

Bill Simmons The Of Basketball

bill simmons the of basketball: The Book of Basketball Bill Simmons, 2010-12-07 #1 NEW YORK TIMES BESTSELLER • The wildly opinionated, thoroughly entertaining, and arguably definitive book on the past, present, and future of the NBA—from the founder of The Ringer and host of The Bill Simmons Podcast “Enough provocative arguments to fuel barstool arguments far into the future.”—The Wall Street Journal In *The Book of Basketball*, Bill Simmons opens—and then closes, once and for all—every major NBA debate, from the age-old question of who actually won the rivalry between Bill Russell and Wilt Chamberlain to the one about which team was truly the best of all time. Then he takes it further by completely reevaluating not only how NBA Hall of Fame inductees should be chosen but how the institution must be reshaped from the ground up, the result being the Pyramid: Simmons’s one-of-a-kind five-level shrine to the ninety-six greatest players in the history of pro basketball. And ultimately he takes fans to the heart of it all, as he uses a conversation with one NBA great to uncover that coveted thing: The Secret of Basketball. Comprehensive, authoritative, controversial, hilarious, and impossible to put down (even for Celtic-haters), *The Book of Basketball* offers every hardwood fan a courtside seat beside the game’s finest, funniest, and fiercest chronicler.

bill simmons the of basketball: Now I Can Die in Peace Bill Simmons, 2005-10-01 ESPN's beloved Sports Guy replays the years leading up to the Boston Red Sox historic championship season and says goodbye to a lifetime of suffering. At least for now. The Red Sox won the World Series. To Citizen No. 1 of Red Sox Nation, those seven words meant No more 1918 chants. No more smug glances from Yankee fans. No more worrying about living an entire life -- that's 80 years, followed by death without seeing the Red Sox win a Series. But once he was able to type those life-changing words, Bill Simmons decided to look back at his Sports Guy columns for the last five years to find out how the miracle came to pass. And that's where the trouble began. Why didnt he see it coming? Why didn't it happen sooner? What was the key deal, the lucky move, the funny bounce, the sign from above that he failed to spot? Pretty soon, The Sports Guy was second-guessing himself, rewriting history, sniping at his own past predictions, pounding the table -- that's what sports guys do, right And doing so, he let himself get sidetracked by the suffering of the Boston Bruins, frustrated by the false promise of the Celtics -- and driven into a state of ecstasy by the dynastic New England Patriots. The result is *Now I Can Die in Peace*, a hilarious and fresh new look at some of the best sportswriting in America, with sharp critical commentary (and fresh insights) from the guy who wrote it in the first place.

bill simmons the of basketball: Pacific Rims Rafe Bartholomew, 2010-06-01 A young man's journey through the Philippines' most unlikely obsession: basketball. In *Pacific Rims*, Rafe Bartholomew, journalist, New Yorker, and veteran baller, ventures through the Philippines to investigate the country's love of basketball. From street corners where diehards fashion hoops out of old car parts to the professional league where politicians exploit team loyalties to win elections, *Pacific Rims* gets the story-and gets in the game.

bill simmons the of basketball: The Breaks of the Game David Halberstam, 2012-07-17 A New York Times bestseller, David Halberstam's *The Breaks of the Game* focuses on one grim season (1979-80) in the life of the Bill Walton-led Portland Trail Blazers, a team that only three years before had been NBA champions. More than six years after his death David Halberstam remains one of this country's most respected journalists and revered authorities on American life and history in the years since WWII. A Pulitzer Prize-winner for his groundbreaking reporting on the Vietnam War, Halberstam wrote more than 20 books, almost all of them bestsellers. His work has stood the test of time and has become the standard by which all journalists measure themselves. The tactile authenticity of Halberstam's knowledge of the basketball world is unrivaled. Yet he is writing here

about far more than just basketball. This is a story about a place in our society where power, money, and talent collide and sometimes corrupt, a place where both national obsessions and naked greed are exposed. It's about the influence of big media, the fans and the hype they subsist on, the clash of ethics, the terrible physical demands of modern sports (from drugs to body size), the unreal salaries, the conflicts of race and class, and the consequences of sport converted into mass entertainment and athletes transformed into superstars -- all presented in a way that puts the reader in the room and on the court, and The Breaks of the Game in a league of its own.

bill simmons the of basketball: *Bill's Book* Bill Lively, 2015-01-23 Bill Lively takes a newspaper reporter's approach to looking back at his life--focusing on who, what, where, when, why, and how. Every important answer revolves around his late wife, Nancy Dorsey, the most beautiful woman he ever met who gave him four children, and who in turn had seven children of their own. He has often wondered how different life would be if he had not been asked to come to Louisville to play football and if Nancy's grandfather had not asked her to help him tend to his house. Without those two things, the couple would probably have never met. He also looks back at his upbringing and the many years he spent as an auditor, which required determining the condition, cause, and effect of an item being examined. In many ways, it was similar to analyzing his own life--the main condition was his marriage, the cause was how the marriage came about, and the effects were children, grandchildren, and eventually future descendants. Join Bill as he pays tribute to his wife and celebrates his family and the friends he made on his journey in this inspiring autobiography.

