

The Good Soldiers David Finkel Summary

the good soldiers david finkel summary: The Good Soldiers David Finkel, 2009-09-15 The Prequel to the Bestselling Thank You for Your Service, Now a Major Motion Picture With The Good Soldiers, Pulitzer Prize-winning reporter David Finkel has produced an eternal story — not just of the Iraq War, but of all wars, for all time. It was the last-chance moment of the war. In January 2007, President George W. Bush announced a new strategy for Iraq. It became known as the surge. Among those called to carry it out were the young, optimistic army infantry soldiers of the 2-16, the battalion nicknamed the Rangers. About to head to a vicious area of Baghdad, they decided the difference would be them. Fifteen months later, the soldiers returned home — forever changed. The chronicle of their tour is gripping, devastating, and deeply illuminating for anyone with an interest in human conflict.

the good soldiers david finkel summary: Thank You For Your Service David Finkel, 2013-09-30 No journalist is better situated to reckon with the psychology of war than David Finkel. In The Good Soldiers, his bestselling account from the front lines of Baghdad, Finkel shadowed the men of a US infantry battalion as they carried out a gruelling 15-month tour that changed all of them forever. Now, Finkel follows many of those same men back home, in a journey that is less about geography than of psychological terrain, undertaken by people trying to heal or at the very least survive. In Thank You for Your Service, Finkel writes with tremendous compassion about the soldiers, and about their partners and children: the heartbroken wife who wonders privately whether her returned husband is going to get better, or kill her; and the heroic victims, with the fresh taste of a gun in their mouths, who will either make the journey back to sanity or to final ruin. Finkel takes us everywhere that the war is seeping into as it infects America: to the courtrooms that are being filled with divorce and abuse cases, and worse; to bars; and to Fort Riley, in the mental-health clinic to which the army is outsourcing its post-traumatic stress disorder cases. Thank You for Your Service is an immense act of understanding — shocking but always riveting, unflinching but deeply humane.

the good soldiers david finkel summary: Cracker! Cynthia Kadohata, 2008-06-20 CRACKER IS ONE OF THE UNITED STATES ARMY'S MOST VALUABLE WEAPONS: a German shepherd trained to sniff out bombs, traps, and the enemy. The fate of entire platoons rests on her keen sense of smell. She's a Big Deal, and she likes it that way. Sometimes Cracker remembers when she was younger, and her previous owner would feed her hot dogs and let her sleep in his bed. That was nice, too. Rick Hanski is headed to Vietnam. There, he's going to whip the world and prove to his family and his sergeant -- and everyone else who didn't think he was cut out for war -- wrong. But sometimes Rick can't help but wonder that maybe everyone else is right. Maybe he should have just stayed at home and worked in his dad's hardware store. When Cracker is paired with Rick, she isn't so sure about this new owner. He's going to have to prove himself to her before she's going to prove herself to him. They need to be friends before they can be a team, and they have to be a team if they want to get home alive. Told in part through the uncanny point of view of a German shepherd, Cracker! is an action-packed glimpse into the Vietnam War as seen through the eyes of a dog and her handler. It's an utterly unique powerhouse of a book by the Newbery Medal-winning author of Kira-Kira.

the good soldiers david finkel summary: They Fought for Each Other Kelly Kennedy, 2010-03-02 They Fought for Each Other presents a searing chronicle of the soldiers of Battalion 1-26 who confronted the worst neighborhood in Baghdad and lost more men than any battalion since the Vietnam War. Based on Blood Brothers, the award-nominated series that ran in Army Times, this is the remarkable story of a courageous military unit that sacrificed their lives to change Adhamiya, Iraq from a lawless town where insurgents roamed freely, to a safe and secure neighborhood. Army

Times writer Kelly Kennedy was embedded with Charlie Company in 2007, went on patrol with the soldiers and spent hours in combat support hospitals, leading to this riveting chronicle of an Army battalion that lost 31 soldiers in Iraq. During that period, one soldier threw himself on a grenade to save his friends, a well-liked first sergeant shot himself to death in front of his troops, and a platoon staged a mutiny. The men of Charlie 1-26 would earn at least 95 combat awards, including one soldier who would go home with three Purple Hearts and a lost dream. This is a timeless story of men at war and a heartbreaking account of American sacrifice in Iraq.

the good soldiers david finkel summary: *The Fighters* C. J. Chivers, 2019-05-21 The harrowing account of US soldiers caught in America's forever wars in Iraq and Afghanistan that The New York Times calls "relentless...a classic of war reporting," by Pulitzer Prize winner and former Marine C.J. Chivers. More than 2.7 million Americans have served in Afghanistan or Iraq since September 11, 2001, and C.J. Chivers reported on both wars from their beginnings. *The Fighters* vividly conveys the physical and emotional experience of war as lived by six combatants: a fighter pilot, a corpsman, a scout helicopter pilot, a grunt, an infantry officer, and a Special Forces sergeant. Chivers captures their courage, commitment, sense of purpose, and ultimately their suffering, frustration, and moral confusion as new enemies arise and invasions give way to counterinsurgency duties for which American forces were often not prepared. *The Fighters* is a "gripping, unforgettable" (The Boston Globe) portrait of modern warfare. Told with the empathy and understanding of an author who is himself an infantry veteran, *The Fighters* is "a masterful work of atmospheric reporting, and it's a book that will have every reader asking—with varying degrees of urgency or anger or despair—the final question Chivers himself asks: 'How many lives had these wars wrecked?'" (Christian Science Monitor).

