the reader can see Cobain reacting to the circumstances of each tour, each new release, each public incident, all the way down to the end. Including many interviews that have never before seen print, *Cobain on Cobain* will long remain the definitive source for anyone searching for Kurt Cobain's version of his own story.

**kurt cobain rolling stone interview: Sing Backwards and Weep** Mark Lanegan, 2020-04-28 This gritty bestselling memoir by the singer Mark Lanegan of Screaming Trees, Queens of the Stone Age, and Soulsavers documents his years as a singer and drug addict in Seattle in the '80s and '90s. When Mark Lanegan first arrived in Seattle in the mid-1980s, he was just an arrogant, self-loathing redneck waster seeking transformation through rock 'n' roll. Little did he know that within less than a decade he would rise to fame as the frontman of the Screaming Trees and then fall from grace as a low-level crack dealer and a homeless heroin addict, all the while watching some of his closest friends rocket to the forefront of popular music. In *Sing Backwards and Weep*, Lanegan takes readers back to the sinister, needle-ridden streets of Seattle, to an alternative music scene that was simultaneously bursting with creativity and dripping with drugs. He tracks the tumultuous rise and fall of the Screaming Trees, from a brawling, acid-rock bar band to world-famous festival favorites that scored a hit number five single on Billboard's alternative charts and landed a notorious performance on *Late Night with David Letterman*, where Lanegan appeared sporting a fresh black eye from a brawl the night before. This book also dives into Lanegan's personal struggles with addiction, culminating in homelessness, petty crime, and the tragic deaths of his closest friends.

From the back of the van to the front of the bar, from the hotel room to the emergency room, onstage, backstage, and everywhere in between, *Sing Backwards and Weep* reveals the abrasive underlining beneath one of the most romanticized decades in rock history—from a survivor who lived to tell the tale. Gritty, gripping, and unflinchingly raw, *Sing Backwards and Weep* is a book about more than just an extraordinary singer who watched his dreams catch fire and incinerate the ground beneath his feet. It's about a man who learned how to drag himself from the wreckage, dust off the ashes, and keep living and creating. Mark Lanegan—primitive, brutal, and apocalyptic. What's not to love? —Nick Cave, author of *The Sick Bag Song* and *The Death of Bunny Munro*

**kurt cobain rolling stone interview: 50 Years of Rolling Stone** Rolling Stone LLC, 2017-05-16 A brilliant album of interviews, photographs, feature articles, and exposés from the magazine that's chronicled music and culture since 1967. Rolling Stone has been a leading voice in journalism, cultural criticism, and—above all—music for over five decades. This landmark book documents the magazine's rise to prominence as the voice of rock and roll and a leading showcase for era-defining photography. From the 1960s to today, the book offers a decade-by-decade exploration of American music and history. Interviews with rock legends—Bob Dylan, Mick Jagger, Kurt Cobain, Bruce Springsteen, and more—appear alongside iconic photographs by Baron Wolman, Annie Leibovitz, Mark Seliger, and others. With feature articles, excerpts, and exposés by such quintessential writers as Hunter S. Thompson, Matt Taibbi, and David Harris, it's an irresistible greatest-hits collection from the magazine that has defined American music for generations. "Documenting the magazine's rise from humble beginnings in a tiny office in San Francisco, the book includes interviews with artists such as Bob Dylan, the Beastie Boys and Adele, images from iconic photographers including Annie Leibovitz and sparking prose from the likes of Hunter S. Thompson." —Daily Mail

**kurt cobain rolling stone interview: The Rolling Stone Interviews** Jann S. Wenner, Joe Levy, 2007-11 A volume of top-selected interviews with renowned celebrities and cultural figures, published in celebration of the magazine's fortieth anniversary, includes features about such individuals as Mick Jagger, Johnny Carson, and Kurt Cobain.

**kurt cobain rolling stone interview: Everyone Loves You When You're Dead** Neil Strauss, 2012-05-01 Neil Strauss can uncover the naked truth like nobody else. With his groundbreaking book *The Game*, Strauss penetrated the secret society of pickup artists. Now, in *Everyone Loves You When You're Dead*, the Rolling Stone journalist collects the greatest moments from the most insane music interviews of all time. Join Neil Strauss, The Mike Tyson of interviewers, (Dave Pirner, Soul Asylum), as he Makes Lady Gaga cry, tries to keep Mötley Crüe out of jail & is asked to smoke Kurt Cobain's ashes by Courtney Love Shoots guns with Ludacris, takes a ride with Neil Young & goes to church with Tom Cruise and his mother Spends the night with Trent Reznor, reads the mind of Britney Spears & finds religion with Stephen Colbert Gets picked on by Led Zeppelin, threatened by the mafia & serenaded by Leonard Cohen Picks up psychic clues with the CIA, diapers with Snoop Dog & prison survival tips from Rick James Goes drinking with Bruce Springsteen, dining with Gwen Stefani & hot tubbing with Marilyn Manson Talks glam with David Bowie, drugs with Madonna, death with Johnny Cash & sex with Chuck Berry Gets molested by the Strokes, in trouble with Prince & in bed with . . . you'll find out who inside. Enjoy many, many more awkward moments and accidental adventures with the world's number one stars in *Everyone Love You When You're Dead*.