bill simmons the of basketball: *The Joy of Basketball* Ben Detrick, Andrew Kuo, 2021-11-09 A vibrant, unconventional, highly opinionated guide to the triumphs, joys, struggles, and heartbreaks of the modern era of the game, for every obsessive basketball fan who loves to hate hot takes The Joy of Basketball celebrates the meteoric rise of basketball over the last quarter century by ignoring the bland, traditionalist binary of wins or losses. Instead, the book's focus is on everything else. Using text, charts, and illustrations that upend conventional jock wisdom, the book details the most incredible players in history, draft flops, long-limbed oddballs, superteams, the international talent wave, brawls, scandals, the rapid evolution of contemporary gameplay, coaching, fashion, crime, positional erosion, tragic tales, memes, and the sacred Kardashian Blessing. Bouncing between witty graphics and keen sociopolitical observations, The Joy of Basketball is a subversive sports manifesto camouflaged as a colorful reference book for your coffee table.

bill simmons the of basketball: *The Fourth Star* Bill Simmons, 2011-09-12 Robert Candell is devastated when his close friend and mentor, Jack Marsel, suddenly dies. Robert is soon hired by a mysterious organization known only as the group and learns that his friend Jack had secretly worked for this mysterious group. Robert and the group work to stop the corporate greed that is destroying our environment and hope to provide a better world for our future generations. When disaster strikes, due to corporate greed, Robert and the group must work to make those corporate executives who they hold responsible for the disaster pay for their actions and send a message to other corporate executives that the destruction of the planet and our ecosystems will no longer be tolerated. Twist and turns take the reader through secret groups, clandestine meetings, international intrigue and adventure, corporate greed, political corruption, earth changes, and global climate change. Who is this mysterious group that has the ability and the determination to take on the government, corporations, and the global elite? What is the Fourth Star?

bill simmons the of basketball: *Muhammad, the World-Changer* Mohamad Jebara, 2021-11-16 An accessible biography of Muhammad, Islam's founding prophet, tracing his development from orphan to political leader and providing insights into his personal life and tastes. —New York Times Book Review A joyous read, presenting the Prophet Muhammad both as human and humane. Insightful, thoughtful and thought provoking! —Azar Nafisi, New York Times bestselling author of Reading Lolita in Tehran “A beautifully written, immaculately researched meditation on the impact of the Prophet Muhammad on the modern world. I loved this book!” —Reza Aslan, author of No God but God and Zealot: The Life and Times of Jesus of Nazareth A six-year-old cries in his mother's arms as she draws her last breaths to urge him: “Muhammad, be a world-changer!” The boy, suddenly

orphaned in a tribal society that fears any change, must overcome enormous obstacles to unleash his own potential and inspire others to do the same. Fusing details long known to Muslim scholars but inaccessible to popular audiences, Mohamad Jebara brings to life the gripping personal story of Islam's founding prophet. From his dramatic birth to nearly being abducted into slavery to escaping assassination, Muhammad emerges as an unrelenting man on a mission. Surrounding the protagonist are dynamic women who nurture Muhammad; Jewish and Christian mentors who inspire him; and the enslaved individuals he helps liberate who propel his movement. Jebara places Muhammad's life in a broader historical context, vividly evoking the Meccan society he was born into and arguing that his innovative vision helped shape our modern world.

bill simmons the of basketball: Now I Can Die in Peace Bill Simmons, 2009-03-24 NEW YORK TIMES BESTSELLER • Bill Simmons replays the years leading up to the Boston Red Sox historic championship season and says goodbye to a lifetime of suffering. At least for now. The Red Sox won the World Series. To Citizen No. 1 of Red Sox Nation, those seven words meant No more 1918 chants. No more smug glances from Yankee fans. No more worrying about living an entire life -- that's 80 years, followed by death without seeing the Red Sox win a Series. But once he was able to type those life-changing words, Bill Simmons decided to look back at his Sports Guy columns for the last five years to find out how the miracle came to pass. And that's where the trouble began. Why didn't he see it coming? Why didn't it happen sooner? What was the key deal, the lucky move, the funny bounce, the sign from above that he failed to spot? Pretty soon, The Sports Guy was second-guessing himself, rewriting history, sniping at his own past predictions, pounding the table -- that's what sports guys do, right? And doing so, he let himself get sidetracked by the suffering of the Boston Bruins, frustrated by the false promise of the Celtics -- and driven into a state of ecstasy by the dynastic New England Patriots. The result is *Now I Can Die in Peace*, a hilarious and fresh new look at some of the best sportswriting in America, with sharp critical commentary (and fresh insights) from the guy who wrote it in the first place.

bill simmons the of basketball: Tayra's Not Talking Lana Button, 2022-06-07 Tayra won't talk to her new classmates. Is there anything they can do? Why doesn't the new student in Miss Seabrooke's kindergarten class say anything when the other students talk to her? Speaking LOUDER doesn't help. Tayra won't even answer the teacher! They're about to give up. But then Kitty decides she'll show Tayra things instead of telling her. Soon the pair are communicating with gestures, drawings and smiles. Before long, all the others join in the fun, too! This story shows that words aren't the only way to connect and be friends!