the good soldiers david finkel summary: *Black Hearts* Jim Frederick, 2010-02-09 "Riveting. . . a testament to a misconceived war, and to the ease with which ordinary men, under certain conditions, can transform into monsters."—New York Times Book Review This is the story of a small group of soldiers from the 101st Airborne Division's fabled 502nd Infantry Regiment—a unit known as "the Black Heart Brigade." Deployed in late 2005 to Iraq's so-called Triangle of Death, a veritable meat grinder just south of Baghdad, the Black Hearts found themselves in arguably the country's most dangerous location at its most dangerous time. Hit by near-daily mortars, gunfire, and roadside bomb attacks, suffering from a particularly heavy death toll, and enduring a chronic breakdown in leadership, members of one Black Heart platoon—1st Platoon, Bravo Company, 1st Battalion—descended, over their year-long tour of duty, into a tailspin of poor discipline, substance abuse, and brutality. Four 1st Platoon soldiers would perpetrate one of the most heinous war crimes U.S. forces have committed during the Iraq War—the rape of a fourteen-year-old Iraqi girl and the cold-blooded execution of her and her family. Three other 1st Platoon soldiers would be overrun at a remote outpost—one killed immediately and two taken from the scene, their mutilated corpses found days later booby-trapped with explosives. *Black Hearts* is an unflinching account of the epic, tragic deployment of 1st Platoon. Drawing on hundreds of hours of in-depth interviews with Black Heart soldiers and first-hand reporting from the Triangle of Death, *Black Hearts* is a timeless story about men in combat and the fragility of character in the savage crucible of warfare. But it is also a timely warning of new dangers emerging in the way American soldiers are led on the battlefields of the twenty-first century.

the good soldiers david finkel summary: *Outlaw Platoon* Sean Parnell, John Bruning, 2012-02-28 A riveting story of American fighting men, *Outlaw Platoon* is Lieutenant Sean Parnell's stunning personal account of the legendary U.S. Army's 10th Mountain Division's heroic stand in the mountains of Afghanistan. Acclaimed for its vivid, poignant, and honest recreation of sixteen brutal months of nearly continuous battle in the deadly Hindu Kush, *Outlaw Platoon* is a Band of Brothers or *We Were Soldiers Once and Young* for the early 21st century—an action-packed, highly emotional true story of enormous sacrifice and bravery. A magnificent account of heroes, renegades, infidels, and brothers, it stands with Sebastian Junger's *War* as one of the most important books to yet emerge from the heat, smoke, and fire of America's War in Afghanistan.

the good soldiers david finkel summary: *Tombstone* Tom Clavin, 2020-04-21 THE INSTANT NATIONAL BESTSELLER *Tombstone* is written in a distinctly American voice. —T.J. Stiles, The New York Times “With a former newsman’s nose for the truth, Clavin has sifted the facts, myths, and lies to produce what might be as accurate an account as we will ever get of the old West’s most famous feud.” —Associated Press The true story of the Earp brothers, Doc Holliday, and the famous Battle at the OK Corral, by the New York Times bestselling author of *Dodge City* and *Wild Bill*. On the afternoon of October 26, 1881, eight men clashed in what would be known as the most famous shootout in American frontier history. Thirty bullets were exchanged in thirty seconds, killing three men and wounding three others. The fight sprang forth from a tense, hot summer. Cattle rustlers had been terrorizing the back country of Mexico and selling the livestock they stole to corrupt ranchers. The Mexican government built forts along the border to try to thwart American outlaws, while Arizona citizens became increasingly agitated. Rustlers, who became known as the cow-boys, began to kill each other as well as innocent citizens. That October, tensions boiled over with Ike and Billy Clanton, Tom and Frank McLaury, and Billy Claiborne confronting the Tombstone marshal, Virgil Earp, and the suddenly deputized Wyatt and Morgan Earp and shotgun-toting Doc Holliday. Bestselling author Tom Clavin peers behind decades of legend surrounding the story of Tombstone to reveal the true story of the drama and violence that made it famous. Tombstone also digs deep into the vendetta ride that followed the tragic gunfight, when Wyatt and Warren Earp and Holliday went vigilante to track down the likes of Johnny Ringo, Curly Bill Brocius, and other cowboys who had cowardly gunned down his brothers. That vendetta ride would make the myth of Wyatt Earp complete and punctuate the struggle for power in the American frontier's last boom town.

