the middle passage tom feelings: *To Be a Slave* Julius Lester, 2000-12-18 A Newbery Honor Book What was it like to be a slave? Listen to the words and learn about the lives of countless slaves and ex-slaves, telling about their forced journey from Africa to the United States, their work in the fields and houses of their owners, and their passion for freedom. You will never look at life the same way again. The dehumanizing aspects of slavery are made abundantly clear, but a testament to the human spirit of those who endured or survived this experience is exalted.—Children's Literature

the middle passage tom feelings: *Stories of Slavery in New Jersey* Rick Geffken , 2021 Dutch and English settlers brought the first enslaved people to New Jersey in the seventeenth century. By the time of the Revolutionary War, slavery was an established practice on labor-intensive farms throughout what became known as the Garden State. The progenitor of the influential Morris family, Lewis Morris, brought Barbadian slaves to toil on his estate of Tinton Manor in Monmouth County. Colonel Tye, an escaped slave from Shrewsbury, joined the British Ethiopian Regiment during the Revolutionary War and led raids throughout the towns and villages near his former home. Charles Reeves and Hannah Van Clief married soon after their emancipation in 1850 and became prominent citizens of Lincroft, as did their next four generations. Author Rick Geffken reveals stories from New Jersey's dark history of slavery.

the middle passage tom feelings: *In the Shadow of Liberty* Kenneth C. Davis, 2016-09-20 Did you know that many of America's Founding Fathers—who fought for liberty and justice for all—were slave owners? Through the powerful stories of five enslaved people who were “owned” by four of our greatest presidents, this book helps set the record straight about the role slavery played in the founding of America. From Billy Lee, valet to George Washington, to Alfred Jackson, faithful servant of Andrew Jackson, these dramatic narratives explore our country's great tragedy—that a nation “conceived in liberty” was also born in shackles. These stories help us know the real people who were essential to the birth of this nation but traditionally have been left out of the history books. Their stories are true—and they should be heard. This thoroughly-researched and documented book can be worked into multiple aspects of the common core curriculum.

the middle passage tom feelings: *The Fight for Free Speech* Ian Rosenberg, 2023-05-16 A user's guide to understanding contemporary free speech issues in the United States Americans today are confronted by a barrage of questions relating to their free speech freedoms. What are libel laws, and do they need to be changed to stop the press from lying? Does Colin Kaepernick have the right to take a knee? Can Saturday Night Live be punished for parody? While citizens are grappling with these questions, they generally have nowhere to turn to learn about the extent of their First Amendment rights. *The Fight for Free Speech* answers this call with an accessible, engaging user's guide to free speech. Media lawyer Ian Rosenberg distills the spectrum of free speech law down to ten critical issues. Each chapter in this book focuses on a contemporary free speech question—from student walkouts for gun safety to Samantha Bee's expletives, from Nazis marching in Charlottesville to the muting of adult film star Stormy Daniels— and then identifies, unpacks, and explains the key Supreme Court case that provides the answers. Together these fascinating stories

create a practical framework for understanding where our free speech protections originated and how they can develop in the future. As people on all sides of the political spectrum are demanding their right to speak and be heard, *The Fight for Free Speech* is a handbook for combating authoritarianism, protecting our democracy, and bringing an understanding of free speech law to all.

the middle passage tom feelings: *The Great Realization* Tomos Roberts (Tomfoolery), 2020-09-01 Selected by Today as a book to ease kids' anxiety about coronavirus." We all need hope. Humans have an extraordinary capacity to battle through adversity, but only if they have something to cling onto: a belief or hope that maybe, one day, things will be better. This idea sparked *The Great Realization*. Sharing the truths we may find hard to tell but also celebrating the things—from simple acts of kindness and finding joy in everyday activities, to the creativity within us all—that have brought us together during lockdown, it gives us hope in this time of global crisis. Written for his younger brother and sister in response to the Covid-19 pandemic, Tomos Roberts's heartfelt poem is as timely as it is timeless. Its message of hope and resilience, of rebirth and renewal, has captured the hearts of children and adults all over the globe—and the glimpse it offers of a fairer, kinder, more sustainable world continues to inspire thousands every day. With Tomos Roberts's heartfelt poem and beautiful illustrations by award-winning artist Nomoco, *The Great Realization* is a profound work, at once striking and reassuring, reminding readers young and old that in the face of adversity there are still dreams to be dreamt and kindnesses to be shared and hope. There is still hope. We now call it *The Great Realization* and, yes, since then there have been many. But that's the story of how it started . . . and why hindsight's 2020.

