minister louis farrakhan speeches: The Mother Plane (UFO's) Elijah Muhammad, 2008
This book is comprised of sixteen articles written by Elijah Muhammad in the Nation of Islam's official Newspaper, Muhammad Speaks, beginning May, 1973. What had previously been known as Ezekiel's Wheel or his vision of the wheel, was in fact called The Mother Plane, because it is today in fact, not visions, a humanly built planet, or the mother of all planes, so teaches Elijah Muhammad. The bible's Ezekiel did not see an actual wheel, but only a vision of one that would be in the future. This book analyzes Ezekiel's vision and brings it to bear with what Elijah Muhammad says that God taught him about it. What's called UFO's today is in fact the wheel which eludes the scientists of this world. Elijah Muhammad interprets Ezekiel's Wheel in modern terms.

minister louis farrakhan speeches: Barbara Jordan Mary Beth Rogers, 2000-01-04
Barbara Jordan was the first African American to serve in the Texas Senate since Reconstruction, the first black woman elected to Congress from the South, and the first to deliver the keynote address at a national party convention. Yet Jordan herself remained a mystery, a woman so private that even her close friends did not know the name of the illness that debilitated her for two decades until it struck her down at the age of fifty-nine. In *Barbara Jordan*, Mary Beth Rogers deftly explores the forces that shaped the moral character and quiet dignity of this extraordinary woman. She reveals the seeds of Jordan's trademark stoicism while recapturing the essence of a black woman entering politics just as the civil rights movement exploded across the nation. Celebrating Jordan's elegance, passion, and patriotism, this illuminating portrayal gives new depth to our understanding of one of the most influential women of our time—a woman whose powerful convictions and flair for oratorical drama changed the political landscape of America's twentieth century.

minister louis farrakhan speeches: The New Jim Crow Michelle Alexander, 2020-01-07
One of the New York Times's Best Books of the 21st Century Named one of the most important nonfiction books of the 21st century by Entertainment Weekly, Slate, Chronicle of Higher Education, Literary Hub, Book Riot, and Zora A tenth-anniversary edition of the iconic bestseller—one of the most influential books of the past 20 years, according to the Chronicle of Higher Education—with a new

preface by the author It is in no small part thanks to Alexander's account that civil rights organizations such as Black Lives Matter have focused so much of their energy on the criminal justice system. —Adam Shatz, London Review of Books Seldom does a book have the impact of Michelle Alexander's *The New Jim Crow*. Since it was first published in 2010, it has been cited in judicial decisions and has been adopted in campus-wide and community-wide reads; it helped inspire the creation of the Marshall Project and the new \$100 million Art for Justice Fund; it has been the winner of numerous prizes, including the prestigious NAACP Image Award; and it has spent nearly 250 weeks on the New York Times bestseller list. Most important of all, it has spawned a whole generation of criminal justice reform activists and organizations motivated by Michelle Alexander's unforgettable argument that we have not ended racial caste in America; we have merely redesigned it. As the Birmingham News proclaimed, it is undoubtedly the most important book published in this century about the U.S. Now, ten years after it was first published, The New Press is proud to issue a tenth-anniversary edition with a new preface by Michelle Alexander that discusses the impact the book has had and the state of the criminal justice reform movement today.

minister louis farrakhan speeches: *The True History of Master Fard Muhammad* Elijah Muhammad, 1996-02-01

minister louis farrakhan speeches: *The Flag of Islam* Elijah Muhammad, 2008 For thousands of years, the people who did not have the knowledge of the person, or reality of God, worshipped their own ideas of God. He has been made like many things other than what He really is.... We therefore can reason that if we don't know the Creator, then we don't understand His Creation or the laws and principles that govern it. All prophets, sages, gurus and persons of knowledge was, is and shall be governed and subject to these laws; this should clue us in on the fact that these same natural laws of the Creator can serve as a criteria or standard of judgment. If what you believe doesn't correspond to this standard - which transcends time and geography - it has no place in it. In other words, the only way a person can walk on water is symbolically or the water would have to be ice; otherwise, it doesn't correspond to the Creator's law governing this creation. It then fits into the category of untruths. This book teaches you about the house rules.