the good soldiers david finkel summary: The Sense of an Ending Julian Barnes, 2011-10-05 BOOKER PRIZE WINNER • NATIONAL BESTSELLER • A novel that follows a middle-aged man as he contends with a past he never much thought about—until his closest childhood friends return with a vengeance: one of them from the grave, another maddeningly present. A novel so compelling that it begs to be read in a single sitting, *The Sense of an Ending* has the psychological and emotional depth and sophistication of Henry James at his best, and is a stunning achievement in Julian Barnes's oeuvre. Tony Webster thought he left his past behind as he built a life for himself, and his career has provided him with a secure retirement and an amicable relationship with his ex-wife and daughter, who now has a family of her own. But when he is presented with a mysterious legacy, he is forced to revise his estimation of his own nature and place in the world.

the good soldiers david finkel summary: To Be a Friend Is Fatal Kirk W. Johnson, 2013-09-03 The “searing” (The New Yorker), “must read” (The Philadelphia Inquirer) memoir of “one of the few genuine heroes of America’s war in Iraq” (Dexter Filkins). In January 2005 Kirk Johnson, then twenty-four, arrived in Baghdad as USAID’s (US Agency for International Development) only Arabic-speaking American employee. Despite his opposition to the war, Johnson felt called to civic duty and wanted to help rebuild Iraq. Working as the USAID’s first reconstruction coordinator in Fallujah, he traversed the city’s IED-strewn streets, working alongside idealistic Iraqi translators—young men and women sick of Saddam, filled with Hollywood slang, and enchanted by the idea of a peaceful, democratic Iraq. It was not to be. As sectarian violence escalated, Iraqis employed by the US coalition found themselves subject to a campaign of kidnapping, torture, and assassination. On his first brief vacation, Johnson, swept into what doctors later described as a “fugue state,” crawled onto the ledge outside his hotel window and plunged off. He would spend the next year in an abyss of depression, surgery, and PTSD—crushed by having failed in Iraq. One day, Johnson received an email from an Iraqi friend, Yaghdan: People are trying to kill me and I need your help. That email launched Johnson’s now seven-year mission to get help from the US government for Yaghdan and thousands of abandoned Iraqis like him. *To Be a Friend Is Fatal* is Kirk W. Johnson’s “truly incredible” (Ira Glass) portrait of the human rubble of war and his efforts to redeem a shameful chapter of American history. “It is difficult to imagine a book more urgent than this” (The Boston Globe).

the good soldiers david finkel summary: They Will Have to Die Now: Mosul and the Fall of the Caliphate James Verini, 2019-09-17 A Foreign Affairs Best Book of 2019 "It's a small miracle that a writer as good as James Verini witnessed the battle of Mosul.... It will take its place among the very best war writing of the past two decades." —George Packer James Verini arrived in Iraq in the summer of 2016 to write about life in the Islamic State. He stayed to cover the jihadists' last great stand, the Battle of Mosul, not knowing it would go on for nearly a year. This "urgent, scalding, hallucinatory work of war reportage" (Patrick Radden Keefe) takes the reader into the conflict against the most lethal insurgency of our time.

the good soldiers david finkel summary: Making War at Fort Hood Kenneth T. MacLeish, 2015-03-01 An intimate look at war through the lives of soldiers and their families at Fort Hood Making War at Fort Hood offers an illuminating look at war through the daily lives of the people whose job it is to produce it. Kenneth MacLeish conducted a year of intensive fieldwork among soldiers and their families at and around the US Army's Fort Hood in central Texas. He shows how war's reach extends far beyond the battlefield into military communities where violence is as routine, boring, and normal as it is shocking and traumatic. Fort Hood is one of the largest military installations in the world, and many of the 55,000 personnel based there have served multiple tours in Iraq and Afghanistan. MacLeish provides intimate portraits of Fort Hood's soldiers and those closest to them, drawing on numerous in-depth interviews and diverse ethnographic material. He explores the exceptional position that soldiers occupy in relation to violence—not only trained to fight and kill, but placed deliberately in harm's way and offered up to die. The death and destruction of war happen to soldiers on purpose. MacLeish interweaves gripping narrative with critical theory and anthropological analysis to vividly describe this unique condition of vulnerability. Along the way, he sheds new light on the dynamics of military family life, stereotypes of veterans, what it means for civilians to say thank you to soldiers, and other questions about the sometimes ordinary, sometimes agonizing labor of making war. Making War at Fort Hood is the first ethnography to examine the everyday lives of the soldiers, families, and communities who personally bear the burden of America's most recent wars.