the middle passage tom feelings: *The Rise of the Trans-Atlantic Slave Trade in Western Africa, 1300-1589* Toby Green, 2011-10-10 The region between the river Senegal and Sierra Leone saw the first trans-Atlantic slave trade in the sixteenth century. Drawing on many new sources, Toby Green challenges current quantitative approaches to the history of the slave trade. New data on slave origins can show how and why Western African societies responded to Atlantic pressures. Green argues that answering these questions requires a cultural framework and uses the idea of creolization - the formation of mixed cultural communities in the era of plantation societies - to argue that preceding social patterns in both Africa and Europe were crucial. Major impacts of the sixteenth-century slave trade included political fragmentation, changes in identity and the re-organization of ritual and social patterns. The book shows which peoples were enslaved, why they were vulnerable and the consequences in Africa and beyond.

the middle passage tom feelings: *A Fine Dessert: Four Centuries, Four Families, One Delicious Treat* Emily Jenkins, 2015-01-27 A New York Times Best Illustrated Book From highly acclaimed author Jenkins and Caldecott Medal-winning illustrator Blackall comes a fascinating picture book in which four families, in four different cities, over four centuries, make the same delicious dessert: blackberry fool. This richly detailed book ingeniously shows how food, technology, and even families have changed throughout American history. In 1710, a girl and her mother in Lyme, England, prepare a blackberry fool, picking wild blackberries and beating cream from their cow with a bundle of twigs. The same dessert is prepared by an enslaved girl and her mother in 1810 in Charleston, South Carolina; by a mother and daughter in 1910 in Boston; and finally by a boy and his father in present-day San Diego. Kids and parents alike will delight in discovering the differences in daily life over the course of four centuries. Includes a recipe for blackberry fool and notes from the author and illustrator about their research.

the middle passage tom feelings: Outside, Inside LeUyen Pham, 2021-01-05 From Caldecott honoree LeUyen Pham, *Outside, Inside* is a moving picture book that captures the unforgettable moment during the pandemic when people all over the world came together. It celebrates the essential workers, frontline workers, and communities that worked with each other to protect our loved ones. Something strange happened on an unremarkable day just before the season changed. Everybody who was outside went inside. Outside, it was quieter, wilder, and different. Inside, we laughed, we cried, and we grew. We remembered to protect the ones we love and love the ones who protect us. While the world changed outside, we became stronger on the inside and believed that someday soon spring would come again. the middle passage tom feelings: *Middle Passage* Charles Johnson, 2012-02-21 A twenty-fifth anniversary edition of Charles Johnson's National Book Award-winning masterpiece—a novel in the tradition of Billy Budd and Moby-Dick...heroic in proportion...fiction that hooks the mind (The New York Times Book Review)—now with a new introduction from Stanley Crouch. Rutherford Calhoun, a newly freed slave and irrepressible rogue, is lost in the underworld of 1830s New Orleans. Desperate to escape the city's unscrupulous bill collectors and the pawing hands of a schoolteacher hellbent on marrying him, he jumps aboard the Republic, a slave ship en route to collect members of a legendary African tribe, the Allmuseri. Thus begins a voyage of metaphysical horror and human atrocity, a journey which challenges our notions of freedom, fate and how we live together. Peopled with vivid and unforgettable characters, nimble in its interplay of comedy and serious ideas, this dazzling modern classic is a perfect blend of the picaresque tale, historical romance, sea yarn, slave narrative and philosophical allegory. Now with a new introduction from renowned writer and critic Stanley Crouch, this twenty-fifth anniversary edition of *Middle Passage* celebrates a cornerstone of the American canon and the masterwork of one of its most important writers. Long after we'd stopped believe in the great American novel, along comes a spellbinding adventure story that may be just that (Chicago Tribune).

the middle passage tom feelings: *The Making of America* W. Cleon Skousen, The United States of America has been blessed with the world's greatest political success formula. In a little over a century, this formula allowed a small segment of the human family—less than 6 percent—to become the richest nation on earth. It allowed them to create more than half of the world's total output in production and enjoy the highest standard of living in the history of the world. In this book, we learn how the Founding Fathers discovered this success formula. Much of this discovery is told in the words of the Founders themselves, so that the reader can feel the power of their minds sweeping away thousands of years of bad government and illogical laws to formulate a whole new society based on human freedom. By returning to the roots of the Founders' thinking, and contemplating the logic that they used in establishing the Constitution, we can better understand the challenges and solutions that confront us in today's political world. This eBook includes the original index, illustrations, footnotes, table of contents and page numbering from the printed format.

