

Black History Programs For Church

black history programs for church: The Black Church Henry Louis Gates, Jr., 2021-02-16 The instant New York Times bestseller and companion book to the PBS series. "Absolutely brilliant . . . A necessary and moving work." —Eddie S. Glaude, Jr., author of *Begin Again* "Engaging. . . . In Gates's telling, the Black church shines bright even as the nation itself moves uncertainly through the gloaming, seeking justice on earth—as it is in heaven." —Jon Meacham, New York Times Book Review From the New York Times bestselling author of *Stony the Road* and *The Black Box*, and one of our most important voices on the African American experience, comes a powerful new history of the Black church as a foundation of Black life and a driving force in the larger freedom struggle in America. For the young Henry Louis Gates, Jr., growing up in a small, residentially segregated West Virginia town, the church was a center of gravity—an intimate place where voices rose up in song and neighbors gathered to celebrate life's blessings and offer comfort amid its trials and tribulations. In this tender and expansive reckoning with the meaning of the Black Church in America, Gates takes us on a journey spanning more than five centuries, from the intersection of Christianity and the transatlantic slave trade to today's political landscape. At road's end, and after Gates's distinctive meditation on the churches of his childhood, we emerge with a new understanding of the importance of African American religion to the larger national narrative—as a center of resistance to slavery and white supremacy, as a magnet for political mobilization, as an incubator of musical and oratorical talent that would transform the culture, and as a crucible for working through the Black community's most critical personal and social issues. In a country that has historically afforded its citizens from the African diaspora tragically few safe spaces, the Black Church has always been more than a sanctuary. This fact was never lost on white supremacists: from the earliest days of slavery, when enslaved people were allowed to worship at all, their meetinghouses were subject to surveillance and destruction. Long after slavery's formal eradication, church burnings and bombings by anti-Black racists continued, a hallmark of the violent effort to suppress the African American struggle for equality. The past often isn't even past—Dylann Roof committed his slaughter in the Mother Emanuel AME Church 193 years after it was first burned down by white citizens of Charleston, South Carolina, following a thwarted slave rebellion. But as Gates brilliantly shows, the Black church has never been only one thing. Its story lies at the heart of the Black political struggle, and it has produced many of the Black community's most notable leaders. At the same time, some churches and denominations have eschewed political engagement and exemplified practices of exclusion and intolerance that have caused polarization and pain. Those tensions remain today, as a rising generation demands freedom and dignity for all within and beyond their communities, regardless of race, sex, or gender. Still, as a source of faith and refuge, spiritual sustenance and struggle against society's darkest forces, the Black Church has been central, as this enthralling history makes vividly clear.

black history programs for church: Plain Theology for Plain People Charles Octavius Boothe, 2017-09-20 Everyday Christians need practical and accessible theology. In this handbook first published in 1890, Charles Octavius Boothe simply and beautifully lays out the basics of theology for common people. Before the charge 'know thyself,' Boothe wrote, ought to come the far greater charge, 'know thy God.' He brought the heights of academic theology down to everyday language, and he helps us do the same today. *Plain Theology for Plain People* shows that evangelicalism needs the wisdom and experience of African American Christians. Walter R. Strickland II reintroduces this forgotten masterpiece for today. Lexham Classics are beautifully typeset new editions of classic works. Each book has been carefully transcribed from the original texts, ensuring an accurate representation of the writing as the author intended it to be read.

black history programs for church: God, Himself Tony Evans, 2020-09-01 How often do we

Dr. Evans also includes activities and challenges to help you know how to both process and respond to learning about God. Find your heart encouraged and your worship enriched as you learn about the beautiful nature of our God, the source of all goodness and life.