bill simmons the of basketball: Boys Among Men Jonathan P. D. Abrams, 2016 Explores the trend of teenage basketball stars skipping college and making the transition to playing professionally, resulting in the 2005 age limit instituted by the NBA, mandating that all players must attend college or another developmental program for at least a year.

bill simmons the of basketball: Seven Seconds Or Less Jack McCallum, 2007-05 Chronicles the Phoenix Suns' 2005-2006 basketball season, discussing players, coaches, games, organizational changes, and more.

bill simmons the of basketball: Sprawlball Kirk Patrick Goldsberry, 2019 Beautifully illustrated and sharply written, *SprawlBall* is both a celebration and a critique of the 3-point shot. If you want to understand how the modern NBA came to be, you'll need to read this book. --Nate Silver, editor of fivethirtyeight.com From the leading expert in the exploding field of basketball analytics, a stunning infographic decoding of the modern NBA: who shoots where, and how. The field of basketball analytics has leaped to overdrive thanks to Kirk Goldsberry, whose visual maps of players, teams, and positions have helped teams understand who really is the most valuable player at any position. *SprawlBall* combines stunning visuals, in-depth analysis, fun, behind-the-scenes stories and gee-whiz facts to chart a modern revolution. From the introduction of the 3-point line to today, the game has changed drastically . . . Now, players like Steph Curry and Draymond Green are leading the charge. In chapters like *The Geography of the NBA*, *The Interior Minister* (Lebron James), *The Evolution of Steph Curry*, and *The Investor* (James Harden), Goldsberry explains why

today's on-court product--with its emphasis on shooting, passing, and spacing--has never been prettier or more democratic. And it's never been more popular. For fans of Bill Simmons and FreeDarko, *SprawlBall* is a bold new vision of the game, presenting an innovative, cutting-edge look at the sport based on the latest research, as well as a visual and infographic feast for fans.

bill simmons the of basketball: Tall Tales Terry Pluto, 2000-10-01 An account of the NBA from 1956 to 1966, after the introduction of the 24-second shot clock, highlights those who dominated the sport during its glory days, including Red Auerbach, Wilt Chamberlain, and the Boston Celtics.

bill simmons the of basketball: FreeDarko Presents: The Undisputed Guide to Pro Basketball History Bethlehem Shoals, Jacob Weinstein, 2010-11-01 The history of basketball has always belonged to champions like the Celtics, the Lakers, and the Bulls. Yet the game's history cuts much deeper than that. The bottom line, the record books and retired jerseys, can never fully do justice to this wild, chaotic, and energetic game. In between the championships, there's the sight of Earl Monroe, spinning and cajoling his way to every corner of the court; or Allen Iverson, driving headlong into players twice his size. The real history of the game is not its championships, which are indisputable, but the personalities of its heroes, which are, at least, undisputed. It's in the larger-than-life pathos of Wilt, the secret ties that bind Larry Bird to the flashy ABA, and Michael Jordan when he flew a little too high. From the prehistoric teachings of Dr. James Naismith to pioneering superstars such as LeBron James and Kevin Durant, you'll never see roundball the same way again.

bill simmons the of basketball: Don't Put Me In, Coach Mark Titus, 2013-03-12 An irreverent, hilarious insider's look at big-time NCAA basketball, through the eyes of the nation's most famous benchwarmer and author of the popular blog ClubTrillion.com (3.6m visits!). Mark Titus holds the Ohio State record for career wins, and made it to the 2007 national championship game. You would think Titus would be all over the highlight reels. You'd be wrong. In 2006, Mark Titus arrived on Ohio State's campus as a former high school basketball player who aspired to be an orthopedic surgeon. Somehow, he was added to the elite Buckeye basketball team, given a scholarship, and played alongside seven future NBA players on his way to setting the record for most individual career wins in Ohio State history. Think that's impressive? In four years, he scored a grand total of nine—yes, nine—points. This book will give readers an uncensored and uproarious look inside an elite NCAA basketball program from Titus's unique perspective. In his four years at the end of the bench, Mark founded his wildly popular blog Club Trillion, became a hero to all guys picked last, and even got scouted by the Harlem Globetrotters. Mark Titus is not your average basketball star. This is a wild and completely true story of the most unlikely career in college basketball. A must-read for all fans of March Madness and college sports!

bill simmons the of basketball: Loose Balls Terry Pluto, 2011-07-19 What do Julius Erving, Larry Brown, Moses Malone, Bob Costas, the Indiana Pacers, the San Antonio Spurs and the Slam Dunk Contest have in common? They all got their professional starts in the American Basketball Association. What do Julius Erving, Larry Brown, Moses Malone, Bob Costas, the Indiana Pacers, the San Antonio Spurs and the Slam Dunk Contest have in common? They all got their professional starts in the American Basketball Association. The NBA may have won the financial battle, but the ABA won the artistic war. With its stress on wide-open individual play, the adoption of the 3-point shot and pressing defense, and the encouragement of flashy moves and flying dunks, today's NBA is still—decades later—just the ABA without the red, white and blue ball. *Loose Balls* is, after all these years, the definitive and most widely respected history of the ABA. It's a wild ride through some of the wackiest, funniest, strangest times ever to hit pro sports—told entirely through the (often incredible) words of those who played, wrote and connived their way through the league's nine seasons.