**kurt cobain rolling stone interview: Bumping Into Geniuses** Danny Goldberg, 2008 A giant of the music industry grants an all-access pass to the world of rock and roll, with mesmerizing stories of thirty-five years spent working with legends from Led Zeppelin, to Stevie Nicks, to Nirvana. Danny Goldberg has been a hugely influential figure in the world of rock and roll. He did PR for Led Zeppelin; he managed the career of Nirvana; he ran Atlantic Records, Mercury Records, and Warner Bros. Records; he launched Stevie Nicks's solo career. In *Bumping into Geniuses*, Goldberg shares his stories about performers who represent a broad and powerful portion of the psychic real estate of the rock and roll kingdom: Patti Smith, Warren Zevon, Bruce Springsteen, KISS, Kurt Cobain and Nirvana, Hole, Stevie Nicks, Bonnie Raitt, Steve Earle, Led Zeppelin, and

more. But there's more to this story than just Goldberg's varied career. It's also a look at the industry itself: a business that was neither the romantic vehicle for self-expression that its most naive fans imagined, nor the purely crass money machine depicted by its most cynical critics. It was complex and chaotic—a mixture of art and commerce, idealism and selfishness—and sometimes, rock's most gifted and influential musicians were able to transcend it all. For anyone interested in the rock and roll industry, or simply the mores and temperaments of the musicians themselves, *Bumping into Genius* is an incredible insider's tale that only Goldberg could tell.

**kurt cobain rolling stone interview: *Come As You Are*** Michael Azerrad, 2013-01-23 The definitive biography of the revolutionary band Nirvana and its star-crossed frontman Kurt Cobain, hailed by Rolling Stone as "the first [book] to comprehensively tell the band's tale from Aberdeen, Wash., to world domination" "Amazingly raw and candid . . . an unsparing and extremely honest depiction of the group's highly tumultuous history . . . *Come As You Are* is as good as rock bios get."—Billboard "Just tell the truth. That'll be better than anything else that's been written about me."—Kurt Cobain Nirvana came out of nowhere in 1991 to sell nearly five million copies of their landmark album *Nevermind*, whose thunderous sound and indelible melodies embodied all the confusion, frustration, and passion of the emerging Generation X. *Come As You Are* is the close-up, intimate story of Nirvana—the only book with exclusive in-depth interviews with bandmembers Kurt Cobain, Krist Noveselic, and Dave Grohl, as well as friends, relatives, former bandmembers, and associates—now updated to include a final chapter detailing the last year of Kurt Cobain's life, before his tragic suicide in April 1994. Vivid, evocative, and thought-provoking, *Come As You Are* is an essential document not just for Nirvana fans but for anyone interested in the cultural legacy of the 1990s.

**kurt cobain rolling stone interview: *Cobain Unseen*** Charles R. Cross, Cross R, Charles, 2008 The first authorised, illustrated biography of Kurt Cobain is a treasure trove packed with rare material, inserts, and keepsakes.

**kurt cobain rolling stone interview: *Letters to Kurt*** Eric Erlandson, 2012-03-27 an anguished, angry, and tender meditation on the octane and ether of rock and roll and its many moons: sex, drugs, suicide, fame, and rage.--Jacket.

**kurt cobain rolling stone interview: *The Mythic Koda Rose*** Jennifer Nissley, 2021-07-13 In the spirit of Nina LaCour and Adam Silvera, this offbeat and romantic debut novel follows a teen girl whose desire to find out more about her late rock star father brings her closer to the last person she expected. Everything Koda Rose knows about her father she's learned from other people. Moving to New York City with her mom won't change that, even if New York was Mack Grady's city—where he became famous, where he wrote his music, and also where he died. Koda has more important things on her mind. Like how she's in love with her best friend, Lindsay, and doesn't have the courage to tell her. Agonizing over how to confess her feelings leads Koda to explore Mack's enigmatic history in search of answers. She tracks down her dad's band mate and ex-girlfriend, Sadie Pasquale, and finds herself becoming rapidly obsessed with the mercurial musician. As Koda and Sadie's complicated bond deepens, they are both forced to grapple with the black hole Mack left behind, or get sucked in themselves.

**kurt cobain rolling stone interview: *Rolling Stone 1,000 Covers*** Rolling Stone, 2006-10 Reproduces one thousand of the magazine's covers and includes behind-the-scenes stories and excerpts from articles and interviews with the idols of rock and rhythm-and-blues.

**kurt cobain rolling stone interview: *The Rolling Stone Interviews*** Jann S. Wenner, 2007-11-01 The greatest interviews with the greatest rock stars, movie stars, and cultural icons -- uncensored and unfiltered -- are published together in one remarkable volume in celebration of Rolling Stones 40th anniversary.

