Now, become a disciple (learner and follower) of Jesus. Learn what separates Christianity from every other religion; how God sees past, present, and future sins; and much more. study guide for holy spirit: Sacred Pace Terry Looper, Kris Bearss, 2019-02-26 How do we hear from God and discern His will when it's time to make big decisions? Terry Looper shares a four-step process for doing just that - a process he has learned and refined over thirty years as a Christian entrepreneur and founder of a multi-billion dollar company. At just thirty-six years old, Terry Looper was a successful Christian businessman who thought he had it all—until managing all he had led to a devastating burnout. Wealthy beyond his wildest dreams but miserable beyond belief, Terry experienced a radical transformation when he discovered how to align himself with God's will in the years following his crash and burn. Sacred Pace is a four-step process that helps Christians in all walks of life learn how to slow down their decision-making under the guidance of the Holy Spirit, sift through their surface desires and sinful patterns in order to receive clear, peace-filled answers from the Lord, gain the confident assurance that God's answers are His way of fulfilling the true desires he has placed in their hearts, and grow closer to the One who loves them most and knows them best. Sacred Pace is not another example of name-it-and-claim-it materialism in disguise. Instead, it walks Christians through the sometimes-painful process of "dying to self" in their decisions, both big and small, so that they desire God's will more than their own.
