**aristotle and dante discover the secrets of the universe:** *He Forgot to Say Goodbye* Benjamin Alire Sáenz, 2008-06-17 I mean, it's not as if I want a father. I have a father. It's just that I don't know who he is or where he is. But I have one. Ramiro Lopez and Jake Upthegrove don't appear to have much in common. Ram lives in the Mexican-American working-class barrio of El Paso called Dizzy Land. His brother is sinking into a world of drugs, wreaking havoc in their household. Jake is a rich West Side white boy who has developed a problem managing his anger. An only child, he is a misfit in his mother's shallow and materialistic world. But Ram and Jake do have one thing in common: They are lost boys who have never met their fathers. This sad fact has left both of them undeniably scarred and obsessed with the men who abandoned them. As Jake and Ram overcome their suspicions of each other, they begin to move away from their loner existences and realize that they are capable of reaching out beyond their wounds and the neighborhoods that they grew up in.

Their friendship becomes a healing in a world of hurt. San Antonio Express-News wrote, Benjamin Alire Sáenz exquisitely captures the mood and voice of a community, a culture, and a generation; that is proven again in this beautifully crafted novel.

**aristotle and dante discover the secrets of the universe: Everything Begins & Ends at the Kentucky Club** Benjamin Alire Sáenz, 2012 Winner of the 2013 PEN/Faulkner Award for Fiction Benjamin Alire Sáenz's stories reveal how all borders--real, imagined, sexual, human, the line between dark and light, addict and straight--entangle those who live on either side. Take, for instance, the Kentucky Club on Avenida Juárez two blocks south of the Rio Grande. It's a touchstone for each of Sáenz's stories. His characters walk by, they might go in for a drink or to score, or they might just stay there for a while and let their story be told. Sáenz knows that the Kentucky Club, like special watering holes in all cities, is the contrary to borders. It welcomes Spanish and English, Mexicans and gringos, poor and rich, gay and straight, drug addicts and drunks, laughter and sadness, and even despair. It's a place of rich history and good drinks and cold beer and a long polished mahogany bar. Some days it smells like piss. I'm going home to the other side. That's a strange statement, but you hear it all the time at the Kentucky Club. Benjamin Alire Sáenz is a highly regarded writer of fiction, poetry, and children's literature. Like these stories, his writing crosses borders and lands in our collective psyche. Poets & Writers Magazine named him one of the fifty most inspiring writers in the world. He's been a finalist for the Los Angeles Times Book Prize and PEN Center's prestigious award for young adult fiction. Sáenz is the chair of the creative writing department of University of Texas at El Paso. Awards: PEN/Faulkner Award for Fiction Lambda Literary Award Southwest Book Award

**aristotle and dante discover the secrets of the universe:** *In Other Rooms, Other Wonders* Daniyal Mueenuddin, 2011-10-01 Moving from the elegant drawing rooms of Lahore to the mud villages of rural Multan, a powerful collection of short stories about feudal Pakistan. An impoverished young woman becomes a wealthy relative's mistress; an electrician on the make confronts his desperate assailant to protect his most prized possession; a farm manager rises far in the world—but his family discovers after his death the transience of power; a maid, who advances herself through sexual favours, unexpectedly falls in love. In these linked stories about the family and household staff of the ageing KK Harouni, we meet masters and servants, landlords and supplicants, politicians and electricians, village women, and Karachi housewives. Part Chekhov, part RK Narayan, these stories are dark and light, complex and humane; at heart about the relationship between the powerful and powerless, bound together in life—and in death. Together they make up a vivid portrait of a feudal world rarely brought alive in the English language. Sensuous, graceful, melancholy, *In Other Rooms, Other Wonders* gives you Pakistan as you have never seen it. It marks the debut of an amazing new talent.