**kurt cobain rolling stone interview: *Our Band Could Be Your Life*** Michael Azerrad, 2012-12-01 The definitive chronicle of underground music in the 1980s tells the stories of Black Flag, Sonic Youth, The Replacements, and other seminal bands whose DIY revolution changed American music forever. *Our Band Could Be Your Life* is the never-before-told story of the musical

revolution that happened right under the nose of the Reagan Eighties -- when a small but sprawling network of bands, labels, fanzines, radio stations, and other subversives re-energized American rock with punk's do-it-yourself credo and created music that was deeply personal, often brilliant, always challenging, and immensely influential. This sweeping chronicle of music, politics, drugs, fear, loathing, and faith is an indie rock classic in its own right. The bands profiled include: Sonic Youth Black Flag The Replacements Minutemen Husker Du Minor Threat Mission of Burma Butthole Surfers Big Black Fugazi Mudhoney Beat Happening Dinosaur Jr.

**kurt cobain rolling stone interview: The '90s** The Editors of Rolling Stone, 2010-10-26 At no time since the rock & roll explosion of the 1960s did music matter more than in the 1990s—the decade of grunge, gangsta rap and Britney Spears. The Nineties might have kicked off with Vanilla Ice, but music changed forever the following year when Nirvana's Smells Like Teen Spirit exploded onto the airwaves, giving birth to the alternative nation. The decade spawned dozens of new stars (Pearl Jam, Eminem, Dave Matthews, Christina Aguilera and Jay-Z among them); top artists from U2 to Madonna made their most adventurous records; and hip-hop icons Tupac Shakur and Biggie Smalls met violent ends. Rolling Stone was there to tell all those stories and more—and The '90s collects the best of them: the last major interview with Kurt Cobain, conducted by David Fricke three months before the Nirvana singer took his life in 1994; Jonathan Gold's 1993 trip to Compton to check in with Snoop Dogg and Dr. Dre; Carrie Fisher's intimate one-on-one with Madonna following her 1991 film, Truth or Dare; Kim Neely partying with a riot-starting Guns n' Roses in 1991; Anthony Bozza riding along with an Ecstasy-gobbling Eminem in 1999; and, that same year, Steven Daly's visit to the bedroom of a teenage Britney Spears. Packed with over fifty stories, portraits by the biggest names in photography including Mark Seliger, David LaChapelle and Steven Meisel, and a guide to the decade's hundred greatest albums, The '90s is a definitive look back at the decade that rocked.

**kurt cobain rolling stone interview: Journals** Alexander Mackenzie, 2022-02-28T19:10:34Z Alexander Mackenzie was the first European to complete a land crossing of the continent of America north of Mexico, preceding the famous Lewis and Clark expedition by twelve years. In his journals he details two separate voyages: one up what is now known as the Mackenzie River to the Arctic Ocean in 1789, and another to what is now Bella Coola on the Pacific Ocean in 1792 and 1793. Both journals provide a detailed description of the many difficulties in navigating and traveling in a country that had yet to be mapped. Having to rely on Native guides and rumors, and enduring hardships that almost beggar belief, Mackenzie and his team were able to achieve their objective of finding an east to west land crossing through the Rocky Mountains and to the Pacific Ocean. Although his route didn't prove as practical as routes found by later explorers, Mackenzie has cemented himself as a key explorer of Western Canada. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

**kurt cobain rolling stone interview: Kurt Cobain** Jesse Frohman, 2014-11-18 On the 20th anniversary of his death, a powerful portrait of Kurt Cobain and Nirvana—including many previously unpublished images—taken during their last formal photo shoot before his suicide In August 1993, when Nirvana was in New York to perform at the legendary Roseland Ballroom, Jesse Frohman photographed them for the London Observer's Sunday magazine—the last formal photo shoot in which Cobain participated before he committed suicide on April 5th, 1994. Over the course of ninety photographs, Cobain seems an almost feral creature, by turns gentle, playful, defiant, suffering, or absorbed in his music. There's a diverse range of shots of Cobain with fellow band members Krist Novoselic and Dave Grohl and on his own, posing, performing, and greeting fans. Jon Savage's original interview, which appeared with Frohman's photographs in the Observer is also reproduced, giving us Cobain in his own words. The book is a touching tribute to Cobain twenty years after his tragic demise, and following Nirvana's recent induction in to the Rock and Roll Hall of Fame.

**kurt cobain rolling stone interview: I Found My Friends** Nick Soulsby, 2015-03-31 Recreates the short and tempestuous times of Nirvana through the musicians and producers who played and interacted with the band.

**kurt cobain rolling stone interview: Dreaming the Beatles** Rob Sheffield, 2017-04-25 An NPR Best Book of the Year • Winner of the Virgil Thomson Award for Outstanding Music Criticism “This is the best book about the Beatles ever written” —Mashable Rob Sheffield, the Rolling Stone columnist and bestselling author of *Love Is a Mix Tape* offers an entertaining, unconventional look at the most popular band in history, the Beatles, exploring what they mean today and why they still matter so intensely to a generation that has never known a world without them. *Dreaming the Beatles* is not another biography of the Beatles, or a song-by-song analysis of the best of John and Paul. It isn’t another exposé about how they broke up. It isn’t a history of their gigs or their gear. It is a collection of essays telling the story of what this ubiquitous band means to a generation who grew up with the Beatles music on their parents’ stereos and their faces on T-shirts. What do the Beatles mean today? Why are they more famous and beloved now than ever? And why do they still matter so much to us, nearly fifty years after they broke up? As he did in his previous books, *Love is a Mix Tape*, *Talking to Girls About Duran Duran*, and *Turn Around Bright Eyes*, Sheffield focuses on the emotional connections we make to music. This time, he focuses on the biggest pop culture phenomenon of all time—The Beatles. In his singular voice, he explores what the Beatles mean today, to fans who have learned to love them on their own terms and not just for the sake of nostalgia. *Dreaming the Beatles* tells the story of how four lads from Liverpool became the world’s biggest pop group, then broke up—but then somehow just kept getting bigger. At this point, their music doesn’t belong to the past—it belongs to right now. This book is a celebration of that music, showing why the Beatles remain the world’s favorite thing—and how they invented the future we’re all living in today.