the middle passage tom feelings: *Traumata* Meera Atkinson, 2018-04-26 A brilliant, fiercely profound work of creative non-fiction in the vein of Maggie Nelson's *The Argonauts*. In this extraordinary book, Meera Atkinson explores the ways trauma reverberates over a lifetime, unearthing the traumatic roots of our social structures and our collective history. Using memoir as a touchstone, Atkinson contemplates the causes of trauma and the scars it leaves on modern society. She vibrantly captures her early life in 1970s and '80s Sydney and her self-reflection leads the reader on a journey that takes in neuroscience, pop psychology, feminist theory and much more. Searing in its truthfulness and beauty, *Traumata* deals with issues of our time &-intergenerational

trauma, family violence, alcoholism, child abuse, patriarchy &- forging a path of fearless enquiry through the complexity of humanity.

the middle passage tom feelings: Mastering Emotions Erin Austin Dwyer, 2021-10-22 Mastering Emotions examines the interactions between slaveholders and enslaved people, and between White people and free Black people, to expose how emotions such as love, terror, happiness, and trust functioned as social and economic capital for slaveholders and enslaved people alike.

the middle passage tom feelings: The 1619 Project: Born on the Water Nikole Hannah-Jones, Renée Watson, 2021-11-16 The 1619 Project's lyrical picture book in verse chronicles the consequences of slavery and the history of Black resistance in the United States, thoughtfully rendered by Pulitzer Prize-winning journalist Nikole Hannah-Jones and Newbery honor-winning author Renée Watson. A young student receives a family tree assignment in school, but she can only trace back three generations. Grandma gathers the whole family, and the student learns that 400 years ago, in 1619, their ancestors were stolen and brought to America by white slave traders. But before that, they had a home, a land, a language. She learns how the people said to be born on the water survived. And the people planted dreams and hope, willed themselves to keep living, living. And the people learned new words for love for friend for family for joy for grow for home. With powerful verse and striking illustrations by Nikkolas Smith, Born on the Water provides a pathway for readers of all ages to reflect on the origins of American identity.

the middle passage tom feelings: Nineteen eighty-four George Orwell, 2022-11-22 This is a dystopian social science fiction novel and morality tale. The novel is set in the year 1984, a fictional future in which most of the world has been destroyed by unending war, constant government monitoring, historical revisionism, and propaganda. The totalitarian superstate Oceania, ruled by the Party and known as Airstrip One, now includes Great Britain as a province. The Party uses the Thought Police to repress individuality and critical thought. Big Brother, the tyrannical ruler of Oceania, enjoys a strong personality cult that was created by the party's overzealous brainwashing methods. Winston Smith, the main character, is a hard-working and skilled member of the Ministry of Truth's Outer Party who secretly despises the Party and harbors rebellious fantasies.

the middle passage tom feelings: Back to Black Kehinde Andrews, 2018-07-10 'Lucid, fluent and compelling' - Observer 'We need writers like Andrews ... These are truths we need to be hearing' - New Statesman Back to Black traces the long and eminent history of Black radical politics. Born out of resistance to slavery and colonialism, its rich past encompasses figures such as Marcus Garvey, Angela Davis, the Black Panthers and the Black Lives Matter activists of today. At its core it argues that racism is inexorably embedded in the fabric of society, and that it can never be overcome unless by enacting change outside of this suffocating system. Yet this Black radicalism has been diluted and moderated over time; wilfully misrepresented and caricatured by others; divested of its legacy, potency, and force. Kehinde Andrews explores the true roots of this tradition and connects the dots to today's struggles by showing what a renewed politics of Black radicalism might look like in the 21st century.

