Martine is not so sure, until one stormy night when she looks out her window and locks eyes with Jemmy, a young silvery-white giraffe. Why is everyone keeping Jemmy's existence a secret? Does it have anything to do with the rash of poaching going on at Sawubona? Martine needs all of the courage and smarts she has, not to mention a little African magic, to find out. But perhaps the worst thing from Emaline's point of view is that in his grief and guilt, her father shot Prince and then left Emaline and her mother on their own. Despite the neighbors' disapproval, Emaline's mother hires Angus, a patient from the local mental hospital, to work their fields. Angus is a red-haired giant whom the local kids tease and call the gorilla. year of impossible goodbyes by sook nyul choi 2: No Matter How Loud I Shout Edward Humes, 2015-03-17 Now updated with a new introduction and afterword, this award-winning examination of the nation's largest juvenile criminal justice system in Los Angeles by a Pulitzer Prize-winning journalist is "an important book with a message of great urgency, especially to all concerned with the future of America's children" (Booklist). In an age when violence and crime by young people is again on the rise, No Matter How Loud I Shout offers a rare look inside the juvenile court system that deals with these children and the impact decisions made in the courts had on the rest of their lives. Granted unprecedented access to the Los Angeles Juvenile Court, including the judges, the probation officers, and the children themselves, Edward Humes creates an unforgettable portrait of a chaotic system that is neither saving our children in danger nor protecting us from adolescent violence. Yet he shows us there is also hope in the handful of courageous individuals working tirelessly to triumph over seemingly insurmountable odds. Weaving together a poignant, compelling narrative with razor-sharp investigative reporting, No Matter How Loud I Shout is a convincingly reported, profoundly disturbing discussion of the Los Angeles juvenile court's failings, providing terrifying evidence of the system's inability to slow juvenile crime or to make even a

reasonable stab at rehabilitating troubled young offenders. Humes draws an alarming portrait of a judicial system in disarray.