**kurt cobain rolling stone interview: Foo Fighters** Mick Wall, 2017-08-15 There’s a reason why Dave Grohl is known, however naively, as “the nicest man in rock.” A reason why millions have bought his Foo Fighters albums and DVDs, his concert and festival tickets. A reason why generations have bought into his story, his dream, his self-fulfilling prophecies. Dave may not have the savant glamour of Nirvana’s Kurt Cobain, but whereas Kurt dwelled in darkness, Dave was a lover, not a loner, a bringer of light. *Foo Fighters: Learning to Fly* is his story, and therefore the true story of the Foo Fighters—like it’s never been told before. From Grohl’s days as the new kid in Nirvana, to becoming the Grunge Ringo of the Foo Fighters, to where he is now: one of the biggest, most popular male rock stars in the world. Internationally acclaimed rock writer Mick Wall tells us how and why none of this happened by accident in a style that pulses with rock’s own rhythms. With testimony from true insiders, including former band mates, like Nirvana bass player Krist Novoselic, producers, record company executives, and those closest to Grohl and the Foos, this is the first full, explosive, no-holds-barred biography of the band and their otherwise critically bulletproof leader.

**kurt cobain rolling stone interview: Sticky Fingers** Joe Hagan, 2017-10-24 Shortlisted for the Penderyn Music Book Prize *Sticky Fingers* is the story of how one man's ego and ambition captured the 1960s youth culture of rock and roll and turned it into a hothouse of fame, power, politics, and riches that would last for fifty years. Drawn from dozens of hours of interviews with Jann Wenner, who granted Joe Hagan exclusive access to his vast personal archive, this biography reveals how Wenner manufactured an unforgettable cultural mythology in story and image every other week for five decades. Hagan captures in stunning detail the extraordinary stories behind Rolling Stone, the magazine that reinvented youth culture, and marketed the libertine world of late-sixties San Francisco. He chronicles Wenner's marksmanship as an editor, his instinctive understanding of the zeitgeist, his endless pursuit of fame and power and his capacity for betrayal that would earn him as many enemies as friends. Featuring on-the-record interviews with Mick Jagger, Bruce Springsteen, Paul McCartney, Elton John, Keith Richards, Pete Townsend, Yoko Ono, Billy Joel, Tom Wolfe, Cameron Crowe, Lorne Michaels, David Geffen, Dan Aykroyd, Bette Midler, and many others, Hagan describes Wenner with intimacy, nuance, and complexity. Like a real life Clash of the Titans, *STICKY FINGERS* captures the spirit of the age and paints an unforgettable portrait of one of the most significant cultural forces of our time.

**kurt cobain rolling stone interview: Too Much Horror Business** Kirk Hammett, Stefan

Chirazi, 2012-10-01 Kirk Hammett, the lead guitarist for Metallica, is the curator of one of the world's finest collections of monster-movie memorabilia. Kirk unveils his near-mythical treasure trove of rare posters, props, costumes, and toys from the early silent classics to more modern fare. From Bela Lugosi's annotated Dracula script to the creepy Donnie Darko bunny suit to cool model kits from the 1960s. Alongside scores of original photographs Kirk offers up thoughts about his appreciation for all things scary and fantastic, shedding light on not only the collection of a lifetime, but the man himself

**kurt cobain rolling stone interview: Love & Death** Max Wallace, Ian Halperin, 2004-04-09 A stunning and groundbreaking investigation into the death of one of the great rock icons of our times -- revealing new evidence that points to a terrible conclusion. On Friday, April 8, 1994, a body was discovered in a room above a garage in Seattle. For the attending authorities, it was an open-and-shut case of suicide. What no one knew then, however, and which is only being revealed here for the very first time, is that the person found dead that day -- Kurt Cobain, the superstar frontman of Nirvana -- was murdered. In early April 1994, Cobain went missing for days, or so it seemed; in fact, some people knew where he was, and one of them was Courtney Love. Now a star in Hollywood and rock music, in early 1994 she was preparing to release her major label debut with her band, Hole, and what she knew then, though few others did, was that Cobain was planning to divorce her. *Love & Death* paints a critical portrait of Courtney Love; it also reveals for the first time the case tapes made by Love's own P.I., Tom Grant, a man on a mission to find the truth about Kurt Cobain's demise; and introduces us to a number of characters who feature in various theories about plots to kill Cobain. In addition, Cobain's grandfather goes public, charging that his grandson was murdered. Drawing on new forensic evidence and police reports obtained under the Freedom of Information Act, the book explodes the myths that have long convinced the world that Cobain took his own life, and reveals that the official scenario was scientifically impossible. Against a background of at least sixty-eight copycat suicides since 1994, award-winning investigative journalists Max Wallace and Ian Halperin have conducted a ten-year crusade for the truth, and in *Love & Death* they are finally able to present a chilling and convincing case that each and every one of these suicides was preventable -- and in doing so, they call for this case to be reopened and properly investigated.

