wild at heart by john eldridge: All Things New John Eldredge, 2017-09-26 New York Times bestselling author John Eldredge offers readers a breathtaking look into God's promise for a new heaven and a new earth. This revolutionary book about our future is based on the simple idea that, according to the Bible, heaven is not our eternal home--the New Earth is. As Jesus says in the gospel of Matthew, the next chapter of our story begins with the renewal of all things, by which he means the earth we love in all its beauty, our own selves, and the things that make for a rich life: music, art, food, laughter and all that we hold dear. Everything shall be renewed when the world is made new. More than anything else, how you envision your future shapes your current experience. If you knew that God was going to restore your life and everything you love any day; if you believed a great and glorious goodness was coming to you--not in a vague heaven but right here on this earth--you would have a hope to see you through anything, an anchor for your soul, an unbreakable spiritual lifeline, reaching past all appearances right to the very presence of God (Hebrews 6:19). Most Christians (most people for that matter) fail to look forward to their future because their view of heaven is vague, religious, and frankly boring. Hope begins when we understand that for the believer nothing is lost. Heaven is not a life in the clouds; it is not endless harp-strumming or worship-singing. Rather, the life we long for, the paradise Adam and Eve knew, is precisely the life that is coming to us. And that life is coming soon.

wild at heart by john eldridge: Wild at Heart Study Guide, Updated Edition John Eldredge, 2021-03-02 In this updated edition of the bestselling classic, author John Eldredge reminds men they need adventure in their lives . . . in their work, in their love, and their spiritual lives. He reveals how God designed men to be dangerous. Simply look at the dreams and desires written in the heart of every boy: to be a hero, to be a warrior, and to live a life of adventure and risk. Sadly, most men today have abandoned these dreams and desires—aided by a Christianity that feels like nothing more than pressure to be a nice guy. It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative six-session video study (DVD/digital video downloads sold separately), John Eldredge explains how God wants to heal these deep wounds from earlier years that take away a man's confidence and—in some cases—his masculinity. He shows that deep within the heart of every man is a longing for a battle to fight, an adventure to live, and a beauty to rescue—because that is how God created him. It is time for the church to reclaim these wounded warriors. It is time to give men permission to be what God designed them to be—dangerous, passionate, alive, and free! Sessions include: The Heart of a Man The Wound A Battle to Fight An Adventure to Live A Beauty to Rescue A Band of Brothers Designed for use with the Wild at Heart Updated Video Study available on DVD or streaming video, sold separately.

wild at heart by john eldridge: Moving Mountains John Eldredge, 2016-02-16 New York Times best-selling author of Wild at Heart John Eldredge offers readers a step-by-step guide to effective Christian prayer. How would it feel to enter into prayer with confidence and assurance—certain that God heard you and that your prayers would make a difference? It would likely feel amazing and unfamiliar. That's because often our prayers seem to be met with silence or don't appear to change anything. Either response can lead to disappointment or even despair in the face of our ongoing battles and unmet longings—especially when we don't know if we're doing something wrong or if some prayers just don't work. New York Times bestselling author John Eldredge confronts these issues directly in Moving Mountains by offering a hopeful approach to prayer that is effective, relational, and rarely experienced by most Christians. In a world filled with danger, adventure, and wonder, we have at our disposal prayers that can transform the events and issues that matter most to us and to God. Moving Mountains shows you how to experience the power of daily prayer, learn the major types of prayers—including those of intervention, consecration, warfare, and healing—and to discover the intimacy of the cry of the heart prayer, listening prayer, and praying Scripture. Things can be different, and you personally have a role to play with God in bringing about that change through prayer. It may sound too good to be true, but this is your invitation to engage in the kind of prayers that can move God's heart as well as the mountains before you. Moving Mountains is also available in Spanish, *Mueve montañas*. To dive deeper into the Moving Mountains message, the Moving Mountains study guide and video study are available now.

wild at heart by john eldridge: Killing Lions John Eldredge, Samuel Eldredge, 2014-09-16 The Challenge Before You Is a Bold One: To Accept the Wild, Daring Adventure of Becoming a Man We want to be self-sufficient. Find our own direction as we pursue our dreams. Know it all and never ask for help. Isn't this how most guys approach manhood? On our own, pretending we are doing better than we really are? But sooner or later the thrill of independence gets lost in the fog of isolation. It's time to take the pressure off. We were never meant to figure life out on our own. This book was born out of a series of weekly phone calls between Sam Eldredge, a young writer in his twenties, and his dad, best-selling author John Eldredge. Join the conversation as a father and son talk about pursuing beauty, dealing with money, getting married, chasing dreams, knowing something real with God, and how to find a life you can call your own. Killing Lions is more than fatherly advice. It is an invitation into a journey: either to be the son who receives fathering or the father who learns what must be spoken. Most important, these conversations speak to a searching generation: "You are not alone. Its not all up to you. You are going to find your way."