black history programs for church: The Black Church in the African American

Experience C. Eric Lincoln, Lawrence H. Mamiya, 1990-11-07 Black churches in America have long been recognized as the most independent, stable, and dominant institutions in black communities. In *The Black Church in the African American Experience*, based on a ten-year study, is the largest nongovernmental study of urban and rural churches ever undertaken and the first major field study on the subject since the 1930s. Drawing on interviews with more than 1,800 black clergy in both urban and rural settings, combined with a comprehensive historical overview of seven mainline black denominations, C. Eric Lincoln and Lawrence H. Mamiya present an analysis of the Black Church as it relates to the history of African Americans and to contemporary black culture. In examining both the internal structure of the Church and the reactions of the Church to external, societal changes, the authors provide important insights into the Church's relationship to politics, economics, women, youth, and music. Among other topics, Lincoln and Mamiya discuss the attitude of the clergy toward women pastors, the reaction of the Church to the civil rights movement, the attempts of the Church to involve young people, the impact of the black consciousness movement and Black Liberation Theology and clergy, and trends that will define the Black Church well into the next century. This study is complete with a comprehensive bibliography of literature on the black experience in religion. Funding for the ten-year survey was made possible by the Lilly Endowment and the Ford Foundation.

black history programs for church: Black Church Beginnings Henry H. Mitchell, 2004-10-04

Black Church Beginnings provides an intimate look at the struggles of African Americans to establish spiritual communities in the harsh world of slavery in the American colonies. Written by one of today's foremost experts on African American religion, this book traces the growth of the black church from its start in the mid-1700s to the end of the nineteenth century. As Henry Mitchell shows, the first African American churches didn't just organize; they labored hard, long, and sacrificially to form a meaningful, independent faith. Mitchell insightfully takes readers inside this process of development. He candidly examines the challenge of finding adequately trained pastors for new local congregations, confrontations resulting from internal class structure in big city churches, and obstacles posed by emerging denominationalism. Original in its subject matter and singular in its analysis, Mitchell's *Black Church Beginnings* makes a major contribution to the study of American church history.

black history programs for church: African American Church Leadership Paul Cannings, 2013 How can African American church leaders maximize their leadership potential? What are current models for effective leadership in the African American Christian community? This book answers those questions and more with up-to-date research and current best practices regarding leadership principles and strategies. African American church communities and those who interact with and work with these communities will find this book particularly useful. ParkerBooks are written to equip and encourage African American ministry leaders.

black history programs for church: Empowering Black Youth of Promise Sandra L. Barnes, Anne Streaty Wimberly, 2016-06-10 Informed by the experiences of 772 Black churches, this book relies on a multidisciplinary, mixed-methodological lens to examine how today's Black churches address the religious and non-religious educational and broader socialization needs of youth. Drawing from a cultural and ecological framework of village-mindedness, Barnes and Wimberly examine the intersected nature of place, space, and race to propel a conversation about whether and how the Black Church can become a more relevant and empowering presence for youth and the Black community.

black history programs for church: *The History and Heritage of African American Churches* L.H. Whelchel, 2011-02-03 Drawing on a wide array of sources to document cultural influences from Africa, the author vividly describes the emergence of an independent church tradition among African Americans. L.H. Whelchel demonstrates the struggles of Africans in the United States to build and maintain their own churches before showing how those churches and their ministers were often at the center of seminal events in the history of America. Dr. Whelchel provides an engaging and provocative narrative, and with detailed documentation and end notes for each chapter along with critical analyses which will be of benefit to ministers, scholars, teachers, students and the general reading public.

black history programs for church: Mary Ann Shadd Cary Jane Rhodes, 2023-09-05 Mary Ann Shadd Cary was a courageous and outspoken nineteenth-century African American who used the press and public speaking to fight slavery and oppression in the United States and Canada. Part of the small free black elite who used their education and limited freedoms to fight for the end of slavery and racial oppression, Shadd Cary is best known as the first African American woman to publish and edit a newspaper in North America. But her importance does not stop there. She was an active participant in many of the social and political movements that influenced nineteenth century abolition, black emigration and nationalism, women's rights, and temperance. *Mary Ann Shadd Cary: The Black Press and Protest in the Nineteenth Century* explores her remarkable life and offers a window on the free black experience, emergent black nationalisms, African American gender ideologies, and the formation of a black public sphere. This new edition contains a new epilogue and new photographs.