**kurt cobain rolling stone interview: The 100 Best Australian Albums** John O'Donnell, Toby Creswell, Craig Mathieson, 2011-08 Australian music has a proud, colourful and successful history. In 2008, Australian rock and roll turned 50. This book names the best Australian albums of the last 50 years. It places each album in order (from 1 to 100) and discusses why each album deserves its place. It tells the story behind the making of the album, where the album fits in the artist's career and the album's impact on the local and world stage etc. The entries will feature new interviews with the artists and the producers/managers involved in the recording and the release of the album. It wouldn't be a good list if it didn't polarise people and we hope that this list will. We also hope that it will get people sitting around comparing their favourites and discovering or re-discovering these great albums and others. With 70 years of loving and writing about Australian music between us, we shamelessly believe we've earned the right to write this book. And we think we've got it right. Let the debate begin. o u John O'Donnell, April 2010 Finally, here is a much-needed list of argument-starting top 100 seminal/ influential/essential Australian albums of all time. Let the fight begin!

**kurt cobain rolling stone interview: Heavier Than Heaven** Charles R. Cross, 2012-03-13 The New York Times bestseller and the definitive portrait of Kurt Cobain--as relevant as ever, as we remember the impact of Cobain on our culture twenty-five years after his death--now with a new preface and an additional final chapter from acclaimed author Charles R. Cross. It has been twenty-five years since Kurt Cobain died by his own hand in April 1994; it was an act of will that typified his short, angry, inspired life. Veteran music journalist Charles R. Cross fuses his intimate knowledge of the Seattle music scene with his deep compassion for his subject in this extraordinary story of artistic brilliance and the pain that extinguished it. Based on more than four hundred interviews; four years of research; exclusive access to Cobain's unpublished diaries, lyrics, and

family photos; and a wealth of documentation, *Heavier Than Heaven* traces Cobain's life from his early days in a double-wide trailer outside of Aberdeen, Washington, to his rise to fame, success, and the adulation of a generation. Charles Cross has written a new preface for this edition, giving readers context for the time in which the book was written, six years after Kurt's death, and reminding everyone how fresh that cultural experience was when the interviews for the book were done. The new final chapter will update the story since, regarding investigations into Cobain's death, Nirvana's induction into the Rock N Roll Hall of Fame, and how their place in rock history has only risen over the decades.

**kurt cobain rolling stone interview: Everybody Loves Our Town** Mark Yarm, 2011-09-06  
Twenty years after the release of Nirvana's landmark album *Nevermind* comes *Everybody Loves Our Town: An Oral History of Grunge*, the definitive word on the grunge era, straight from the mouths of those at the center of it all. In 1986, fledgling Seattle label C/Z Records released *Deep Six*, a compilation featuring a half-dozen local bands: Soundgarden, Green River, Melvins, Malfunkshun, the U-Men and Skin Yard. Though it sold miserably, the record made music history by documenting a burgeoning regional sound, the raw fusion of heavy metal and punk rock that we now know as grunge. But it wasn't until five years later, with the seemingly overnight success of Nirvana's "Smells Like Teen Spirit," that grunge became a household word and Seattle ground zero for the nineties alternative-rock explosion. *Everybody Loves Our Town* captures the grunge era in the words of the musicians, producers, managers, record executives, video directors, photographers, journalists, publicists, club owners, roadies, scenesters and hangers-on who lived through it. The book tells the whole story: from the founding of the Deep Six bands to the worldwide success of grunge's big four (Nirvana, Pearl Jam, Soundgarden and Alice in Chains); from the rise of Seattle's cash-poor, hype-rich indie label Sub Pop to the major-label feeding frenzy that overtook the Pacific Northwest; from the simple joys of making noise at basement parties and tiny rock clubs to the tragic, lonely deaths of superstars Kurt Cobain and Layne Staley. Drawn from more than 250 new interviews—with members of Nirvana, Pearl Jam, Soundgarden, Alice in Chains, Screaming Trees, Hole, Melvins, Mudhoney, Green River, Mother Love Bone, Temple of the Dog, Mad Season, L7, Babes in Toyland, 7 Year Bitch, TAD, the U-Men, Candlebox and many more—and featuring previously untold stories and never-before-published photographs, *Everybody Loves Our Town* is at once a moving, funny, lurid, and hugely insightful portrait of an extraordinary musical era.