minister louis farrakhan speeches: *Prophet Of Rage* Arthur Magida, 1997-05-29 He preaches a dynamic message of African-American empowerment and self-reliance, offering discipline and hope to those most in need. At the same time, he outrages mainstream America with his fiery rhetoric and unrestrained criticism of whites, Jews, and Catholics, whom he blames for the ongoing oppression of blacks. He is the Reverend Louis Farrakhan, leader of the Nation of Islam, and his voice shakes the nation. Prophet of Rage penetrates the rhetoric that surrounds this enigmatic figure to reveal his personal story, tracing his life from his birth as Eugene Walcott in the Bronx through his childhood in Boston's Roxbury neighborhood, his training as a classical violinist, and his career as a calypso singer. It then follows his remarkable political career, recounting his indoctrination into the Nation of Islam, during which time he took the name "Louis X"; explaining his involvement with the assassination of Malcolm X; and chronicling his rise to power as a powerful orator, political leader, and self-proclaimed prophet.

minister louis farrakhan speeches: In the Name of Elijah Muhammad Mattias Gardell, 1996-09-26 In the Name of Elijah Muhammad tells the story of the Nation of Islam—its rise in northern inner-city ghettos during the Great Depression through its decline following the death of Elijah Muhammad in 1975 to its rejuvenation under the leadership of Louis Farrakhan. Mattias Gardell sets this story within the context of African American social history, the legacy of black nationalism, and the long but hidden Islamic presence in North America. He presents with insight and balance a detailed view of one of the most controversial yet least explored organizations in the United States—and its current leader. Beginning with Master Farad Muhammad, believed to be God in Person, Gardell examines the origins of the Nation. His research on the period of Elijah Muhammad's long leadership draws on previously unreleased FBI files that reveal a clear picture of the bureau's attempts to neutralize the Nation of Islam. In addition, they shed new light on the circumstances surrounding the murder of Malcolm X. With the main part of the book focused on the fortunes of the Nation after Elijah Muhammad's death, Gardell then turns to the figure of Minister Farrakhan. From his emergence as the dominant voice of the radical black Islamic community to his leadership of the Million Man March, Farrakhan has often been portrayed as a demagogue, bigot, racist, and anti-Semite. Gardell balances the media's view of the Nation and Farrakhan with the Nation's own views and with the perspectives of the black community in which the organization actively works. His investigation, based on field research, taped lectures, and interviews, leads to the fullest account yet of the Nation of Islam's ideology and theology, and its complicated relations with mainstream Islam, the black church, the Jewish community, extremist white nationalists, and the urban culture of black American youth, particularly the hip-hop movement and gangs.

minister louis farrakhan speeches: *Mission at Nuremberg* Tim Townsend, 2014-03-11 Mission at Nuremberg is Tim Townsend's gripping story of the American Army chaplain sent to save the souls of the Nazis incarcerated at Nuremberg, a compelling and thought-provoking tale that raises questions of faith, guilt, morality, vengeance, forgiveness, salvation, and the essence of humanity. Lutheran minister Henry Gerecke was fifty years old when he enlisted as an Army chaplain during World War II. As two of his three sons faced danger and death on the battlefield, Gerecke tended to the battered bodies and souls of wounded and dying GIs outside London. At the war's end, when other soldiers were coming home, Gerecke was recruited for the most difficult engagement of his life: ministering to the twenty-one Nazis leaders awaiting trial at Nuremberg. Based on scrupulous research and first-hand accounts, including interviews with still-living participants and featuring sixteen pages of black-and-white photos, Mission at Nuremberg takes us inside the Nuremberg Palace of Justice, into the cells of the accused and the courtroom where they faced their crimes. As the drama leading to the court's final judgments unfolds, Tim Townsend

brings to life the developing relationship between Gerecke and Hermann Georing, Albert Speer, Wilhelm Keitel, Joachim von Ribbentrop, and other imprisoned Nazis as they awaited trial. Powerful and harrowing, Mission at Nuremberg offers a fresh look at one most horrifying times in human history, probing difficult spiritual and ethical issues that continue to hold meaning, forcing us to confront the ultimate moral question: Are some men so evil they are beyond redemption?

minister louis farrakhan speeches: Message to the Blackman in America Elijah Muhammad, 1973-11-07 According to countless mainstream news organs, Elijah Muhammad, by far, was the most powerful black man in America. Known more for the students he produced, like Malcolm X, Louis Farrakhan and Muhammad Ali, this controversial man exposed the black man as well as the world to a teaching, till now, was only used behind closed doors of high degree Masons and Shriners. An easy and smart read. The book approaches the question of what and who is God. It compares the concept held by religions to nature and mathematics. It also explores the origin of the original man, mankind, devil, heaven and hell. Its title, Message To The Blackman, is directed to the American Blacks specifically, but addresses blacks universally as well.