wild at heart by john eldridge: Beautiful Outlaw John Eldredge, 2011-10-12 Reading the Gospels without knowing the personality of Jesus is like watching television with the sound turned off. The result is a dry, two dimensional person doing strange, undecipherable things. In BEAUTIFUL OUTLAW, John Eldredge removes the religious varnish to help readers discover stunning new insights into the humanity of Jesus. He was accused of breaking the law, keeping bad company, heavy drinking. Of being the devil himself. He was so compelling and dangerous they had to kill him. But others loved him passionately. He had a sense of humor. His generosity was scandalous. His anger made enemies tremble. He'd say the most outrageous things. He was definitely not the Jesus of the stained glass. In the author's winsome, narrative approach, he breaks Jesus out of the typical stereotypes, just as he set masculinity free in his book, Wild at Heart. By uncovering the real Jesus, readers are welcomed into the rich emotional life of Christ. All of the remarkable qualities of Jesus burst like fireworks with color and brilliance because of his humanity. Eldredge goes on to show readers how they can experience this Jesus in their lives every day. This book will quicken readers' worship, and deepen their intimacy with Jesus.

wild at heart by john eldridge: The God Who Risks John Sanders, 2009-09-20 If God is all-knowing and all-powerful, can he in any way be vulnerable to his creation? Can God be in control of anything at all if he is not constantly in control of everything? John Sanders says yes to both of these questions. In The God Who Risks defends his answer with a careful and challenging argument. He first builds his case on an in-depth reading of the Old and New Testaments. Then Sanders probes philosophical, historical and systematic theology for further support. And he completes his defense with considerations drawn from practical theology. The God Who Risks is a profound and often inspiring presentation of relational theism—an understanding of providence in which a personal God enters into genuine give-and-take relations with his creatures. With this book Sanders not only contributes to serious theological discussion but also enlightens pastors and laypersons who struggle with questions about suffering, evil and human free will.

wild at heart by john eldridge: *Fathered by God* John Eldredge, 2009-04-20 In an age when fathers are more important than ever, how do you embark on your journey to manhood and know how to steer clear of the dangers along the way? In *Fathered by God*, New York Times bestselling author John Eldredge reminds us that there's a path to masculinity and, best of all, there's a loving Father ready to help us follow it. In *Fathered by God*, Eldredge calls men back to a simple and reassuring truth: God is our Father, and he wants to show us what masculinity really means. Eldredge teaches us that there's a path leading to authentic manhood, cut by generation after generation of men. There are perils along the trail, even disasters--all the more reason to rely on the guidance of a Father who has gone before us. A boy has a lot to learn in his journey to becoming a man, and it takes the active intervention of father figures and the fellowship of other men to guide us along the way. Eldredge shares that in all of life's trials and triumphs, God is initiating boys and men through the stages of manhood. Through personal stories and practical guidance, Eldredge provides a map through the six stages of a man's journey and answers some of the most common questions about manhood that he's received over the years, including: How can I set a good example for my son? What does the Bible teach us about masculinity? How can I become the man that God designed me to be? *Fathered by God* maps out the path of manhood--not more rules, not another list of principles, not formulas, but a well-worn path that men have followed for centuries before us. Discover the truth about masculinity and become the man that God sees in you.

wild at heart by john eldridge: *No More Mr Nice Guy* Dr Robert A Glover, 2022-11-02 Originally published as an e-book that became a controversial media phenomenon, *No More Mr. Nice Guy!* landed its author, a certified marriage and family therapist, on *The O'Reilly Factor* and the Rush Limbaugh radio show. Dr. Robert Glover has dubbed the Nice Guy Syndrome trying too hard to please others while neglecting one's own needs, thus causing unhappiness and resentment. It's no wonder that unfulfilled Nice Guys lash out in frustration at their loved ones, claims Dr. Glover. He explains how they can stop seeking approval and start getting what they want in life, by presenting the information and tools to help them ensure their needs are met, to express their emotions, to have a satisfying sex life, to embrace their masculinity and form meaningful relationships with other men, and to live up to their creative potential.

wild at heart by john eldridge: *The Utter Relief of Holiness* John Eldredge, 2013-01-17 Do you want to feel whole - but too often, feel pulled in different directions? Do you want to be holy - but think it's beyond you? We tend to associate holiness with striving and restriction - but what if a holy life were really about being set free from all our burdens? In *THE UTTER RELIEF OF HOLINESS*, John Eldredge teaches that, rather than being a daunting or distant ideal, holiness is in fact an expression of the healing of our humanity. Eldredge believes that we can be set free from all that plagues us - the inner struggle with anger, or contempt, or habitual sins - to find the genuine goodness that is available to us in Jesus Christ. Wise, gentle and rooted in the Bible, *THE UTTER RELIEF OF HOLINESS* guides the reader along the paths God leads us to make us whole and holy - by his love.

circumstances take us on an emotional rollercoaster. Oftentimes, the Bible's call to be joyful always seems out of reach--but it doesn't have to be. We are called to live. And, miraculously, to live with joy. Join bestselling author Stasi Eldredge as she shows us how to choose a joy that stands against the tides of life's real and often overwhelming pain. Defiant Joy reminds us that a joy that is defiant in the face of this broken world was meant to be ours. This joy isn't simply happiness on steroids, it's the unyielding belief that sorrow and loss do not have the final say. It's the stubborn determination to be present in whatever may come and interpret both goodness and grief by the light of heaven. Defiant Joy will give you the encouragement you need to: Finally experience daily joy Learn how to have a posture of holy defiance when circumstances threaten to weigh down your soul Find new perspectives on the painful circumstances you've faced In Defiant Joy, Stasi invites us with courage, candor, and tender vulnerability to a place beyond sadness or happiness, leading the way as we learn how to maintain a posture of holy defiance that neither denies nor diminishes our pain but dares to live with expectant, unwavering hope.