**kurt cobain rolling stone interview: Five Flavors of Dumb** Antony John, 2010-11-11 Winner of the Schneider Book Award The award-winning author of the *Elemental* series delivers a rock-and-roll novel that Lauren Myracle called "raw, fresh, funny, and authentic." The Challenge: Eighteen-year-old Piper has one month to get her high school's coolest rock band Dumb a paying gig. The Deal: If she does it, Piper will become the band's manager and get her share of the profits. The Catch: How can Piper possibly manage a band made up of an egomaniacal pretty boy, a talentless piece of eye candy, a silent rocker, an angry girl, and a crush-worthy nerd boy? And how can she do it when she's deaf? Piper is determined to show her classmates that just because she's hearing impaired doesn't mean she's invisible. With growing self-confidence, a budding romance, and a new understanding of her parent's decision to buy a cochlear implant for her deaf baby sister, she discovers her own inner rock star and what it truly means to be a flavor of Dumb. For fans of K. L. Going's *Fat Kid Rules the World* and Catherine Gilbert Murdock's *Dairy Queen*.

**kurt cobain rolling stone interview: Kurt Cobain: Alternative Rock Innovator** Chrös McDougall, 2012-08-01 This informative title highlights the life of Kurt Cobain. Readers will learn about Cobain's background and his role in the formation of the groundbreaking band Nirvana. Cobain's unstable childhood in Aberdeen Washington is detailed as well as his drug and alcohol use. Cobain's early musical work is discussed, as well as his formation of Nirvana and his collaboration with Dave Grohl and Chris Novoselic. Nirvana's albums *Bleach*, *Nevermind*, and *In Utero* are introduced, as is the band's breakout hit *Smells Like Teen Spirit*. Cobain's courtship with Courtney Love is included, as is their marriage and the birth of their daughter Frances. Cobain's descent into heroin addiction is included, leading to his death by self-inflicted gunshot wound at age 27. This

book includes details of Cobain's life and covers the controversies surrounding his life and death. Aligned to Common Core Standards and correlated to state standards. Essential Library is an imprint of Abdo Publishing, a division of ABDO.

**kurt cobain rolling stone interview:** *Sympathy for the Drummer* Mike Edison, 2019-11-05  
*Sympathy for the Drummer: Why Charlie Watts Matters* is both a gonzo rush—capturing the bristling energy of the Rolling Stones and the times in which they lived—and a wide-eyed reflection on why the Greatest Rock 'n' Roll Band in the World needed the world's greatest rock 'n' roll drummer. Across five decades, Rolling Stones drummer Charlie Watts has had the best seat in the house. Charlie Watts, the anti-rock star—an urbane jazz fan with a dry wit and little taste for the limelight—was witness to the most savage years in rock history, and emerged a hero, a warrior poet. With his easy swing and often loping, uneven fills, he found nuance in a music that often had little room for it, and along with his greatest ally, Keith Richards, he gave the Stones their swaggering beat. While others battled their drums, Charlie played his modest kit with finesse and humility, and yet his relentless grooves on the nastiest hard-rock numbers of the era (*Gimme Shelter*, *Street Fighting Man*, *Brown Sugar*, *Jumpin' Jack Flash*, etc.) delivered a dangerous authenticity to a band that on their best nights should have been put in jail. Author Mike Edison, himself a notorious raconteur and accomplished drummer, tells a tale of respect and satisfaction that goes far beyond drums, drumming, and the Rolling Stones, ripping apart the history of rock'n'roll, and celebrating sixty years of cultural upheaval. He tears the sheets off of the myths of music making, shredding the phonies and the frauds, and unifies the frayed edges of disco, punk, blues, country, soul, jazz, and R&B—the soundtrack of our lives. Highly opinionated, fearless, and often hilarious, *Sympathy* is an unexpected treat for music fans and pop culture mavens, as edgy and ribald as the Rolling Stones at their finest, never losing sight of the sex and magic that puts the roll in the rock—the beat, that crazy beat!—and the man who drove the band, their true engine, the utterly irreplaceable Charlie Watts.

**kurt cobain rolling stone interview:** Brian Jones Paul Trynka, 2014 First published in Great Britain as *Sympathy for the Devil: the birth of the Rolling Stones and the death of Brian Jones*, by Bantam Press--Title page verso.

**kurt cobain rolling stone interview:** **Route 666** Gina Arnold, 1993 Explores mainstream society's embrace of alternative rock, chronicles the postpunk years, and interviews such musicians as Kurt Cobain of Nirvana, Eddie Vedder of Pearl Jam, and Paul Westerberg of the Replacements

**kurt cobain rolling stone interview:** **See a Little Light** Bob Mould, 2011-06-15 The long-awaited, full-force autobiography of American punk music hero, Bob Mould. Bob Mould stormed into America's punk rock scene in 1979, when clubs across the country were filling with kids dressed in black leather and torn denim, packing in to see bands like the Ramones, Black Flag, and the Dead Kennedys. Hardcore punk was a riot of jackhammer rhythms, blistering tempos, and bottomless aggression. And at its center, a new band out of Minnesota called Hüsker Dü was bashing out songs and touring the country on no money, driven by the inspiration of guitarist and vocalist Bob Mould. Their music roused a generation. From the start, Mould wanted to make Hüsker Dü the greatest band in the world - faster and louder than the hardcore standard, but with melody and emotional depth. In *See a Little Light*, Mould finally tells the story of how the anger and passion of the early hardcore scene blended with his own formidable musicianship and irrepressible drive to produce some of the most important and influential music of the late 20th century. For the first time, Mould tells his dramatic story, opening up to describe life inside that furnace and beyond. Revealing the struggles with his own homosexuality, the complexities of his intimate relationships, as well as his own drug and alcohol addiction, Mould takes us on a whirlwind ride through achieving sobriety, his acclaimed solo career, creating the hit band Sugar, a surprising detour into the world of pro wrestling, and most of all, finally finding his place in the world. A classic story of individualism and persistence, Mould's autobiography is an open account of the rich history of one of the most revered figures of punk, whose driving force altered the shape of American music.