black history programs for church: *Meditations of the Heart* Howard Thurman, 2023-01-31 "As poet, prophet, and priest, Thurman builds upon a powerful legacy of ancestral hope: belief in a liberating God who can always be found 'in and among the struggling.'" —Yolanda Pierce A universal beacon of hope and endurance for people of all faiths seeking to meet the challenges, uncertainties, and joys of life Howard Thurman's *Meditations of the Heart* is a beautiful collection of over 150 prayers, poems, and meditations on prayer, community, and the joys and rituals of life by one of our greatest spiritual leaders. Thurman, a spiritualist and mystic, was renowned for the quiet beauty of his reflections on humanity and our relationship with God. In a new foreword, Yolanda Pierce, dean of Howard University's School of Divinity, calls attention to the justice-centered theological framework of Thurman's words. Pierce notes how Thurman brings to light an image of God who can always be found "in and among the struggling," both in times of weariness and in strength. First written for and shared with his congregation of the Church for the Fellowship of All Peoples in San Francisco, California, these meditations sustain, elevate, and inspire. They are a universal beacon of hope and endurance for people of all faiths seeking to meet the challenges, uncertainties, and joys of everyday life with a renewed and liberating faith.

black history programs for church: *Hard-fighting Soldiers* Edward J. Robinson, 2019 In the first full-length scholarly synthesis of the African American Churches of Christ, Edward J. Robinson provides a comprehensive look at the church's improbable development against a backdrop of African American oppression. The journey begins with a lesser known preacher, F. F. Carson, in many ways a forerunner in the struggles and triumphs awaiting the preachers and lay people in the congregations to come. Robinson then builds on scholarship treating well-known figures, including Marshall Keeble and G. P. Bowser, to present a wide-ranging history of African American Churches of Christ from their beginnings--when enslaved people embraced the nascent Stone-Campbell Christian Movement even though founder Alexander Campbell himself favored slavery. The author moves on to examine how the churches grew under the leadership of S. R. Cassius, even as Jim Crow restrictions put extreme pressure on organizations of any kind among African Americans. Robinson's well-researched narrative treats not only the black male leaders of the church, but also women leaders, such as Annie C. Tuggle, as well as notable activities of the church, including music, education, and global evangelism, thus painting a complete picture of African American Churches of Christ. Through scholarship and compelling storytelling, Robinson tells the two-hundred-year tale of how black believers survived and thrived on the discarded 'scraps' of America, forging their own identity, fashioning their own lofty ecclesiology and 'hard' theology, and creating their own papers, lectureships, liturgy, and congregations. A groundbreaking exploration by a seasoned scholar in American religion, *Hard-Fighting Soldiers* is sure to become the standard text for anyone researching the African American Churches of Christ.

black history programs for church: *Reparations* Duke L. Kwon, Gregory Thompson, 2021-04-06 Kwon and Thompson's eloquent reasoning will help Christians broaden their understanding of the contemporary conversation over reparations.--Publishers Weekly A thoughtful approach to a vital topic.--Library Journal Christians are awakening to the legacy of racism in America like never before. While public conversations regarding the realities of racial division and inequalities have surged in recent years, so has the public outcry to work toward the long-awaited healing of these wounds. But American Christianity, with its tendency to view the ministry of reconciliation as its sole response to racial injustice, and its isolation from those who labor most diligently to address these things, is underequipped to offer solutions. Because of this, the church needs a new perspective on its responsibility for the deep racial brokenness at the heart of American culture and on what it can do to repair that brokenness. This book makes a compelling historical and theological case for the church's obligation to provide reparations for the oppression of African Americans. Duke Kwon and Gregory Thompson articulate the church's responsibility for its promotion and preservation of white supremacy throughout history, investigate the Bible's call to repair our racial brokenness, and offer a vision for the work of reparation at the local level. They lead readers toward a moral imagination that views reparations as a long-overdue and necessary step in our collective journey toward healing and wholeness.