bill simmons the of basketball: Can I Keep My Jersey? Paul Shirley, 2007 Offering an often hilarious, occasionally heart wrenching memoir of his life as a professional basketball player, Shirley details his years playing in America, Spain, and even Siberia.

bill simmons the of basketball: Basketball Jackie MacMullan, Rafe Bartholomew, Dan Klores, 2019-10-15 NEW YORK TIMES BESTSELLER • Inspired by a major ESPN film series, this is an extraordinary oral history of basketball—its eye-opening untold history, its profound deeper meaning, its transformative influence on the world—as told through an unprecedented series of candid conversations with the game’s ultimate icons. This is the greatest love story never told. It has passion and heartbreak, triumph and betrayal. It is deeply intimate yet crosses oceans, upends lives and changes nations. This is the true story of basketball. It is the story of a Canadian invention that took over America, and the world. Of a supposed “white man’s sport” that became a way for people of color, women, and immigrants to claim a new place in society. Of a game that demands everything of those who love it, yet gives so much back in return. To tell this story, acclaimed journalists Jackie MacMullan, Rafe Bartholomew and Dan Klores embarked on a groundbreaking mission to interview a staggering lineup of basketball trailblazers. For the first time hundreds of legends, from Kobe, LeBron and Steph Curry to Magic Johnson, Dr. J and Jerry West, spoke movingly about their greatest passion. Former NBA commissioner David Stern and iconic coaches like Phil Jackson and Coach K opened up like never before. Those who shattered glass ceilings, from Bill Russell and Yao Ming to Cheryl Miller and Lisa Leslie, explained what it really took to lay claim to their place in the game. At once a definitive oral history and something far more revelatory and life affirming, *Basketball: A Love Story* is the defining untold oral history of how basketball came to be, and what it means to those who love it.

bill simmons the of basketball: I See You Big German Zac Crain, 2021-06-01 In the 1990's, Dallas was a basketball wasteland. Luckily for the city, along came Dirk Nowitzki, a towering Würzburg, Germany native with a cool efficiency and the ability to basket shots from seemingly impossible angles. Nowitzki spent his entire 21-season NBA career with the Dallas Mavericks, the longest tenure of any one player with one team in the league's history, and led them to their first and only NBA championship, while being named a 14-time All-Star, a 12-time All-NBA Team member, and the first European player to receive the NBA's Most Valuable Player Award. Zac Crain, award-winning journalist for D Magazine who moved to Dallas the same year that Nowitzki began his career in the city, memorializes Nowitzki's career through a lyric essay reminiscent of Hanif Abdurraqib's *Go Ahead in the Rain* that mixes with author's story with the basketball legend's, charting the highs and lows (and mostly highs) of the Mavs' all-time statistical leader's career and what they mean to the city of Dallas and its now basketball-obsessed citizens.

bill simmons the of basketball: How to Watch Basketball Like a Genius Nick Greene, 2021-03-02 A brilliant, entertaining deconstruction of basketball, drawing on the expertise of board-game creators, magicians, therapists, and more Basketball is the second-most popular sport in the world—an insanely complicated game built on a combination of athleticism, craftiness, rules, intangibles, and superstardom. However, while it's enjoyable to watch, the real reason it works is because it's a game of culture, art, and all the things that make us human. *How to Watch Basketball Like a Genius* deconstructs the sport from top to bottom and then puts it back together again, detailing its intricacies through reporting and dozens of interviews with experts. These experts, however, are a diverse group: wine critics weighing in on LeBron's ability to delegate on the fly, magicians analyzing Chris Paul's mystifying dribbling techniques, cartographers breaking down Steph Curry's deadeye three-point shooting. Every chapter treats basketball to a multi-disciplined study that adventures far beyond the lines of the court, examining key elements of the sport from some surprising and revealing angles. There's a reason it has conquered the world, and every game is a chance to learn about pop culture, fashion, history, science, art, and anything else that bounces our way.

bill simmons the of basketball: Thinking Basketball Ben Taylor, 2016-06-29 Are top scorers really the most valuable players? Are games decided in the final few minutes? Does the team with the best player usually win? *Thinking Basketball* challenges a number of common beliefs about the game by taking a deep dive into the patterns and history of the NBA. Explore how certain myths arose while using our own cognition as a window into the game's popular narratives. New basketball

concepts are introduced, such as power plays, portability and why the best player shouldn't always shoot. Discover how the box score can be misleading, why closers are overrated and how the outcome of a game fundamentally alters our memory. Behavioral economics, traffic paradoxes and other metaphors highlight this thought-provoking insight into the NBA and our own thinking. A must-read for any basketball fan -- you'll never view the sport, and maybe the world, the same again.