**kurt cobain rolling stone interview:** **Twee** Marc Spitz, 2014-06-03 New York Times, Spin, and

Vanity Fair contributor Marc Spitz explores the first great cultural movement since Hip Hop: an old-fashioned and yet highly modern aesthetic that's embraced internationally by teens, twenty and thirty-somethings and even some Baby Boomers; creating hybrid generation known as Twee. Via exclusive interviews and years of research, Spitz traces Generation Twee's roots from the Post War 50s to its dominance in popular culture today. Vampire Weekend, Garden State, Miranda July, Belle and Sebastian, Wes Anderson, Mumblecore, McSweeney's, Morrissey, beards, artisanal pickles, food trucks, crocheted owls on Etsy, ukuleles, kittens and Zooey Deschanel—all are examples of a cultural aesthetic of calculated precocity known as Twee. In Twee, journalist and cultural observer Marc Spitz surveys the rising Twee movement in music, art, film, fashion, food and politics and examines the cross-pollinated generation that embodies it—from aging hipsters to nerd girls, indie snobs to idealistic industrialists. Spitz outlines the history of twee—the first strong, diverse, and wildly influential youth movement since Punk in the '70s and Hip Hop in the '80s—showing how awkward glamour and fierce independence has become part of the zeitgeist. Focusing on its origins and hallmarks, he charts the rise of this trend from its forefathers like Disney, Salinger, Plath, Seuss, Sendak, Blume and Jonathan Richman to its underground roots in the post-punk United Kingdom, through the late '80s and early '90s of K Records, Whit Stillman, Nirvana, Wes Anderson, Pitchfork, This American Life, and Belle and Sebastian, to the current (and sometimes polarizing) appeal of Girls, Arcade Fire, Rookie magazine, and hellogiggles.com. Revealing a movement defined by passionate fandom, bespoke tastes, a rebellious lack of irony or swagger, the championing of the underdog, and the vanquishing of bullies, Spitz uncovers the secrets of modern youth culture: how Twee became pervasive, why it has so many haters and where, in a post-Portlandia world, can it go from here?

**kurt cobain rolling stone interview:** *Hit So Hard* Patty Schemel, 2017-10-31 A stunningly candid portrait of the Seattle grunge scene of the '90s and a memoir of an addict during the last great era of rock 'n' roll excess, by Hole drummer Patty Schemel. Patty Schemel's story begins with a childhood surrounded by the AA meetings her parents hosted in the family living room. Their divorce triggered her first forays into drinking at age twelve and dovetailed with her passion for punk rock and playing the drums. Patty's struggles with her sexuality further drove her notoriously hard playing, and by the late '80s she had focused that anger, confusion, and drive into regular gigs with well-regarded bands in Tacoma, Seattle, and Olympia, Washington. She met a pre-Nirvana Kurt Cobain at a Melvins show, and less than five years later, was living with him and his wife, Hole front-woman Courtney Love, at the height of his fame and on the cusp of hers. As the platinum-selling band's new drummer, Schemel contributed memorable, driving beats to hits like Beautiful Son, Violet, Doll Parts, and Miss World. But the band was plagued by tragedy and heroin addiction, and by the time Hole went on tour in support of their ironically titled and critically-acclaimed album *Live Through This* in 1994, both Cobain and Hole bassist Kristen Pfaff had died at the age of 27. With surprising candor and wit, Schemel intimately documents the events surrounding her dramatic exit from the band in 1998 that led to a dark descent into a life of homelessness and crime on the streets of Los Angeles, and the difficult but rewarding path to lasting sobriety after more than twenty serious attempts to get clean. *Hit So Hard* is a testament not only to the enduring power of the music Schemel helped create but an important document of the drug culture that threatened to destroy it.

**kurt cobain rolling stone interview:** Who Killed Kurt Cobain? Ian Halperin, Max Wallace, 2002-05-01 When the body of rock icon Kurt Cobain was found in his Seattle home with a bullet through his head, the reverberations were felt across the world. His untimely death in 1994 was instantly labelled a suicide, and his millions of fans resigned themselves to the loss of their angst-ridden hero. But was it really the obvious suicide his fans accepted. Ian Halperin and Max Wallace reveal an alarming array of inconsistencies. They offer compelling reasons for reopening this suicide case, so that fans will know how their hero died.

**kurt cobain rolling stone interview:** **Made in the UK** Janette Beckman, 2006-09 The second monograph by celebrated music photographer Janette Beckman captures 'the look' of the musicians

and kids who were loudly defining an era that continues to reverberate throughout pop culture. Made in the UK documents the years between 1977 and 1983, a time when British music pushed every boundary. Due to Beckman's career within Melody Maker, she had unique access to the musicians topping the UK charts - icons of an era when music had an agenda. Beckman's gritty aesthetic placed her on good footing among the kids and the attitude in her portraits never dies.