the good soldiers david finkel summary: The Prisoner in His Palace Will Bardenwerper, 2017-06-06 In the tradition of In Cold Blood and The Executioner's Song, this haunting, insightful, and surprisingly intimate portrait of Saddam Hussein provides "a brief, but powerful, meditation on the meaning of evil and power" (USA TODAY). The "captivating" (Military Times) The Prisoner in His Palace invites us to take a journey with twelve young American soldiers in the summer of 2006. Shortly after being deployed to Iraq, they learn their assignment: guarding Saddam Hussein in the months before his execution. Living alongside, and caring for, their "high value detainee and regularly transporting him to his raucous trial, many of the men begin questioning some of their most basic assumptions—about the judicial process, Saddam's character, and the morality of modern war. Although the young soldiers' increasingly intimate conversations with the once-feared dictator never lead them to doubt his responsibility for unspeakable crimes, the men do discover surprising new layers to his psyche that run counter to the media's portrayal of him. Woven from firsthand accounts provided by many of the American guards, government officials, interrogators, scholars, spies, lawyers, family members, and victims, The Prisoner in His Palace shows two Saddams coexisting in one person: the defiant tyrant who uses torture and murder as tools, and a shrewd but contemplative prisoner who exhibits surprising affection, dignity, and courage in the face of looming death. In this thought-provoking narrative, Saddam, known as the "man without a conscience," gets many of those around him to examine theirs. "A singular study exhibiting both military duty and human compassion" (Kirkus Reviews), The Prisoner in His Palace grants us "a behind-the-scenes look at history that's nearly impossible to put down...a mesmerizing glimpse into the final moments of a brutal tyrant's life" (BookPage).

the good soldiers david finkel summary: War Sebastian Junger, 2010-05-27 From the author of The Perfect Storm, a gripping book about Sebastian Junger's almost-fatal year with the 2nd battalion of the American Army.

the good soldiers david finkel summary: *Soldier Girls* Helen Thorpe, 2014-08-05 "A raw, intimate look at the impact of combat and the healing power of friendship" (People): the lives of three women deployed to Afghanistan and Iraq, and the effect of their military service on their personal lives and families—named a best book of the year by Publishers Weekly. "In the tradition of Adrian Nicole LeBlanc, Richard Rhodes, and other masters of literary journalism, *Soldier Girls* is utterly absorbing, gorgeously written, and unforgettable" (The Boston Globe). Helen Thorpe follows the lives of three women over twelve years on their paths to the military, overseas to combat, and back home...and then overseas again for two of them. These women, who are quite different in every way, become friends, and we watch their interaction and also what happens when they are separated. We see their families, their lovers, their spouses, their children. We see them work extremely hard, deal with the attentions of men on base and in war zones, and struggle to stay connected to their families back home. We see some of them drink too much, have affairs, and react to the deaths of fellow soldiers. And we see what happens to one of them when the truck she is driving hits an explosive in the road, blowing it up. She survives, but her life may never be the same again. Deeply reported, beautifully written, and powerfully moving, *Soldier Girls* is "a breakthrough work...What Thorpe accomplishes in *Soldier Girls* is something far greater than describing the experience of women in the military. The book is a solid chunk of American history...Thorpe triumphs" (The New York Times Book Review).

the good soldiers david finkel summary: *The Odyssey of Echo Company* Doug Stanton, 2017-09-19 A portrait of the American recon platoon of the 101st Airborne Division describes their sixty-day fight for survival during the 1968 Tet Offensive, tracing their postwar difficulties with acclimating into a peacetime America that did not want to hear their story.

the good soldiers david finkel summary: *Dust to Dust* Benjamin Busch, 2012-03-20 "A wonderful book, original in concept and stunningly written." —Ward Just "Elegiac, funny, wistful, deep, and wonderfully human, *Dust to Dust* moved me to laughter and tears, sometimes simultaneously." —Karl Marlantes, bestselling author of *Matterhorn* and *What It Is Like to Go to War* Tim O'Brien meets Annie Dillard in this remarkable memoir by debut author Benjamin Busch. Much more than a war memoir, *Dust to Dust* brilliantly explores the passage through a lifetime—a moving meditation on life and death, the adventures of childhood and revelations of adulthood. Seemingly ordinary things take on a breathtaking radiance when examined by this decorated Marine officer—veteran of two combat tours in Iraq—actor on the hit HBO series *The Wire*, and son of acclaimed novelist Frederick Busch. Above all, Benjamin Busch is a truly extraordinary new literary talent as evidenced by his exemplary debut, *Dust to Dust*—an original, emotionally powerful, and surprisingly refreshing take on an American soldier's story.

the good soldiers david finkel summary: *The Hospital* Brian Alexander, 2022-03-08 An intimate, heart wrenching portrait of one small hospital that reveals the magnitude of America's health care crises. By following the struggle for survival of one small-town hospital, and the patients who walk, or are carried, through its doors, *The Hospital* takes readers into the world of the American medical industry in a way no book has done before.--Publisher's description.

the good soldiers david finkel summary: *The Tender Soldier* Vanessa M. Gezari, 2013-08-13 Part of the Pentagon's most daring and controversial attempt since Vietnam to bring social science to the Afghanistan battlefield, three tough-minded American civilians find their humanity tested and their lives forever changed by this little-known mission.