minister louis farrakhan speeches: Let This Mind Be in You Nuri Muhammad, 2017-01-28 Let this Mind Be in You: The Master, The Messenger, The Minister An Encyclopedia of Islam as taught by The Most Honorable Elijah Muhammad. When it comes to God and Self: It is a faith fortifier and doubt destroyer. This book is excellent!! It answers a lot of questions in a concise and precise way. It has no fluff, back to back to back truth. This book shows the ideological ingredients that gives Islam as taught by the Honorable Elijah Muhammad it's trans-formative power. For the Believer with time in the Nation and study of the teachings it clarifies many doubts, doubts from a lack of knowledge. Basically saying it condenses the truth and makes the teachings crystal clear. Power Packed!! I appreciate the fact that we all tend to study by compartmental-ism. Subject by subject Example: The study of Biology, Mathematics, and Medicine produce a Biologist, Mathematician, a Doctor. The subjects in this book build upon one another to produce a Saviour as taught by the Most Honorable Elijah Muhammad and the Honorable Minister Louis Farrakhan.

Board* in 2004, the collection captures a powerful tradition of oratory-by political activists, civil rights organizers, celebrities, and religious leaders-going back more than a century. The paperback edition includes the text of each speech along with an introduction placing it in its historical context. *Say It Plain* is a remarkable historical record- from the back-to-Africa movement to the civil rights era and the rise of black nationalism and beyond-riveting in its power to convey the black freedom struggle.

minister louis farrakhan speeches: *The Messenger* Karl Evanzz, 2011-09-07 Here, eagerly anticipated, is the definitive biography of Elijah Muhammad (né Elija Poole), a sharecropper's son with a fourth- grade education who became one of the most controversial Americans of the twentieth century, the founder and Prophet of the Nation of Islam, a movement dedicated to black separatism and self-empowerment. Though Muhammad's main argument--that white people were innately evil (devils, he called them)--ran counter to the precepts of orthodox Islam, he was the chief influence in the conversion of nearly four million African Americans to Islam, touching in the process the lives of figures ranging from Muhammad Ali and Jesse Jackson to Malcolm X and Louis Farrakhan. But in his desperate grasp for power, Muhammad also amassed a huge personal fortune at the expense of his followers. He was a party to ritualistic homicides, had illicit affairs galore, and was quick to betray his friends and charges, most notably Malcolm X. In brief, he violated every ideal and principle that he espoused. With the cooperation of some of Elijah Muhammad's children and former apostles and with access to previously unreleased FBI files, Karl Evanzz gives us an unprecedented account of the life of the man whose philosophy continues, long after his death, to shape race relations in America.

minister louis farrakhan speeches: *Before You Say I Do* Nuri Muhammad, 2016-02-05 The ultimate powerbase of the black man and woman is the family. In family we learn our past and define our future and occasionally because of family we redefine our future. The rise of the Black man and woman will be a direct reflection of the elevation of the family. Our families nurture us and are the lens through which we first view the world. The initial establishment of a relationship creates a dynamic ripple effect that can either negatively or positively impact the soul of the person for generations to come. The Honorable Minister Louis Farrakhan once said, they breed horses better than they breed people meaning that more care and consideration goes into preserving and extending the blood line of thorough-bred horses than goes into perfecting and evolving the human being. When Allah (God) is the true center of the relationship, then god's come forward and progress is unlimited, but when Allah (God) is an afterthought, then the progress of the couple is limited, stymied and erratic at best. In his first book, Bro. Nuri Muhammad wants to create a paradigm shift, wherein the reader will evolve to see family as the perfect reflection of the first Allah's self-creation and that family formation in this critical time must be seen as the foundation of dynasties. We are not only living in the now, we are creating the future through our words, deeds and actions. That which is done out of sync with the time is done in vain and is born from a reptilian mindset. The entire existence of reptiles can be categorized as a struggle to ensure three primary and primal needs-food, procreation (sex) and the seeking of shelter from the elements. For far too many people these same primal needs have become the motivating foundation for entering into relationships. We can no longer as a people afford to think only in terms of the now, we must think in terms of the future perfect tense. *Before You Say 'I Do'* is the distillation of countless, counselling and practical

application into a book conceived and designed to encourage not just lip-profession, but practical application of the mathematical formula for the formation of relationships not based on this world's concepts of 'dating' but in accordance to the Divine Laws and commandments of God. In this book, the reader will learn the difference between dating and courting and the effect of each mind-set on the formation of relationships. Ultimately, the reader will be challenged to determine for themselves if they are forming a relationship for the now or establishing a righteous dynasty for the future.