**kurt cobain rolling stone interview: I Am the Wolf** Mark Lanegan, 2017-08-15 A collection of lyrics and autobiographical commentary by singer Mark Lanegan, with a preface by John Cale and a foreword by Moby With a voice that Pitchfork has called as scratchy as a three-day beard yet as supple and pliable as moccasin leather, former Screaming Trees and Queens of the Stone Age vocalist Mark Lanegan draws frequent comparisons to masters like Nick Cave and Leonard Cohen. Lanegan's voice is one of the most distinct and recognizable in rock, but his talents aren't limited to his vocal skills. Lanegan's lyrics are on par with the best of them, exploring with Blake-like insight the stark and scorched emotional terrain that exists somewhere beyond sadness, addiction, trauma, and spiritual longing. With a body of work that now includes seven albums with the Screaming Trees, eleven acclaimed solo albums, three albums of duets with Belle and Sebastian's Isobel Campbell (including the Mercury Prize-shortlisted Ballad of the Broken Seas), and collaborative albums and singles with the likes of Queens of the Stone Age, Moby, Soulsavers, Twilight Singers, and countless others, Mark Lanegan occupies a singular space in rock music. Now, for the first time ever, the reclusive singer presents a comprehensive look at his lyrics, the stories behind them, and the making of his albums. I Am the Wolf is a rare and candid glimpse into the inner workings and creative process of a legend.

**kurt cobain rolling stone interview: Rhythm And The Blues** Jerry Wexler, 2012-11-07 Atlantic Records partner and producer, Wexler presided over the evolution of the modern music business and made prodigious contributions through to our cultural history. Wexler has worked with the entire range of American genius: Ray Charles, Aretha Franklin, Otis Redding, Bob Dylan, Willie Nelson, and others. 75 photographs.

**kurt cobain rolling stone interview: Appetite for Self-Destruction** Steve Knopper, 2009-01-06 For the first time, Appetite for Self-Destruction recounts the epic story of the precipitous rise and fall of the recording industry over the past three decades, when the incredible success of the CD turned the music business into one of the most glamorous, high-profile industries in the world -- and the advent of file sharing brought it to its knees. In a comprehensive, fast-paced account full of larger-than-life personalities, Rolling Stone contributing editor Steve Knopper shows that, after the incredible wealth and excess of the '80s and '90s, Sony, Warner, and the other big players brought about their own downfall through years of denial and bad decisions in the face of dramatic advances in technology. Big Music has been asleep at the wheel ever since Napster revolutionized the way music was distributed in the 1990s. Now, because powerful people like Doug Morris and Tommy Mottola failed to recognize the incredible potential of file-sharing technology, the labels are in danger of becoming completely obsolete. Knopper, who has been writing about the industry for more than ten years, has unparalleled access to those intimately involved in the music world's highs and lows. Based on interviews with more than two hundred music industry sources -- from Warner Music chairman Edgar Bronfman Jr. to renegade Napster creator Shawn Fanning -- Knopper is the first to offer such a detailed and sweeping contemporary history of the industry's wild ride through the past three decades. From the birth of the compact disc, through the explosion of CD sales in the '80s and '90s, the emergence of Napster, and the secret talks that led to iTunes, to the current collapse of the industry as CD sales plummet, Knopper takes us inside the boardrooms, recording studios, private estates, garage computer labs, company jets, corporate infighting, and secret deals of the big names and behind-the-scenes players who made it all happen. With unforgettable portraits of the music world's mighty and formerly mighty; detailed accounts of both brilliant and stupid ideas brought to fruition or left on the cutting-room floor; the dish on backroom schemes, negotiations, and brawls; and several previously unreported stories, Appetite for Self-Destruction is a riveting, informative, and highly entertaining read. It offers a broad perspective on the current state of Big

Music, how it got into these dire straits, and where it's going from here -- and a cautionary tale for the digital age.

**kurt cobain rolling stone interview:** Of Grunge and Government Krist Novoselic, 2017-11-14  
The Nirvana bassist “offers specific platforms for electoral reform . . . as well as charming anecdotes about rock ‘n’ roll as a pursuit of happiness” (Sarah Vowell, The New York Times Book Review). A memoir of both music and politics, *Of Grunge and Government* tells Krist Novoselic’s story of how during his years with Kurt Cobain and Nirvana, the band made a point of playing benefits—the Rock for Choice show, a concert for gay rights, a fundraising gig for the Balkan Women’s Aid Fund—and how in the ensuing years he has dedicated himself to being a good citizen and participating in American democracy. In this book he shares stories about making music and making a statement—as well as inspiring ideas for anyone who wants to advance progressive causes, to become a more active part of the community, and to make sure our votes count and our voices are heard.

## **Kurt Cobain Rolling Stone Interview Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Kurt Cobain Rolling Stone Interview PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Kurt Cobain Rolling Stone Interview PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Kurt Cobain Rolling Stone Interview free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