the middle passage tom feelings: I Know This Much Is True Wally Lamb, 1998-06-03 With his stunning debut novel, She's Come Undone, Wally Lamb won the adulation of critics and readers with his mesmerizing tale of one woman's painful yet triumphant journey of self-discovery. Now, this

brilliantly talented writer returns with *I Know This Much Is True*, a heartbreaking and poignant multigenerational saga of the reproductive bonds of destruction and the powerful force of forgiveness. A masterpiece that breathtakingly tells a story of alienation and connection, power and abuse, devastation and renewal--this novel is a contemporary retelling of an ancient Hindu myth. A proud king must confront his demons to achieve salvation. Change yourself, the myth instructs, and you will inhabit a renovated world. When you're the same brother of a schizophrenic identical twin, the tricky thing about saving yourself is the blood it leaves on your hands--the little inconvenience of the look-alike corpse at your feet. And if you're into both survival of the fittest and being your brother's keeper--if you've promised your dying mother--then say so long to sleep and hello to the middle of the night. Grab a book or a beer. Get used to Letterman's gap-toothed smile of the absurd, or the view of the bedroom ceiling, or the influence of random selection. Take it from a godless insomniac. Take it from the uncrazy twin--the guy who beat the biochemical rap. Dominick Birdsey's entire life has been compromised and constricted by anger and fear, by the paranoid schizophrenic twin brother he both deeply loves and resents, and by the past they shared with their adoptive father, Ray, a spit-and-polish ex-Navy man (the five-foot-six-inch sleeping giant who snoozed upstairs weekdays in the spare room and built submarines at night), and their long-suffering mother, Concettina, a timid woman with a harelip that made her shy and self-conscious: She holds a loose fist to her face to cover her defective mouth--her perpetual apology to the world for a birth defect over which she'd had no control. Born in the waning moments of 1949 and the opening minutes of 1950, the twins are physical mirror images who grow into separate yet connected entities: the seemingly strong and protective yet fearful Dominick, his mother's watchful monkey; and the seemingly weak and sweet yet noble Thomas, his mother's gentle bunny. From childhood, Dominick fights for both separation and wholeness--and ultimately self-protection--in a house of fear dominated by Ray, a bully who abuses his power over these stepsons whose biological father is a mystery. I was still afraid of his anger but saw how he punished weakness--pounced on it. Out of self-preservation I hid my fear, Dominick confesses. As for Thomas, he just never knew how to play defense. He just didn't get it. But Dominick's talent for survival comes at an enormous cost, including the breakup of his marriage to the warm, beautiful Dessa, whom he still loves. And it will be put to the ultimate test when Thomas, a Bible-spouting zealot, commits an unthinkable act that threatens the tenuous balance of both his and Dominick's lives. To save himself, Dominick must confront not only the pain of his past but the dark secrets he has locked deep within himself, and the sins of his ancestors--a quest that will lead him beyond the confines of his blue-collar New England town to the volcanic foothills of Sicily's Mount Etna, where his ambitious and vengefully proud grandfather and a namesake Domenico Tempesta, the *sostegno del famiglia*, was born. Each of the stories Ma told us about Papa reinforced the message that he was the boss, that he ruled the roost, that what he said went. Searching for answers, Dominick turns to the whispers of the dead, to the pages of his grandfather's handwritten memoir, *The History of Domenico Onofrio Tempesta, a Great Man from Humble Beginnings*. Rendered with touches of magic realism, Domenico's fablelike tale--in which monkeys enchant and religious statues weep--becomes the old man's confession--an unwitting legacy of contrition that reveals the truth's of Domenico's life, Dominick learns that power, wrongly used, defeats the oppressor as well as the oppressed, and now, picking through the humble shards of his deconstructed life, he will search for the courage and love to forgive, to expiate his and his ancestors' transgressions, and finally to rebuild himself beyond the haunted shadow of his twin. Set against the vivid panoply of twentieth-century America and filled with richly drawn, memorable characters, this deeply moving and thoroughly satisfying novel brings to light humanity's deepest needs and fears, our aloneness, our desire for love and acceptance, our struggle to survive at all costs. Joyous, mystical, and exquisitely written, *I Know This Much Is True* is an extraordinary reading experience that will leave no reader untouched.

the middle passage tom feelings: Shoe is My Middle Name Niels Shoe Meulman, 2016 Ever

since he picked the graffiti name Shoe in 1979, Niels Meulman has been carving out his own path towards the international art world. Being a graffiti pioneer from Amsterdam, he worked with American counterparts such as Dondi White, Rammellzee and Keith Haring in the 1980s. He made the transition from the streets to fine art with a unique fusion of calligraphy and graffiti, which he named Calligraffiti. This soon became a worldwide phenomenon and now plays a significant role within Urban Contemporary Art. In recent years Niels Shoe Meulman moved towards a style he calls Abstract Vandalism. Influenced by the great painters of Abstract Expressionism, his work has been shown in countless exhibitions all over the world and is included in the permanent collections of museums and private collections. This striking book offers an overview of his career, showcasing his evolution through a masterful mixture of paintings, murals, poetry, interviews, graphics and insights about his identity as an artist and art itself.