black history programs for church: *Lizzie Demands a Seat!* Beth Anderson, 2020-06-02 In 1854, Elizabeth Lizzie Jennings, an African American schoolteacher, fought back when she was unjustly denied entry to a New York City streetcar, sparking the beginnings of the long struggle to gain equal rights on public transportation. One hundred years before Rosa Parks took her stand, Elizabeth Lizzie Jennings tried to board a streetcar in New York City on her way to church. Though there were plenty of empty seats, she was denied entry, assaulted, and threatened all because of her race--even though New York was a free state at that time. Lizzie decided to fight back. She told her story, took her case to court--where future president Chester Arthur represented her--and won! Her victory was the first recorded in the fight for equal rights on public transportation, and Lizzie's case set a precedent. Author Beth Anderson and acclaimed illustrator E. B. Lewis bring this inspiring, little-known story to life in this captivating book.

black history programs for church: *Colorization* Wil Haygood, 2021-10-19 A NEW YORK TIMES CRITICS' TOP BOOK OF THE YEAR • BOOKLISTS' EDITOR'S CHOICE • ONE OF NPR'S BEST BOOK OF THE YEAR "At once a film book, a history book, and a civil rights book.... Without a doubt, not only the very best film book [but] also one of the best books of the year in any genre. An absolutely essential read." —Shondaland This unprecedented history of Black cinema examines 100 years of Black movies—from *Gone with the Wind* to Blaxploitation films to *Black Panther*—using the struggles and triumphs of the artists, and the films themselves, as a prism to explore Black culture, civil rights, and racism in America. From the acclaimed author of *The Butler* and *Showdown*. Beginning in 1915 with D. W. Griffith's *The Birth of a Nation*—which glorified the Ku Klux Klan and became Hollywood's first blockbuster—Wil Haygood gives us an incisive, fascinating, little-known history, spanning more than a century, of Black artists in the film business, on-screen and behind the scenes. He makes clear the effects of changing social realities and events on the business of making movies and on what was represented on the screen: from Jim Crow and segregation to white flight and interracial relationships, from the assassination of Malcolm X, to the O. J. Simpson trial, to the Black Lives Matter movement. He considers the films themselves—including *Imitation of Life*, *Gone with the Wind*, *Porgy and Bess*, the Blaxploitation films of the seventies, *Do The Right Thing*, *12 Years a Slave*, and *Black Panther*. And he brings to new light the careers and significance of a wide range of historic and contemporary figures: Hattie McDaniel, Sidney Poitier, Berry Gordy, Alex Haley, Spike Lee, Billy Dee Williams, Richard Pryor, Halle Berry, Ava DuVernay, and Jordan Peele, among many others. An important, timely book, *Colorization* gives us both an unprecedented history of Black cinema and a groundbreaking perspective on racism in modern America.

black history programs for church: The Negro Church in America/The Black Church Since Frazier E. Franklin Frazier, 1974-01-13 Frazier's study of the black church and an essay by Lincoln arguing that the civil rights movement saw the splintering of the traditional black church and the creation of new roles for religion.

black history programs for church: Freedom Riders Raymond Arsenault, 2011-03-11 The saga of the Freedom Rides is an improbable, almost unbelievable story. In the course of six months in 1961, four hundred and fifty Freedom Riders expanded the realm of the possible in American politics, redefining the limits of dissent and setting the stage for the civil rights movement. In this new version of his encyclopedic Freedom Riders, Raymond Arsenault offers a significantly condensed and tautly written account. With characters and plot lines rivaling those of the most imaginative fiction, this is a tale of heroic sacrifice and unexpected triumph. Arsenault recounts how a group of volunteers--blacks and whites--came together to travel from Washington DC through the Deep South, defying Jim Crow laws in buses and terminals and putting their lives on the line for racial justice. News photographers captured the violence in Montgomery, shocking the nation and sparking a crisis in the Kennedy administration. Here are the key players--their fears and courage, their determination and second thoughts, and the agonizing choices they faced as they took on Jim Crow--and triumphed. Winner of the Owsley Prize Publication is timed to coincide with the airing of the American Experience miniseries documenting the Freedom Rides Arsenault brings vividly to life a defining moment in modern American history. --Eric Foner, The New York Times Book Review Authoritative, compelling history. --William Grimes, The New York Times For those interested in understanding 20th-century America, this is an essential book. --Roger Wilkins, Washington Post Book World Arsenault's record of strategy sessions, church vigils, bloody assaults, mass arrests, political maneuverings and personal anguish captures the mood and the turmoil, the excitement and the confusion of the movement and the time. --Michael Kenney, The Boston Globe