the good soldiers david finkel summary: *Summary and Analysis of Thank You for Your Service* Worth Books, 2017-04-04 So much to read, so little time? This brief overview of *Thank You for Your Service* tells you what you need to know—before or after you read David Finkel's book. Crafted and edited with care, Worth Books set the standard for quality and give you the tools you need to be a well-informed reader. This short summary and analysis of *Thank You for Your Service* includes: Historical context Chapter-by-chapter overviews Profiles of the main characters Important quotes Fascinating trivia Glossary of terms Supporting material to enhance your understanding of the original work About *Thank You for Your Service* by David Finkel: Pulitzer Prize-winning author

David Finkel's *Thank You for Your Service* is an intimate and powerful account of the lives of Iraq veterans after they return home. Having depicted life on the front lines in Baghdad in his first book, Finkel follows the struggle of the same soldiers' return to civilian life. He exposes the hidden costs of war: the reality of living with post-traumatic stress disorder, the physical wounds and financial struggles of military personnel, and the spiraling suicide rate amongst veterans. Soldiers are plagued by nightmares, memory loss, violent impulses, and guilt over their dead comrades. Spouses and children are bewildered by the return of their loved ones, whose personalities have changed beyond all recognition. Finkel humanizes the aftermath of military life and makes a strong case for increased investment in veteran mental healthcare. *Thank You for Your Service* has received great critical acclaim and was among the *New York Times*, the *Washington Post*, and the *Economist's* top 10 Books of the Year in 2013. The summary and analysis in this ebook are intended to complement your reading experience and bring you closer to a great work of nonfiction.

the good soldiers david finkel summary: *The Ostler* Wilkie Collins, 2020 'The Ostler was originally published in 1855 as a short story, which later became the foundation for the much longer story 'The Dream Woman.' It is one of Wilkie Collins' first supernatural stories, revolving around the forty-year-old Isaac Scatchard, who has a very strange dream of a young woman – or wasn't it a dream, but a ghost? Seven years later he even gets more lost when he encounters a woman who looks very much like his strange dream creature

the good soldiers david finkel summary: *Shiloh and Other Stories* Bobbie Ann Mason, 2011-09-14 These stories will last, said Raymond Carver of *Shiloh and Other Stories* when it was first published, and almost two decades later this stunning fiction debut and winner of the PEN/Hemingway Award has become a modern American classic. In *Shiloh*, Bobbie Ann Mason introduces us to her western Kentucky people and the lives they forge for themselves amid the ups and downs of contemporary American life, and she poignantly captures the growing pains of the New South in the lives of her characters as they come to terms with feminism, R-rated movies, and video games. Bobbie Ann Mason is one of those rare writers who, by concentrating their attention on a few square miles of native turf, are able to open up new and surprisingly wide worlds for the delighted reader, said Robert Towers in *The New York Review of Books*.

the good soldiers david finkel summary: *The Plateau* Maggie Paxson, 2019-08-13 Winner of the American Library in Paris Book Award Named a Best Book of 2019 by BookPage During World War II, French villagers offered safe harbor to countless strangers—mostly children—as they fled for their lives. The same place offers refuge to migrants today. Why? In a remote pocket of Nazi-held France, ordinary people risked their lives to rescue many hundreds of strangers, mostly Jewish children. Was this a fluke of history, or something more? Anthropologist Maggie Paxson, certainties shaken by years of studying strife, arrives on the Plateau to explore this phenomenon: What are the traits that make a group choose selflessness? In this beautiful, wind-blown place, Paxson discovers a tradition of offering refuge that dates back centuries. But it is the story of a distant relative that provides the beacon for which she has been searching. Restless and idealistic, Daniel Trocmé had found a life of meaning and purpose—or it found him—sheltering a group of children on the Plateau, until the Holocaust came for him, too. Paxson's journey into past and present turns up new answers, new questions, and a renewed faith in the possibilities for us all, in an age when global conflict has set millions adrift. Riveting, multilayered, and intensely personal, *The Plateau* is a deeply inspiring journey into the central conundrum of our time.

the good soldiers david finkel summary: *New from Here* Kelly Yang, 2022-03-01 An instant #1 *New York Times* bestseller! This “timely and compelling” (Kirkus Reviews) middle grade novel about courage, hope, and resilience follows an Asian American boy fighting to keep his family together and stand up to racism during the initial outbreak of the coronavirus. When the coronavirus hits Hong Kong, ten-year-old Knox Wei-Evans's mom makes the last-minute decision to move him and his siblings back to California, where they think they will be safe. Suddenly, Knox has two days to prepare for an international move—and for leaving his dad, who has to stay for work. At his new school in California, Knox struggles with being the new kid. His classmates think that because he's

from Asia, he must have brought over the virus. At home, Mom just got fired and is panicking over the loss of health insurance, and Dad doesn't even know when he'll see them again, since the flights have been cancelled. And everyone struggles with Knox's blurting-things-out problem. As racism skyrockets during COVID-19, Knox tries to stand up to hate, while finding his place in his new country. Can you belong if you're feared; can you protect if you're new? And how do you keep a family together when you're oceans apart? Sometimes when the world is spinning out of control, the best way to get through it is to embrace our own lovable uniqueness.