bill simmons the of basketball: Play Their Hearts Out George Dohrmann, 2012-02-07 "A tour de force of reporting" (The Washington Post) from a Pulitzer-prize winning journalist that examines the often-corrupt machine producing America's basketball stars "Indispensable."—The Wall Street Journal "Often heart-breaking, always riveting."—The New York Times Book Review "Tremendous."—The Plain Dealer Winner of the PEN/ESPN Award for Literary Sportswriting • Winner of the Award for Excellence in the Coverage of Youth Sports Using eight years of unfettered access and a keen sense of a story's deepest truths, journalist George Dohrmann reveals a cutthroat world where boys as young as eight or nine are subjected to a dizzying torrent of scrutiny and exploitation. At the book's heart are the personal stories of two compelling figures: Joe Keller, an ambitious coach with a master plan to find and promote "the next LeBron," and Demetrius Walker, a fatherless latchkey kid who falls under Keller's sway and struggles to live up to unrealistic expectations. Complete with a new "where-are-they-now" epilogue by the author, Play Their Hearts Out is a thoroughly compelling narrative exposing the gritty reality that lies beneath so many dreams of fame and glory. One of GQ'S 50 Best Books of Literary Journalism of the 21st Century • One of the Best Books of the Year: Los Angeles Times, The Christian Science Monitor, Kirkus Reviews This edition includes an exclusive conversation between George Dohrmann and bestselling author Seth Davis.

bill simmons the of basketball: The Wages of Wins David Berri, Martin Schmidt, Stacey Brook, 2007-09-04 The Wages of Wins is a proper analysis of the data generated by professional sports; it tells many tales that are inconsistent with the myths put forward by the media, industry, and consumers of professional sport.

bill simmons the of basketball: The Last Shot Darcy Frey, 2004 It ought to be just a game, but basketball on the playgrounds of Coney Island is much more than that -- for many young men it represents their only hope of escape from a life of crime, poverty, and despair. In The Last Shot, Darcy Frey chronicles the aspirations of four of the neighborhood's most promising players. What they have going for them is athletic talent, grace, and years of dedication. But working against them are woefully inadequate schooling, family circumstances that are often desperate, and the slick, brutal world of college athletic recruitment. Incisively and compassionately written, The Last Shot introduces us to unforgettable characters and takes us into their world with an intimacy seldom seen in contemporary journalism. The result is a startling and poignant expose of inner-city life and the big business of college basketball.

bill simmons the of basketball: Tinderbox James Andrew Miller, 2021-11-23 Tinderbox tells the exclusive, explosive, uninhibited true story of HBO and how it burst onto the American scene and screen to detonate a revolution and transform our relationship with television forever. The Sopranos, Game of Thrones, Sex and the City, The Wire, Succession...HBO has long been the home of epic shows, as well as the source for brilliant new movies, news-making documentaries, and controversial sports journalism. By thinking big, trashing tired formulas, and killing off cliches long past their primes, HBO shook off the shackles of convention and led the way to a bolder world of content, opening the door to all that was new, original, and worthy of our attention. In Tinderbox, award-winning journalist James Andrew Miller uncovers a bottomless trove of secrets and surprises, revealing new conflicts, insights, and analysis. As he did to great acclaim with SNL in Live from New York; with ESPN in Those Guys Have All the Fun; and with talent agency CAA in Powerhouse, Miller continues his record of extraordinary access to the most important voices, this time speaking with talents ranging from Abrams (J. J.) to Zendaya, as well as every single living president of HBO—and hundreds of other major players. Over the course of more than 750 interviews with key sources, Miller reveals how fraught HBO's journey has been, capturing the drama and the comedy off-camera

and inside boardrooms as HBO created and mobilized a daring new content universe, and, in doing so, reshaped storytelling and upended our entertainment lives forever.

bill simmons the of basketball: The Long, Hot Winter Rick Adelman, 1992

bill simmons the of basketball: The Last Enforcer Charles Oakley, 2022-02-01 In this “incredible read on some incredible days and nights in the old association” (Adrian Wojnarowski, ESPN senior NBA insider) Charles Oakley—one of the toughest and most loyal players in NBA history—tells his unfiltered stories about his basketball journey and his relationships with Michael Jordan, LeBron James, Charles Barkley, Patrick Ewing, Phil Jackson, Pat Riley, James Dolan, Donald Trump, George Floyd, and many others. If you ask a New York Knicks fan about Charles Oakley, you better prepare to hear the love and a favorite story or two. But his individual stats weren’t remarkable, and while he helped power the Knicks to ten consecutive playoffs, he never won a championship. So why does he hold such a special place in the minds, hearts, and memories of NBA players and fans? Because over the course of nineteen years in the league, Oakley was at the center of more unbelievable encounters than Forrest Gump, and nearly as many fights as Mike Tyson. He was the friend you wish you had, and the enemy you wish you’d never made. If any opposing player was crazy enough to start a fight with him, or God forbid one of his teammates, Oakley would end it. “I can’t remember every rebound I grabbed but I do have a story—the true story—of just about every punch and slap on my resume,” he says. In *The Last Enforcer*, Oakley shares one incredible story after the next—all in his signature “unflinchingly tough, honest, and ultimately endearing” (Harvey Araton, New York Times bestselling author) style—about his life in the paint and beyond, fighting for rebounds and respect. You’ll look back on the era of the 1990s NBA, when tough guys with rugged attitudes, unflinching loyalty, and hard-nosed work ethics were just as important as three-point sharpshooters. You’ll feel like you were on the court, in the room, can’t believe what you just saw, and need to tell everyone you know about it.