black history programs for church: Ready from Within Septima Poinsette Clark, 1990 Septima Clarke played one of the most essential, but little-recognized roles in the Civil Rights Movement. Born in 1898 in Charleston, South Carolina, she was a public school teacher until 1956, when she was dismissed for refusing to disavow her membership in the National Association for the advancement of Colored People. Subsequently, she worked for the Highlander Folk School, helping to set up Citizenship Schools throughout the South where Black adults could learn to read and prepare to vote. During the 1960s she worked with the Southern Christian Leadership Conference and was a close associate of Dr. Martin Luther King, Jr. From 1978 to 1983 she served as the first Black woman on the Charleston School Board. This is a first-person narrative of her life in the context of the Civil Rights Movement. Her story constitutes a major thread in the tapestry of that movement. Book jacket.

black history programs for church: A History of the Black Baptist Church Wayne E Croft, 2020 The history of black people in the United States is a history of challenge and resilience, of suffering and solidarity, of injustice and prophetic resistance. It is a history steeped in the hope and strength that African Americans have derived from their faith in God and from the church that provided safety, community, consolation, and empowerment. In this new volume from pastor and scholar Rev. Dr. Wayne Croft, the history of the black Baptist church unfolds-from its theological roots in the Radical Reformation of Europe and North America, to the hush arbors and praise houses of slavery's invisible institution, to the evolution of distinctively black denominations. In a wonderfully readable narrative style, the author relates the development of diverse black Baptist associations and conventions, from the eighteenth century through the twentieth century's civil rights movement. Ideal for clergy and laity alike, the book highlights key leaders, theological concepts, historic events, and social concerns that influenced the growth of what we know today as the diverse black Baptist family of churches--

black history programs for church: Economic Ethics & the Black Church Wylin D. Wilson, 2017-09-07 This book examines the relationship between race, religion, and economics within the black church. The book features unheard voices of individuals experiencing economic deprivation and the faith communities who serve as their refuge. Thus, this project examines the economic ethics of black churches in the rural South whose congregants and broader communities have long struggled amidst persistent poverty. Through a case study of communities in Alabama's Black Belt, this book argues that if the economic ethic of the Black Church remains accommodationist, it will continue to become increasingly irrelevant to communities that experience persistent poverty. Despite its historic role in combatting racial oppression and social injustice, the Church has also perpetuated ideologies that uncritically justify unjust social structures. Wilson shows how the Church can shift the conversation and reality of poverty by moving from a legacy of accommodationism and toward a legacy of empowering liberating economic ethics.

black history programs for church: Stand Your Ground Douglas Brown, Kelly , 2015-05-05

The 2012 killing of Trayvon Martin, an African-American teenager in Florida, and the subsequent acquittal of his killer, brought public attention to controversial Stand Your Ground laws. The verdict, as much as the killing, sent shock waves through the African-American community, recalling a history of similar deaths, and the long struggle for justice. On the Sunday morning following the verdict, black preachers around the country addressed the question, Where is the justice of God? What are we to hope for? This book is an attempt to take seriously social and theological questions raised by this and similar stories, and to answer black church people's questions of justice and faith in response to the call of God. But Kelly Brown Douglas also brings another significant interpretative lens to this text: that of a mother. There has been no story in the news that has troubled me more than that of Trayvon Martin's slaying. President Obama said that if he had a son his son would look like Trayvon. I do have a son and he does look like Trayvon. Her book will also affirm the truth of a black mother's faith in these times of stand your ground.--