the good soldiers david finkel summary: The Quick Fix Jesse Singal, 2021 How popular psychology fails to solve problems facing society and draws attention and resources away from more effective structural fixes--

the good soldiers david finkel summary: The Wartime Sisters Lynda Cohen Loigman, 2019-01-22 For fans of Lilac Girls, the next powerful novel from the author of Goodreads Choice Awards semifinalist The Two-Family House about two sisters working in a WWII armory, each with a deep secret. Loigman's strong voice and artful prose earn her a place in the company of Alice Hoffman and Anita Diamant, whose readers should flock to this wondrous new book. —Pam Jenoff, New York Times bestselling author of The Orphan's Tale The Wartime Sisters shows the strength of women on the home front: to endure, to fight, and to help each other survive." —Jenna Blum, New York Times and international bestselling author of The Lost Family and Those Who Save Us Two estranged sisters, raised in Brooklyn and each burdened with her own shocking secret, are reunited at the Springfield Armory in the early days of WWII. While one sister lives in relative ease on the bucolic Armory campus as an officer's wife, the other arrives as a war widow and takes a position in the Armory factories as a "soldier of production." Resentment festers between the two, and secrets are shattered when a mysterious figure from the past reemerges in their lives. One of my favorite books of the year. —Fiona Davis, national bestselling author of The Dollhouse and The Masterpiece A stirring tale of loyalty, betrayal, and the consequences of long-buried secrets." —Kristina McMorris, New York Times bestselling author of The Edge of Lost and Sold on a Monday

the good soldiers david finkel summary: Homeric Durability Lorenzo F. Garcia (Jr.), 2013 Homeric Durability investigates the concepts of time and decay in the Iliad. Through a framework informed by phenomenology and psychology, Lorenzo Garcia argues that, in moments of pain and sorrow, the Homeric gods are themselves defined by human temporal experience, and so the epic tradition cannot but imagine its own eventual disintegration.

the good soldiers david finkel summary: Lords of the Horizons Jason Goodwin, 2014-06-10 A work of dazzling beauty...the rare coming together of historical scholarship and curiosity about distant places with luminous writing. --The New York Times Book Review Since the Turks first shattered the glory of the French crusaders in 1396, the Ottoman Empire has exerted a long, strong pull on Western minds. For six hundred years, the Empire swelled and declined. Islamic, martial, civilized, and tolerant, in three centuries it advanced from the dusty foothills of Anatolia to rule on the Danube and the Nile; at the Empire's height, Indian rajahs and the kings of France beseeched its aid. For the next three hundred years the Empire seemed ready to collapse, a prodigy of survival and decay. Early in the twentieth century it fell. In this dazzling evocation of its power, Jason Goodwin explores how the Ottomans rose and how, against all odds, they lingered on. In the process he unfolds a sequence of mysteries, triumphs, treasures, and terrors unknown to most American readers. This was a place where pillows spoke and birds were fed in the snow; where time itself unfolded at a different rate and clocks were banned; where sounds were different, and even the hyacinths too strong to sniff. Dramatic and passionate, comic and gruesome, Lords of the Horizons is a history, a travel book, and a vision of a lost world all in one.

the good soldiers david finkel summary: Thunderstruck Erik Larson, 2006-10-24 A true story of love, murder, and the end of the world's "great hush." In Thunderstruck, Erik Larson tells the interwoven stories of two men—Hawley Crippen, a very unlikely murderer, and Guglielmo Marconi, the obsessive creator of a seemingly supernatural means of communication—whose lives intersect during one of the greatest criminal chases of all time. Set in Edwardian London and on the stormy

coasts of Cornwall, Cape Cod, and Nova Scotia, *Thunderstruck* evokes the dynamism of those years when great shipping companies competed to build the biggest, fastest ocean liners; scientific advances dazzled the public with visions of a world transformed; and the rich outdid one another with ostentatious displays of wealth. Against this background, Marconi races against incredible odds and relentless skepticism to perfect his invention: the wireless, a prime catalyst for the emergence of the world we know today. Meanwhile, Crippen, "the kindest of men," nearly commits the perfect murder. With his unparalleled narrative skills, Erik Larson guides us through a relentlessly suspenseful chase over the waters of the North Atlantic. Along the way, he tells of a sad and tragic love affair that was described on the front pages of newspapers around the world, a chief inspector who found himself strangely sympathetic to the killer and his lover, and a driven and compelling inventor who transformed the way we communicate.