bill simmons the of basketball: Dream Team Jack McCallum, 2012-07-10 NEW YORK TIMES BESTSELLER Acclaimed sports journalist Jack McCallum delivers the untold story of the greatest team ever assembled: the 1992 U.S. Olympic Men’s Basketball Team. As a writer for Sports Illustrated, McCallum enjoyed a courtside seat for the most exciting basketball spectacle on earth, covering the Dream Team from its inception to the gold medal ceremony in Barcelona. Drawing on fresh interviews with the players, McCallum provides the definitive account of the Dream Team phenomenon. He offers a behind-the-scenes look at the controversial selection process. He takes us inside the team’s Olympic suites for late-night card games and bull sessions where superstars like Michael Jordan, Magic Johnson, and Larry Bird debated the finer points of basketball. And he narrates a riveting account of the legendary intrasquad scrimmage that pitted the Dream Teamers against one another in what may have been the greatest pickup game in history. In the twenty years since the Dream Team first captivated the world, its mystique has only grown. Dream Team vividly re-creates the moment when a once-in-a-millennium group of athletes came together and changed the future of sports—one perfectly executed fast break at a time. With a new Afterword by the author. “The absolute definitive work on the subject, a perfectly wonderful once-you-pick-it-up-you-won’t-be-able-to-put-it-down book.”—The Boston Globe “An Olympic hoops dream.”—Newsday “What makes this volume a must-read for nostalgic hoopsters are the robust portraits of the outsize personalities of the participants, all of whom were remarkably open with McCallum, both then and now.”—Booklist (starred review)

bill simmons the of basketball: Those Guys Have All the Fun Tom Shales, James Andrew Miller, 2011-05-24 In the exclusive behind the scenes look, sports fans can unlock the fascinating history of the channel that changed the way people watch and interact with their favorite teams. It began, in 1979, as a mad idea of starting a cable channel to televise local sporting events throughout the state of Connecticut. Today, ESPN is arguably the most successful network in modern television history, spanning eight channels in the United States and around the world. But the inside story of its rise has never been fully told-until now. Drawing upon over 500 interviews with the greatest names in ESPN's history and an All-Star collection of some of the world's finest athletes, bestselling

authors James Miller and Tom Shales take us behind the cameras. Now, in their own words, the men and women who made ESPN great reveal the secrets behind its success—as well as the many scandals, rivalries, off-screen battles and triumphs that have accompanied that ascent. From the unknown producers and business visionaries to the most famous faces on television, it's all here.

bill simmons the of basketball: The Victory Machine Ethan Sherwood Strauss, 2020-04-14
How money, guts, and greed built the Warriors dynasty -- and then took it apart The Golden State Warriors dominated the NBA for the better part of a decade. Since the arrival of owner Joe Lacob, they won more championships and sold more merchandise than any other franchise in the sport. And in 2019, they opened the doors on a lavish new stadium. Yet all this success contained some of the seeds of decline. Ethan Sherwood Strauss's clear-eyed exposé reveals the team's culture, its financial ambitions and struggles, and the price that its players and managers have paid for all their winning. From Lacob's unlikely acquisition of the team to Kevin Durant's controversial departure, Strauss shows how the smallest moments can define success or failure for years. And, looking ahead, Strauss ponders whether this organization can rebuild after its abrupt fall from the top, and how a relentless business wears down its players and executives. *The Victory Machine* is a defining book on the modern NBA: it not only rewrites the story of the Warriors, but shows how the Darwinian business of pro basketball really works.

bill simmons the of basketball: The Miracle of St. Anthony Adrian Wojnarowski, 2006-01-19
In a city mired in endless decay, where the youth suffer through all the horrors of urban blight, hope comes in a most unassuming form: a tiny brick schoolhouse run by two Felician nuns where a singular basketball genius takes teenagers from the mean streets of Jersey City and turns them into champions on the hardcourt. Coach Bob Hurley had been working miracles at St. Anthony High School for over thirty years, winning state and national championships and offering his players rescue from their surroundings through college scholarships, when he met his most dysfunctional team yet. In *The Miracle of St. Anthony* Adrian Wojnarowski follows Hurley through a gripping and heartrending season as he struggles to lead a troubled team to glory through his unparalleled understanding of the game and his ceaseless determination to see no more children lost to these streets. In *The Miracle of St. Anthony*, acclaimed sports journalist Adrian Wojnarowski follows Hurley through a gripping and heartrending season, as he struggles to lead a troubled team to glory through his unparalleled understanding of the game and his ceaseless determination to see no more children lost to the city streets.

bill simmons the of basketball: Fathers & Daughters & Sports ESPN, 2010-05-04
An inspiring anthology of sports short stories for any father, daughter or parent Thank heavens for Title IX. That dusty piece of 1970s legislation not only made an entire generation of American women fitter and stronger and more self-confident, but it also gave fathers throughout the country a greater opportunity to bond with their daughters. The evidence fills the covers of this collection of essays by a stellar roster of sports journalists, champion athletes, and celebrated writers. In the Introduction, basketball star Rebecca Lobo recalls how her dad's advice continued to ring in her ears long after she last played hoops with him on the gravel driveway of their Massachusetts home. Sportswriting legend Dan Shaughnessy celebrates his daughters' eye-opening softball exploits. Chris Evert recounts how her tennis coach father, Jimmy, taught her coolness under fire. Bill Simmons proudly bequeaths his love of the NBA to his preschool-aged daughter. Doris Kearns Goodwin explains how the not-so-simple act of filling in a scorecard for a father can be an act of love. Mike Veeck, minor-league team owner (and son of baseball's great impresario, Bill Veeck), writes about the terrifying disease that blinded his daughter, Rebecca, and how they learned from his own father's example in dealing with disability. A companion volume to the acclaimed ESPN Books anthology, *Fathers & Sons & Sports*, *Fathers & Daughters & Sports* will appeal to everyone who has been either a father or a daughter, or can see himself or herself in these engaging and emotional vignettes. Whether the stories take place on a court, rink, diamond, in the dressage arena, or in the press box, they are universal in appeal, and will touch the hearts of anyone who has ever shot hoops, kicked the ball around, or played catch with a parent or child—and has seen the positive effect these