black history programs for church: *Jesus and the Disinherited* Howard Thurman, 2022-10-11 "No other publication in the twentieth century has upended antiquated theological notions, truncated political ideas, and socially constructed racial fallacies like *Jesus and the Disinherited*. Thurman's work keeps showing up on the desk of anti-apartheid activists, South American human rights workers, civil rights champions, and now Black Lives Matter advocates." –Rev. Otis Moss III, author of *Blue Note Preaching in a Post-Soul World* and senior pastor at Trinity United Church of Christ A commemorative edition of the work that inspired Martin Luther King Jr. and helped shape the civil rights movement In this beautiful gift edition of the classic theological treatise, complete with a place-marker ribbon and silver gilded edges, celebrated theologian and religious leader Howard Thurman (1899-1981) revolutionizes the way we read the gospel. Thurman lifts Jesus up as a partner in the pain of the oppressed and reveals the gospel as a manual of resistance for the poor and disenfranchised. In this view, the example of Jesus's life shows us that hatred does not empower—it decays. Only by recognizing fear, deception, contempt, and love of one another can God's justice prevail. With a new foreword by acclaimed womanist theologian Kelly Brown Douglas, this edition of *Jesus and the Disinherited* is a timeless testimony of faith that demonstrates how to thrive and flourish in a world that attempts to destroy one's humanity from the inside out. Having witnessed firsthand the depths of white supremacy and the heights of human civility, Thurman reiterates the inherent dignity of all of God's children.

black history programs for church: *Enfleshing Freedom* M. Shawn Copeland, 2023-11-28 The achievement of our humanity comes about only through immersion in concrete, visceral, embodied relational experience, yet for many human beings, that achievement is stamped by the struggle against oppression in history, society, and religion. In this incisive and important work, distinguished theologian M. Shawn Copeland demonstrates with rare insight and conviction how Black women's historical experience and oppression cast a completely different light on our theological ideas about being human. Copeland argues that race, embodiment, and relations of power reframe not only theological anthropology but also our notions of discipleship, church, Eucharist, and Christ. *Enfleshing Freedom* is a work of deep moral seriousness, rigorous speculative skill, and sharp theological reasoning. This new edition incorporates recent theological, philosophical, historical, political, and sociological scholarship; engages with current social movements like #BlackLivesMatter and #MeToo; and presents a new chapter on the body.

black history programs for church: *Black Church Empowered* Isaiah Robertson, 2020-07-25 As long as racism exists, the Black Church must exist too. She must not only exist, she must thrive! But, what does thriving look like in the Black Church? How is thriving achieved? *Black Church Empowered: Examining Our History, Securing Our Longevity* offers a compelling vision for the future of the Black Church. It imagines what the Black Church of tomorrow must be, while peering into the past for context and guidance. This book fearlessly delves into controversial topics and

confronts long-held conventional wisdom. The Black Church's beauty and blights are discussed. Common sense solutions are provided as suggestions to be considered. You are invited into a dialogue. Guiding this dialogue in each chapter are three pressing questions: *What have we done before? *What are we doing now? *What must we do going forward? Prayerfully, this crucial dialogue will lead to beneficial action on behalf of the Black Church. She is poised to blaze new trails in the 21st century and beyond. *Black Church Empowered: Examining Our History, Securing Our Longevity* is a piece of the roadmap clarifying the coordinates and potential direction of the journey.

black history programs for church: The New Colored People Jon M. Spencer, 2000-08 Most Americans remain oblivious of a new racial phenomenon that may radically alter the political landscape of the United States. In recent years, dramatic increases in racial intermarriage have given birth to a generation of mixed-race children whose interracially married parents refuse to allow them to be shoehorned into neat, pre-existing racial categories. The parents, through organizations they have founded or joined, have lobbied aggressively for the category multiracial to be added to official racial classifications at the state and federal levels, including the United States census. Since a nonracial society is one of the stated goals of the multiracialists, Spencer suggests that the undoing of racial classification will come not by initiating a new classification - which will only give Americans the impression that mixed-race people can be neatly classified - but by our increased recognition that there are millions of people who simply defy classification.