**aristotle and dante discover the secrets of the universe:** *Last Night I Sang to the Monster* Benjamin Alire Sáenz, 2009-09-01 Sáenz' poetic narrative will captivate readers from the first sentence to the last paragraph of this beautifully written novel. . . . It is also a celebration of life and a song of hope in celebration of family and friendship, one that will resonate loud and long with teens.—Kirkus Reviews ...There is never a question of either Sáenz's own extraordinary capacity for caring and compassion or the authenticity of the experiences he records in this heartfelt account of healing and hope.—Booklist Offering insight into [an adolescent's] addiction, dysfunction and mental illness, particularly in the wake of traumatic events, Sáenz's artful rendition of the healing process will not soon be forgotten.—Publishers Weekly Sáenz weaves together [18-year-old] Zach's past, present, and changing disposition toward his future with stylistic grace and emotional insight. This is a powerful and edifying look into both a tortured psyche and the methods by which it can be healed.—School Library Journal Zach is eighteen. He is bright and articulate. He's also an alcoholic and in rehab instead of high school, but he doesn't remember how he got there. He's not sure he wants to remember. Something bad must have happened. Something really, really bad. Remembering sucks and being alive—well, what's up with that? I have it in my head that when we're born, God writes things down on our hearts. See, on some people's hearts he writes Happy and on some people's hearts he writes Sad and on some people's hearts he writes Crazy on some people's hearts he writes Genius and on some people's hearts he writes Angry and on some people's hearts he writes Winner and on some people's hearts he writes Loser. It's all like a game to him. Him. God. And it's all pretty much random. He takes out his pen and starts writing on our blank hearts. When it came to my turn, he wrote. I don't like God very much. Apparently he doesn't like me very much either. Sad Benjamin Alire Sáenz is a prolific novelist, poet, and author of children's books. Sammy and Juliana in Hollywood, his first novel for young adults, was a finalist for the Los Angeles Times Book Prize and a Young Adult Library Services Association Top Ten Books for Young Adults pick in 2005.

**aristotle and dante discover the secrets of the universe:** *Funny in Farsi* Firoozeh Dumas, 2007-12-18 NEW YORK TIMES BESTSELLER • Finalist for the PEN/USA Award in Creative Nonfiction, the Thurber Prize for American Humor, and the Audie Award in Biography/Memoir This Random House Reader's Circle edition includes a reading group guide and a conversation between Firoozeh Dumas and Khaled Hosseini, author of *The Kite Runner*! "Remarkable . . . told with wry humor shorn of sentimentality . . . In the end, what sticks with the reader is an exuberant immigrant embrace of America."—San Francisco Chronicle In 1972, when she was seven, Firoozeh Dumas and her family moved from Iran to Southern California, arriving with no firsthand knowledge of this

country beyond her father's glowing memories of his graduate school years here. More family soon followed, and the clan has been here ever since. *Funny in Farsi* chronicles the American journey of Dumas's wonderfully engaging family: her engineer father, a sweetly quixotic dreamer who first sought riches on Bowling for Dollars and in Las Vegas, and later lost his job during the Iranian revolution; her elegant mother, who never fully mastered English (nor cared to); her uncle, who combated the effects of American fast food with an army of miraculous American weight-loss gadgets; and Firoozeh herself, who as a girl changed her name to Julie, and who encountered a second wave of culture shock when she met and married a Frenchman, becoming part of a one-couple melting pot. In a series of deftly drawn scenes, we watch the family grapple with American English (hot dogs and hush puppies?—a complete mystery), American traditions (Thanksgiving turkey?—an even greater mystery, since it tastes like nothing), and American culture (Firoozeh's parents laugh uproariously at Bob Hope on television, although they don't get the jokes even when she translates them into Farsi). Above all, this is an unforgettable story of identity, discovery, and the power of family love. It is a book that will leave us all laughing—without an accent. Praise for *Funny in Farsi* "Heartfelt and hilarious—in any language."—*Glamour* "A joyful success."—*Newsday* "What's charming beyond the humor of this memoir is that it remains affectionate even in the weakest, most tenuous moments for the culture. It's the brilliance of true sophistication at work."—*Los Angeles Times Book Review* "Often hilarious, always interesting . . . Like the movie *My Big Fat Greek Wedding*, this book describes with humor the intersection and overlapping of two cultures."—*The Providence Journal* "A humorous and introspective chronicle of a life filled with love—of family, country, and heritage."—Jimmy Carter "Delightfully refreshing."—*Milwaukee Journal Sentinel* "[*Funny in Farsi*] brings us closer to discovering what it means to be an American."—*San Jose Mercury News*