the good soldiers david finkel summary: Priceless Robert K. Wittman, John Shiffman, 2011-06-07 The Wall Street Journal called him "a living legend." The London Times dubbed him "the most famous art detective in the world." In *Priceless*, Robert K. Wittman, the founder of the FBI's Art Crime Team, pulls back the curtain on his remarkable career for the first time, offering a real-life international thriller to rival *The Thomas Crown Affair*. Rising from humble roots as the son of an antique dealer, Wittman built a twenty-year career that was nothing short of extraordinary. He went undercover, usually unarmed, to catch art thieves, scammers, and black market traders in Paris and Philadelphia, Rio and Santa Fe, Miami and Madrid. In this page-turning memoir, Wittman fascinates with the stories behind his recoveries of priceless art and antiquities: The golden armor of an ancient Peruvian warrior king. The Rodin sculpture that inspired the Impressionist movement. The headdress Geronimo wore at his final Pow-Wow. The rare Civil War battle flag carried into battle by one of the nation's first African-American regiments. The breadth of Wittman's exploits is unmatched: He traveled the world to rescue paintings by Rockwell and Rembrandt, Pissarro, Monet and Picasso, often working undercover overseas at the whim of foreign governments. Closer to home, he recovered an original copy of the Bill of Rights and cracked the scam that rocked the PBS series *Antiques Roadshow*. By the FBI's accounting, Wittman saved hundreds of millions of dollars worth of art and antiquities. He says the statistic isn't important. After all, who's to say what is worth more --a Rembrandt self-portrait or an American flag carried into battle? They're both priceless. The art thieves and scammers Wittman caught run the gamut from rich to poor, smart to foolish, organized criminals to desperate loners. The smuggler who brought him a looted 6th-century treasure turned out to be a high-ranking diplomat. The appraiser who stole countless heirlooms from war heroes' descendants was a slick, aristocratic con man. The museum janitor who made off with locks of George Washington's hair just wanted to make a few extra bucks, figuring no one would miss what he'd filched. In his final case, Wittman called on every bit of knowledge and experience in his arsenal to take on his greatest challenge: working undercover to track the vicious criminals behind what might be the most audacious art theft of all.

the good soldiers david finkel summary: Citizen 865 Debbie Cenziper, 2019-11-12
Investigative Reporters and Editors (IRE) Book Award Finalist The gripping story of a team of Nazi hunters at the U.S. Department of Justice as they raced against time to expose members of a brutal SS killing force who disappeared in America after World War Two. In 1990, in a drafty basement archive in Prague, two American historians made a startling discovery: a Nazi roster from 1945 that no Western investigator had ever seen. The long-forgotten document, containing more than 700 names, helped unravel the details behind the most lethal killing operation in World War Two. In the tiny Polish village of Trawniki, the SS set up a school for mass murder and then recruited a roving army of foot soldiers, 5,000 men strong, to help annihilate the Jewish population of occupied Poland. After the war, some of these men vanished, making their way to the U.S. and blending into communities across America. Though they participated in some of the most unspeakable crimes of the Holocaust, Trawniki Men spent years hiding in plain sight, their terrible secrets intact. In a story spanning seven decades, *Citizen 865* chronicles the harrowing wartime journeys of two Jewish orphans from occupied Poland who outran the men of Trawniki and settled in

the United States, only to learn that some of their one-time captors had followed. A tenacious team of prosecutors and historians pursued these men and, up against the forces of time and political opposition, battled to the present day to remove them from U.S. soil. Through insider accounts and research in four countries, this urgent and powerful narrative provides a front row seat to the dramatic turn of events that allowed a small group of American Nazi hunters to hold murderous men accountable for their crimes decades after the war's end.

the good soldiers david finkel summary: *Trust in Numbers* Theodore M. Porter, 2020-08-18 A foundational work on historical and social studies of quantification What accounts for the prestige of quantitative methods? The usual answer is that quantification is desirable in social investigation as a result of its successes in science. *Trust in Numbers* questions whether such success in the study of stars, molecules, or cells should be an attractive model for research on human societies, and examines why the natural sciences are highly quantitative in the first place. Theodore Porter argues that a better understanding of the attractions of quantification in business, government, and social research brings a fresh perspective to its role in psychology, physics, and medicine. Quantitative rigor is not inherent in science but arises from political and social pressures, and objectivity derives its impetus from cultural contexts. In a new preface, the author sheds light on the current infatuation with quantitative methods, particularly at the intersection of science and bureaucracy.