the middle passage tom feelings: Slave Culture : Nationalist Theory and the Foundations of Black America Sterling Stuckey Professor of History Northwestern University, 1987-04-23 How were blacks in American slavery formed, out of a multiplicity of African ethnic peoples, into a single people? In this major study of Afro-American culture, Sterling Stuckey, a leading thinker on black nationalism for the past twenty years, explains how different African peoples interacted during the nineteenth century to achieve a common culture. He finds that, at the time of emancipation, slaves were still overwhelmingly African in culture, a conclusion with profound implications for theories of black liberation and for the future of race relations in America. By examining anthropological evidence about Central and West African cultural traditions--Bakongo, Ibo, Dahomean, Mendi and others--and exploring the folklore of the American slave, Stuckey has arrived at an important new cross-cultural analysis of the Pan-African impulse among slaves that contributed to the formation of a black ethos. He establishes, for example, the centrality of an ancient African ritual--the Ring Shout or Circle Dance--to the black American religious and artistic experience. Black nationalist theories, the author points out, are those most in tune with the implication of an African presence in America during and since slavery. Casting a fresh new light on these ideas, Stuckey provides us with fascinating profiles of such nineteenth century figures as David Walker, Henry Highland Garnet, and Frederick Douglass. He then considers in detail the lives and careers of W. E. B. DuBois and Paul Robeson in this century, describing their ambition that blacks in American society, while struggling to end racism, take on roles that truly reflected their African heritage. These concepts of black liberation, Stuckey suggests, are far more relevant to the intrinsic values of black people than integrationist thought on race relations. But in a final revelation he concludes that, with the exception of Paul Robeson, the ironic tendency of black nationalists has been to underestimate the depths of African culture in black Americans and the sophistication of the slave community they arose from.

the middle passage tom feelings: *This Is the Night Our House Will Catch Fire: A Memoir* Nick Flynn, 2020-08-25 A searing memoir on how childhood spills into parenthood from the critically acclaimed author of *Another Bullshit Night in Suck City*. When Nick Flynn was seven years old, his mother set fire to their house. The event loomed large in his imagination for years, but it's only after having a child of his own that he understands why. He returns with his young daughter to

the landscape of his youth, reflecting on how his feral childhood has him still in its reins, and forms his memories into lyrical bedtime stories populated by the both sinister and wounded Mister Mann. With the spare lyricism and dark irony of his classic, *Another Bullshit Night in Suck City*, Flynn excavates the terrain of his traumatic upbringing and his mother's suicide. *This Is the Night Our House Will Catch Fire* unravels the story of the fire that Flynn had to escape, and the ways in which, as an adult, he has carried that fire with him until it threatens to burn down his own house. Here Nick confronts his failings with fierce candor, even as they threaten to tear his family apart. His marriage in crisis, Flynn seeks answers from his therapist, who tells him he has "the ethics of a drowning man." *This Is the Night Our House Will Catch Fire* takes us on the journey of a man struggling to hold himself together in prose that is raw and moving, sharp-edged and wry. Alternating literary analysis and philosophy with intimate memoir, Flynn probes his deepest ethical dilemmas.

Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

the middle passage tom feelings: *We Are Not Here to Be Bystanders* Linda Sarsour, 2020-03-03 Linda Sarsour, co-organizer of the Women's March, shares an "unforgettable memoir" (Booklist) about how growing up Palestinian Muslim American, feminist, and empowered moved her to become a globally recognized activist on behalf of marginalized communities across the country. On a chilly spring morning in Brooklyn, nineteen-year-old Linda Sarsour stared at her reflection, dressed in a hijab for the first time. She saw in the mirror the woman she was growing to be—a young Muslim American woman unapologetic in her faith and her activism, who would discover her innate sense of justice in the aftermath of 9/11. Now heralded for her award-winning leadership of the Women's March on Washington, Sarsour offers a "moving memoir [that] is a testament to the power of love in action" (Michelle Alexander, author of *The New Jim Crow*). From the Brooklyn bodega her father owned, where Linda learned the real meaning of intersectionality, to protests in the streets of Washington, DC, Linda's experience as a daughter of Palestinian immigrants is a moving portrayal of what it means to find one's voice and use it for the good of others. We follow Linda as she learns the tenets of successful community organizing, and through decades of fighting for racial, economic, gender, and social justice, as she becomes one of the most recognized activists in the nation. We also see her honoring her grandmother's dying wish, protecting her children, building resilient friendships, and mentoring others even as she loses her first mentor in a tragic accident. Throughout, she inspires you to take action as she reaffirms that we are not here to be bystanders. In this "book that speaks to our times" (*The Washington Post*), Harry Belafonte writes of Linda in the foreword, "While we may not have made it to the Promised Land, my peers and I, my brothers and sisters in liberation can rest easy that the future is in the hands of leaders like Linda Sarsour. I have often said to Linda that she embodies the principle and purpose of another great Muslim leader, brother Malcolm X." This is her story.