**aristotle and dante discover the secrets of the universe: *Aristotle on Substance*** Mary Louise Gill, 1989 This book explores a fundamental tension in Aristotle's metaphysics: how can an entity such as a living organism a composite generated through the imposition of form on preexisting matter have the conceptual unity that Aristotle demands of primary substances? Mary Louise Gill bases her treatment of the problem of unity, and of Aristotle's solution, on a fresh interpretation of the relation between matter and form. Challenging the traditional understanding of Aristotelian matter, she argues that material substances are subverted by matter and maintained by form that controls the matter to serve a positive end. The unity of material substances thus involves a dynamic relation between resistant materials and directive ends. *Aristotle on Substance* offers both a general account of matter, form, and substantial unity and a specific assessment of particular Aristotelian arguments. At every point, Gill engages Aristotle on his own philosophical ground through the detailed analysis of central, and often controversial, texts from the *Metaphysics*, *Physics*, *On Generation and Corruption*, *De Anima*, *De Caelo*, and the biological works. The result is a coherent, firmly grounded rethinking of Aristotle's central metaphysical concepts and of his struggle toward a fully consistent theory of material substances.

**aristotle and dante discover the secrets of the universe: Hemingway and Faulkner in Their Time** Earl Rovit, Arthur Waldhorn, 2006-03-31 John Steinbeck Ernest Hemingway and William Faulkner are generally recognized as the most influential American novelists of the 20th century. Their careers paralleled one another in significant ways - two of their fledgling poems coincidentally appeared in the same avant-garde little magazine; they died a year apart, almost to the day; each won the Nobel Prize. It is as much biography as critique, a short, happy reference work that sometimes tells more about the commentators than their subjects. Among the writers on the writers, there is Sherwood Anderson, Gertrude Stein, Alice B. Toklas, Conrad Aiken, W. H. Auden, John Dos Passos, Ezra Pound, T. S. Eliot, and many others. This book is not only a valuable addition to literary scholarship, it is also a unique re-creation of an era in American culture.

**aristotle and dante discover the secrets of the universe: In Perfect Light** Benjamin Alire Sáenz, 2008-11-25 "Ben Saenz's vivid imagination captures all that is beautiful, agonizing and redemptive in the crossings we make through borders of geography and culture. But it is in the interior journeys of the psyche and the soul that we must find salvation; Saenz's brilliant prose penetrates to that core and he finds and exposes that truth. A reader can ask for no more than this: to be spellbound by a story, and to come to the last page with a sense of having been being changed and allowed to carry something of it away." —Abraham Verghese, author of My Own Country From award-winning poet Benjamin Alire Sáenz comes a haunting novel depicting the cruelties of cultural displacement and the resilience of those who are left in its aftermath. In Perfect Light is the story of two strong-willed people who are forever altered by a single tragedy. After Andrés Segovia's parents are killed in a car accident when he is still a young boy, his older brother decides to steal the family away to Juárez, Mexico. That decision, made with the best intentions, sets into motion the unraveling of an American family. Years later, his family destroyed, Andrés is left to make sense of the chaos—but he is ill-equipped to make sense of his life. He begins a dark journey toward self-destruction, his talent and brilliance brought down by the weight of a burden too frightening and maddening to bear alone. The manifestation of this frustration is a singular rage that finds an outlet in a dark and seedy El Paso bar—leading him improbably to Grace Delgado. Recently confronted with her own sense of isolation and mortality, Grace is an unlikely angel, a therapist who agrees to treat Andrés after he is arrested in the United States. The two are suspicious of each other, yet they slowly arrive at a tentative working relationship that allows each of them to examine his and her own fragile and damaged past. With the urgent, unflinching vision of a true storyteller and the precise, arresting language of a poet, Sáenz's In Perfect Light bears witness to the cruelty of circumstance and, more than offering escape, the novel offers the possibility of salvation.

**aristotle and dante discover the secrets of the universe: Carry Me Like Water** Benjamin Alire Sáenz, 2011-03-15 Sentimental and ferocious, upsetting and tender, firmly magic-realist yet utterly modern. . . Sáenz is a writer with greatness in him. —San Diego Union Tribune With Carry Me Like Water, Benjamin Alire Sáenz unfolds a beautiful story about hope and forgiveness, unexpected reunions, an expanded definition of family, and, ultimately, what happens when the disparate worlds of pain and privilege collide. Diego, a deaf-mute, is barely surviving on the border in El Paso, Texas. Diego's sister, Helen, who lives with her husband in the posh suburbs of San

Francisco, long ago abandoned both her brother and her El Paso roots. Helen's best friend, Lizzie, a nurse in an AIDS ward, begins to uncover her own buried past after a mystical encounter with a patient. This immensely moving novel confronts divisions of race, gender, and class, fusing together the stories of people who come to recognize one another from former lives they didn't know existed— or that they tried to forget.