the good soldiers david finkel summary: *Twitter and Tear Gas* Zeynep Tufekci, 2017-05-16 A firsthand account and incisive analysis of modern protest, revealing internet-fueled social movements' greatest strengths and frequent challenges To understand a thwarted Turkish coup, an anti-Wall Street encampment, and a packed Tahrir Square, we must first comprehend the power and the weaknesses of using new technologies to mobilize large numbers of people. An incisive observer, writer, and participant in today's social movements, Zeynep Tufekci explains in this accessible and compelling book the nuanced trajectories of modern protests—how they form, how they operate differently from past protests, and why they have difficulty persisting in their long-term quests for change. Tufekci speaks from direct experience, combining on-the-ground interviews with insightful analysis. She describes how the internet helped the Zapatista uprisings in Mexico, the necessity of remote Twitter users to organize medical supplies during Arab Spring, the refusal to use bullhorns in the Occupy Movement that started in New York, and the empowering effect of tear gas in Istanbul's Gezi Park. These details from life inside social movements complete a moving investigation of authority, technology, and culture—and offer essential insights into the future of governance.

the good soldiers david finkel summary: *The Stranger in the Woods* Michael Finkel, 2018-01-30 NEW YORK TIMES BESTSELLER • The remarkable true story of a man who lived alone in the woods of Maine for 27 years, making this dream a reality—not out of anger at the world, but simply because he preferred to live on his own. “A meditation on solitude, wildness and survival.” —The Wall Street Journal In 1986, a shy and intelligent twenty-year-old named Christopher Knight left his home in Massachusetts, drove to Maine, and disappeared into the forest. He would not have a conversation with another human being until nearly three decades later, when he was arrested for stealing food. Living in a tent even through brutal winters, he had survived by his wits and courage, developing ingenious ways to store edibles and water, and to avoid freezing to death. He broke into nearby cottages for food, clothing, reading material, and other provisions, taking only what he needed but terrifying a community never able to solve the mysterious burglaries. Based on extensive interviews with Knight himself, this is a vividly detailed account of his secluded life—why did he leave? what did he learn?—as well as the challenges he has faced since returning to the world. It is a gripping story of survival that asks fundamental questions about solitude, community, and what makes a good life, and a deeply moving portrait of a man who was determined to live his own way, and succeeded.

the good soldiers david finkel summary: *Medical Support of the Army Air Forces in World War II* United States. Air Force Medical Service, Mae Mills Link, Hubert Anderson Coleman, 1955

the good soldiers david finkel summary: *The Content Analysis Guidebook* Kimberly A.

Neuendorf, 2017 Content analysis is a complex research methodology. This book provides an accessible text for upper level undergraduates and graduate students, comprising step-by-step instructions and practical advice.

the good soldiers david finkel summary: Close Quarters Larry Heinemann, 2010-03-31 From the moment his first novel was published, Larry Heinemann joined the ranks of the great chroniclers of the Vietnam conflict--Philip Caputo, Tim O'Brien, and Gustav Hasford. In the stripped-down, unsullied patois of an ordinary soldier, draftee Philip Dosier tells the story of his war. Straight from high school, too young to vote or buy himself a drink, he enters a world of mud and heat, blood and body counts, ambushes and firefights. It is here that he embarks on the brutal downward path to wisdom that awaits every soldier. In the tradition of *Naked and the Dead* and *The Thin Red Line*, *Close Quarters* is the harrowing story of how a decent kid from Chicago endures an extraordinary trial-- and returns profoundly altered to a world on the threshold of change.

the good soldiers david finkel summary: Paco's Story Larry Heinemann, 2010-05-05 Paco Sullivan is the only man in Alpha Company to survive a cataclysmic Viet Cong attack on Fire Base Harriette in Vietnam. Everyone else is annihilated. When a medic finally rescues Paco almost two days later, he is waiting to die, flies and maggots covering his burnt, shattered body. He winds up back in the US with his legs full of pins, daily rations of Librium and Valium, and no sense of what to do next. One evening, on the tail of a rainstorm, he limps off the bus and into the small town of Boone, determined to find a real job and a real bed--but no matter how hard he works, nothing muffles the anguish in his mind and body. Brilliantly and vividly written, *Paco's Story*--winner of a National Book Award--plunges you into the violence and casual cruelty of the Vietnam War, and the ghostly aftermath that often dealt the harshest blows.

the good soldiers david finkel summary: *How Insurgency Begins* Janet I. Lewis, 2020-09-03 Why do only some incipient rebel groups become viable challengers to governments? Only those that control local rumor networks survive.

the good soldiers david finkel summary: The Frontier of Patriotism Jeff Keshen, Adriana A. Davies, 2016 Canada's First National Internment Operations and the Search for Sanctuary in the Ukrainian Labour Farmer Temple Association -- Conscientious Objectors in Alberta in the First World War -- SECTION FOUR: Aftermath -- War, Public Health, and the 1918 Spanish Influenza Pandemic in Alberta -- Applying Modernity: Local Government and the 1919 Federal Housing Scheme in Alberta -- Soldier Settlement in Alberta, 1917-1931 -- First World War Centennial Commemoration in Alberta Museums -- APPENDIX -- CONTRIBUTORS -- INDEX -- Back Cover

The Good Soldiers David Finkel Summary Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Good Soldiers David Finkel Summary PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Good Soldiers David Finkel Summary PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Good Soldiers David Finkel Summary free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