games have on us.

bill simmons the of basketball: *Listen to Your Mother* Ann Imig, 2015-04-07 Irreverent, thought-provoking, hilarious, and edgy: a collection of personal stories celebrating motherhood, featuring #1 New York Times bestselling authors Jenny Lawson and Jennifer Weiner, and many other notable writers. *Listen to Your Mother* is a fantastic awakening of why our mothers are important, taking readers on a journey through motherhood in all of its complexity, diversity, and humor. Based on the sensational national performance movement, *Listen to Your Mother* showcases the experiences of ordinary people of all racial, gender, and age backgrounds, from every corner of the country. This collection of essays celebrates and validates what it means to be a mother today, with honesty and candor that is arrestingly stimulating and refreshing. The stories are raw, honest, poignant, and sometimes raunchy, ranging from adoption, assimilation to emptying nests; first-time motherhood, foster-parenting, to infertility; single-parenting, LGBTQ parenting, to special-needs parenting; step-mothering; never mothering, to surrogacy; and mothering through illness to mothering through unsolicited advice. Honest, funny, and heart-wrenching, these personal stories are the collective voice of mothers among us. Whether you are one, have one, or know one, *Listen to Your Mother* is an emotional whirlwind that is guaranteed to entertain, amuse, and enlighten.

bill simmons the of basketball: *Tuff Juice* Caron Butler, Steve Springer, 2015-09-24 Two-time All-Star and thirteen-year NBA veteran Caron Butler has an impressive basketball record. He was Big East Co-Player of the Year at UConn, the 10th overall pick of the 2002 NBA Draft and a key player for the Dallas Mavericks in their championship-winning season in 2011. But before Butler had a chance to prove himself on the court, he spent his time trying to prove himself on the streets, as a gang member and drug dealer in his hometown of Racine, Wisconsin. He saw friends gunned down in the bloody street wars near his home, was arrested nearly 15 times and wound up behind bars and in solitary confinement before his 15th birthday. *Tuff Juice* shares Caron Butler's extraordinary journey from his delinquent youth in the streets of Racine to his role as an accomplished pro basketball player, dedicated husband and father, active philanthropist and burgeoning businessman. Along the way, the book explores the incredible impact his single mother's unconditional love and his college coach's unwavering support had on him, and what drives him to be so successful in basketball and in life. Like *The Blind Side*, it's a gripping narrative filled with hubris, dangerous obstacles and heartwarming moments that transcend sports and speak to perseverance, hope and the triumph of the human spirit.

bill simmons the of basketball: *The Game Is Not a Game* Robert Scoop Jackson, 2020-03-03 THE GAME IS NOT A GAME IS AN INSIGHTFUL, UNAPOLOGETIC EXPOSÉ OF THE INTERSECTION OF SPORTS, CULTURE, AND POLITICS FROM VETERAN JOURNALIST ROBERT SCOOP JACKSON.

bill simmons the of basketball: *Shaq Uncut* Shaquille O'Neal, 2011-11-15 Superman. Diesel. The Big Aristotle. Shaq Fu. The Big Daddy. The Big Shaqtus. Wilt Chamberneezy. The Real Deal. The Big Shamrock. Shaq. You know him by any number of names, and chances are you know all about his legendary basketball career: Shaquille Shaq O'Neal is a four-time NBA champion and a three-time NBA Finals MVP. After being an All-American at Louisiana State University, he was the overall number one draft pick in the NBA in 1992. In his 19-year career, Shaq racked up 28,596 career points (including 5,935 free throws!), 13,099 rebounds, 3,026 assists, 2,732 blocks, and 15 All-Star appearances. These are statistics that are almost as massive as the man himself. His presence-both physically and psychologically-made him a dominant force in the game for two decades. But if you follow the game, you also know that there's a lot more to Shaquille O'Neal than just basketball. Shaq is famous for his playful, and at times, provocative personality. He is, literally, outsize in both scale and persona. Whether rapping on any of his five albums, challenging celebrities on his hit television show *Shaq Vs.*, studying for his PhD or serving as a reserve police officer, there's no question that Shaq has led a unique and multi-dimensional life. And in this rollicking new autobiography, Shaq discusses his remarkable journey, including his candid thoughts on teammates and coaches like Kobe Bryant, Dwyane Wade, LeBron James, Phil Jackson, and Pat Riley. From

growing up in difficult circumstances and getting cut from his high school basketball team to his larger-than-life basketball career, Shaq lays it all out in *Shaq Uncut: My Story*.