minister louis farrakhan speeches: Farrakhan and Education Abul Pitre, 2017-05-15

Farrakhan and Education explores the educational ideas of Louis Farrakhan and demonstrates how these ideas could transform education. The book highlights human development and education -- both focused on ongoing transitions through which individuals can attain the highest degree of personal achievement. This achievement is more than academic. As *Farrakhan and Education* shows, Louis Farrakhan believes such achievement must also be spiritual. Indeed, the text and referenced materials support the view that education plays a critical role in human development. Beginning with an overview of the educational experiences of Louis Farrakhan, the book moves through educational philosophy, theoretical constructs in human development, and critical educational theory. It also situates the study of Islam in the context of human development and multicultural education. Moreover, it has a chapter devoted to critique of who defines achievement and explores critical educational theory through the canons of Afrocentric education, multicultural education, and critical pedagogy. *Farrakhan and Education* is different from other texts on education. It recognizes and thoroughly discusses a leader whose work has long gone unrecognized for the major contribution to the study of education. The book is well researched and successfully blends this research with insights gained through years of personal reflection. Dr. Abul Pitre received his Ph.D. from Colorado State University and is currently a professor of educational leadership at Prairie View A&M University. His current research interests are in the areas of multicultural education for school leaders, critical educational theory, and the educational philosophy of Elijah Muhammad. He was appointed Edinboro University's first named professor for his work in African-American education and held the distinguished title of the Carter G. Woodson Professor of Education.

minister louis farrakhan speeches: Million Man March Michael Cottman, 2022-12-06 A

strikingly photographed exploration of the largest gathering of African American men in U.S. history—the Million Man March—and their journey to Washington, D.C. to renew their faith and commitment. It was a day for men to join hands and pray for peace and self-responsibility; a day for Black men to sing, to rejoice, to celebrate each other. It was a day for Black men to cry, to share their universal suffering, to strengthen their spirits, atone, and pledge to rebuild their communities. . . . This book, with more than one hundred powerful images, chronicles an event that will be etched in the hearts of Black Americans everywhere. It is not intended to document every movement, every speaker, celebrity, or poet. Rather, it is meant to offer a remembrance of one of the most pivotal and poignant moments in American history. It is a commemorative account of Black men who answered a call for self-examination and to reaffirm their values of family, faith, and community. Think of it as a snapshot of, perhaps, the most inspiring, spiritually uplifting, and socially profound moment of our time. Cherish and reflect on this chronicle, which records the natural alliance and self-liberation of more than one million men. Share in the celebration of a vast grassroots movement, and help preserve the spirit of the Million Man March.

minister louis farrakhan speeches: *UFOs and the Nation of Islam* Ilia Rashad Muhammad,

2013-09-17 UFOs were identified and answered before the public had any concerns or questions about them! This research puts forth challenging arguments that offer substantial proof and documented evidence regarding the Nation of Islam's (NOI) inherent relationship to the modern

UFO phenomena. This compendium of data answers what academics, researchers, and even UFOlogists have deliberately avoided. How did the Honorable Elijah Muhammad know so much about UFOs before there were any public concerns or investigations? Why did the U.S. Government arrest him after they encountered a huge circular UFO in 1942? How is it that Elijah Muhammad and Minister Louis Farrakhan have boldly challenged the world to disprove their connection to these wheel-like crafts and no one has challenged them? UFOS AND THE NATION OF ISLAM addresses these and several more questions about the UFO Phenomenon that other researchers cannot answer with verity. Unlike other researchers, theorists, pundits, and skeptics, this book uses the most reliable primary sources regarding this topic-sources that others have deliberately omitted. With over 450 footnotes for ease of verification, this book challenges and debunks common misperceptions about UFOs, leaving no room for even the staunchest critics to doubt. While scientific, religious, and educational schools of thought are afraid to publicly address the UFO phenomenon at its core, this research demystifies and exposes the propaganda, the pundits, and virtually all major UFO related publications that disregard the most reliable and authoritative source on this topic-the Nation of Islam. The UFO cover-up is not simply to hide the fact that such objects exist; instead, the cover-up is to prevent the public from knowing the source of power behind these crafts.