Dragging Wyatt Earp essayist Robert Rebein explores what it means to grow up in, leave, and ultimately return to the iconic Western town of Dodge City, Kansas. In chapters ranging from memoir to reportage to revisionist history, Rebein contrasts his hometown's Old West heritage with a New West reality that includes salvage yards, beefpacking plants, and bored teenagers cruising up and down Wyatt Earp Boulevard. Along the way, Rebein covers a vast expanse of place and time and revisits a number of Western myths, including those surrounding Francisco Vasquez de Coronado, the Cheyenne chief Black Kettle, George Armstrong Custer, and of course Wyatt Earp himself. Rebein rides a bronc in a rodeo, spends a day as a pen rider at a local feedlot, and attempts to "buck the tiger" at Dodge City's new Boot Hill Casino and Resort. Funny and incisive, *Dragging Wyatt Earp* is an exciting new entry in what is sometimes called the nonfiction of place. It is a must-read for anyone interested in Western history, contemporary memoir, or the collision of Old and New West on the High Plains of Kansas.

the middle passage tom feelings: *These Precious Days* Ann Patchett, 2021-11-23 The beloved New York Times bestselling author reflects on home, family, friendships and writing in this deeply personal collection of essays. The elegance of Patchett's prose is seductive and inviting: with Patchett as a guide, readers will really get to grips with the power of struggles, failures, and triumphs alike. —Publisher's Weekly "Any story that starts will also end." As a writer, Ann Patchett knows what the outcome of her fiction will be. Life, however, often takes turns we do not see coming. Patchett ponders this truth in these wise essays that afford a fresh and intimate look into her mind and heart. At the center of *These Precious Days* is the title essay, a surprising and moving meditation on an unexpected friendship that explores "what it means to be seen, to find someone with whom you can be your best and most complete self." When Patchett chose an early galley of actor and producer Tom Hanks' short story collection to read one night before bed, she had no idea that this single choice would be life changing. It would introduce her to a remarkable woman—Tom's brilliant assistant Sooki—with whom she would form a profound bond that held monumental consequences for them both. A literary alchemist, Patchett plumbs the depths of her experiences to create gold: engaging and moving pieces that are both self-portrait and landscape, each vibrant with emotion and rich in insight. Turning her writer's eye on her own experiences, she transforms the private into the universal, providing us all a way to look at our own worlds anew, and reminds how fleeting and enigmatic life can be. From the enchantments of Kate DiCamillo's children's books (author of *The Beatryce Prophecy*) to youthful memories of Paris; the cherished life gifts given by her three fathers to the unexpected influence of Charles Schultz's Snoopy; the expansive vision of Eudora Welty to the importance of knitting, Patchett connects life and art as she illuminates what matters most. Infused with the author's grace, wit, and warmth, the pieces in *These Precious Days* resonate deep in the soul, leaving an indelible mark—and demonstrate why Ann Patchett is one of the most celebrated writers of our time.

the middle passage tom feelings: *Jambo Means Hello* Muriel L. Feelings, 2011-05 This book introduces the reader to words in Swahili, the language spoken across more of Africa than any other language. Author Muriel Feelings states in her introduction: "There is a Swahili proverb that says: 'Haba na haba hujaza kibabaz': Little by little fills the measure. It is hoped that through this

introduction to Swahili, children of African ancestry will seek to learn more little by little, through available books, people, and travel. In fact, children of any ancestry will also enjoy learning the Swahili words presented here. Tom Feelings' sepia-toned illustrations of life in Africa are subtle yet luminous. Includes a map of the continent of Africa, showing countries where Swahili is spoken. A lyrical song of Swahili life. Superbly beautiful. A Caldecott Honor Book.