bill simmons the of basketball: *The Sopranos Sessions* Matt Zoller Seitz, Alan Sepinwall, David Chase, 2019-01-08 In *The Sopranos Sessions*, renowned television critics—and New York Times bestselling authors—Matt Zoller Seitz and Alan Sepinwall celebrate the 20th anniversary of one of the greatest television series of all time. Foreword by Laura Lippmann On January 10, 1999, a mobster walked into a psychiatrist's office and changed TV history. By shattering preconceptions about the kinds of stories the medium should tell, *The Sopranos* launched our current age of prestige television, paving the way for such giants as *Mad Men*, *The Wire*, *Breaking Bad*, and *Game of Thrones*. As TV critics for Tony Soprano's hometown paper, New Jersey's *The Star-Ledger*, Alan Sepinwall and Matt Zoller Seitz were among the first to write about the series before it became a cultural phenomenon. Sepinwall and Seitz have reunited to produce *The Sopranos Sessions*, a collection of recaps, conversations, and critical essays covering every episode. Featuring a series of long-form interviews with series creator David Chase, as well as selections from the authors' archival writing on the series, *The Sopranos Sessions* explores the show's artistry, themes, and legacy. "This amazing book by Alan Sepinwall and Matt Zoller Seitz has bigger twists than anything I could ever come up with." —Sam Esmail, creator of *Mr. Robot*

bill simmons the of basketball: *Raised in Captivity* Chuck Klosterman, 2020-07-14 *Microdoses* of the straight dope, stories so true they had to be wrapped in fiction for our own protection, from the best-selling author of *But What if We're Wrong?* A man flying first class discovers a puma in the lavatory. A new coach of a small-town Oklahoma high school football team installs an offense comprised of only one, very special, play. A man explains to the police why he told the employee of his local bodega that his colleague looked like the lead singer of Depeche Mode, a statement that may or may not have led in some way to a violent crime. A college professor discusses with his friend his difficulties with the new generation of students. An obscure power pop band wrestles with its new-found fame when its song *Blizzard of Summer* becomes an anthem for white supremacists. A couple considers getting a medical procedure that will transfer the pain of childbirth from the woman to her husband. A woman interviews a hit man about killing her husband but is shocked by the method he proposes. A man is recruited to join a secret government research team investigating why coin flips are no longer exactly 50/50. A man sees a whale struck by lightning, and knows that everything about his life has to change. A lawyer grapples with the unintended side effects of a veterinarian's rabies vaccination. Fair warning: *Raised in Captivity* does not slot into a smooth preexisting groove. If Saul Steinberg and Italo Calvino had adopted a child from a Romanian orphanage and raised him on Gary Larsen and Thomas Bernhard, he would still be nothing like Chuck Klosterman. They might be good company, though. Funny, wise and weird in equal measure, *Raised in Captivity* bids fair to be one of the most original and exciting story collections in recent memory, a fever graph of our deepest unvoiced hopes, fears and preoccupations. Ceaselessly inventive, hostile to corniness in all its forms, and mean only to the things that really deserve it, it marks a cosmic leap forward for one of our most consistently interesting writers.

bill simmons the of basketball: *Gridiron Genius* Michael Lombardi, 2018-09-11 Former NFL general manager and three-time Super Bowl winner Michael Lombardi reveals what makes football organizations tick at the championship level. From personnel to practice to game-day decisions that win titles, Lombardi shares what he learned working with coaching legends Bill Walsh of the 49ers, Al Davis of the Raiders, and Bill Belichick of the Patriots, among others, during his three decades in football. Why do some NFL franchises dominate year after year while others can never crack the code of success? For 30 years Michael Lombardi had a front-row seat and full access as three titans--Bill Walsh, Al Davis, and Bill Belichick--reinvented the game, turning it into a national obsession while piling up Super Bowl trophies. Now, in *Gridiron Genius*, Lombardi provides the blueprint that makes a successful organization click and win--and the mistakes unsuccessful organizations make that keep them on the losing side time and again. In reality, very few coaches understand the philosophies, attention to detail, and massive commitment that defined NFL

juggernauts like the 49ers and the Patriots. The best organizations are not just employing players, they are building something bigger. Gridiron Genius will explain how the best leaders evaluate, acquire, and utilize personnel in ways other professional minds, football and otherwise, won't even contemplate. How do you know when to trade a player? How do you create a positive atmosphere when everyone is out to maximize his own paycheck? And why is the tight end like the knight on a chessboard? To some, game planning consists only of designing an attack for the next opponent. But Lombardi explains how the smartest leaders script everything: from an afternoon's special-teams practice to a season's playoff run to a decade-long organizational blueprint. Readers will delight in the Lombardi tour of an NFL weekend, including what really goes on during the game on and off the field and inside the headset. First stop: Belichick's Saturday night staff meeting, where he announces how the game will go the next day. Spoiler alert: He always nails it. Football dynasties are built through massive attention to detail and unwavering commitment. From how to build a team, to how to watch a game, to understanding the essential qualities of great leaders, Gridiron Genius gives football fans the knowledge to be the smartest person in the room every Sunday.

Bill Simmons The Of Basketball Introduction

Bill Simmons The Of Basketball Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works.
